SUMMER CAMPOUT

By Martha White
Editor

This years summer campout will be held at Lake Perris. We need to know yesterday, NOW, if you will be joining us, as we need to make reservations.

To date we have 4 motor homes, 1 fifth wheel, and several tent campers joining us.

The park features such events as: horseback riding, boating, water skiing, waverunners, fishing clinic, and fishing (state fishing license required).

As it will be warm there if you have a canopy that you can bring please do. Also if you have a boat that you can bring along, please do.

Don't forget to let us know immediately that you are going. Reservations for the campsites must be made NOW. Please call Lou Spielberger at (714) 751-5102 or Paul Steel at (714) 998-0641 or (714) 441-0641 to RSVP.

"TIGER TAILS"

By Paul Steed
President

I'd like to thank all of you that donated there stuff to our White Elephant Sale held at the May General Meeting. Also a big thanks to Wade Roberts for being Auctioneer and Lou Spielberger for initiating and organizing the sale. A big thanks to everyone that participated, it was fun!

I'd also (now that I'm on a thank you roll) like to say thanks to Roger Aday for all the hard work he put into making our gynkhana event at Ford Fun Day, a complete success. Also thanks to Bev Marsh for making the really great trophies for Fun Day, they were well taken.

The tour/seminar of Bill's Antique Bearings and Engine Service in Hemet was truly enlightening. These guys will be the ones I'll use the next time I do an "A" engine, I was impressed with their operation!

Remember the warm weather is here and there ain't no excuses for leaving the "A" in the garage. There are several over night tours and afternoon tours on the calendar, so come on out and have some fun. See ya soon! Paul Remember July 7th, 9am the Mall of Orange - Photo Rally - get the picture?

MODEL "A" GARAGE SALE

By Martha White
Editor

Herb Hester has informed me that he is changing hobbies. Everything he has that is Model A related is going to be sold on Saturday, June 15th at 8:00 a.m. The garage sale will be held at Herb's home at:

20312 Bay View Ave.
Santa Ana (near O.C. Airport)
(714) 756-9108

For list of items being sold please see the classified section of this issue.

LETTER FROM THE EDITOR

By Les & Martha White
Editors

All is well with The Distributor. We again want to mention that if you know of a business which deals with model A related goods or services and is not advertising with us, then please let us know.

I would also like to mention that Atlantic Pacific, the transport company in our classified section is owned by club members, Jon & Brenda Evans. They also offer emergency tow service.

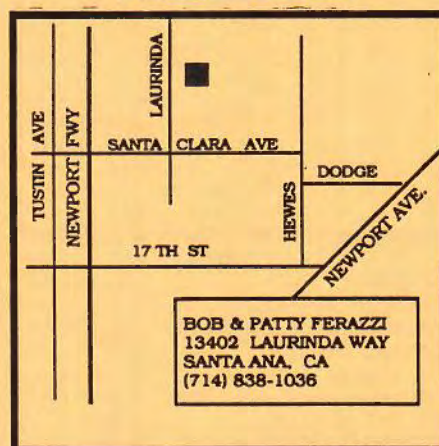

MODEL "A" WORKBENCH

By Al Zannino
Technical Advisor

I was very glad I made it back in town for the May Tour/Seminar to "Bill's Antique Bearings and Engine Service" in Hemet. Everyone enjoyed the back-roads and demonstrations given at the two machine shops.

The June Seminar will be on "SAFETY". If you are going on the Summer Tour or just want to have safe and trouble-free summer driving, bring your "A" to Bob and Patty Ferazzi's residence on Saturday, June 15th at 8:00 a.m.

SEMINAR MAP

HARD LUCK TROPHY

Congratulations to Dennis Griffin who was the proud winner of this month's Hard Luck Trophy.

Our condolences to you Dennis better luck next month.

BOARD MEETING

By F. D. Kiser
Secretary

The meeting was called to order by the President at 7:35 p.m. in Red Kiser's Residence, Garden Grove, CA. All board members were present. Leo Rivard, a club member, was also present.

The Secretary's and Treasurer's reports were presented and accepted as presented.

Lou Spielberger indicated there were no changes or new tours to report for this month. Schedules of all activities are published monthly in The Distributor. Lou mentioned the trouble the Tour had with the Security in the parking lot at the Orange Mall. Paul indicated he would go to the Mall management and take out a permit (if no costs are involved) and see if this will help solve the harassment we have received in the past.

The Editor had nothing to report.

The Technical Advisor reported on the success of the Tour to Bill's Antique Bearings and Engine Service in Hemet. It was very relaxed and an enjoyable operation for all those who attended. The next Seminar will be on Model A "SAFETY". (Refer to "Model A" Workbench" article in The Distributor.)

Joe Wavra indicated there are no new Mall Shows to report. The board agreed with Joe that more advanced planning for Mall Shows should be made and it should start about a year in advance. It was agreed that Joe and Red, the Secretary, would send out letters to all our contacts to try to get commitments as soon as possible.

The ACCC Representative, Don Tune, indicated he had received a congratulatory acknowledgement from the ACCC on his becoming our representative. Don had no other activities to report.

(CONTINUED NEXT COLUMN)

BOARD MEETING (CONTINUED)

Don wrote an article for publication in The Distributor regarding ACCC activities.

Linda reported on the "30th Anniversary Celebration" at Mile Square Park. The board agreed to pay a "special fee" to assure that we have proper sized tables and parking for the event. Both Linda and Bev are making great plans for this event and it should be the best yet of all our club's "get-togethers". A revised article on our "30th Anniversary Celebration" for the Restorer was resubmitted by Linda to provide good coverage of this event. A motion was made and passed for Al Zannino to be responsible for bringing the Club Banner to the celebration (as he is the only one who knows where the banner is).

Paul reviewed a letter he received from the Dallas 1992 Convention soliciting our help. He gave the letter to Martha to make a write-up for The Distributor so all members planning to attend would be aware of it.

Paul reported on a letter he received from the Orange County "Environmental Management Agency, Harbors, Parks, & Beaches". They are having a "Quilt Fair" on Saturday and Sunday, August 3rd and 4th, at the Heritage Hill Park, El Toro. They are requesting several cars for the event. Paul will contact them and work out the particulars of how many cars and on what days they are needed. Details will be published in The Distributor.

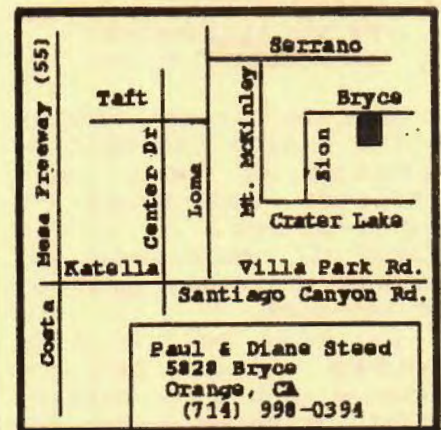

Bev Marsh announced a baby shower for Annette Kelley that will be published in The Distributor.

It was not decided at the meeting where the next Board Meeting would be held. Refer to The Distributor for time and place.

The meeting adjourned at 8:50 p.m.

Respectfully Submitted

ACCC NEWS

By Don Tune
ACCC Representative

When our state enacted a bill which established new laws regarding auto registration and established severe penalties for non-compliance, the perception of many of us was that the ACCC was asleep at the switch. However, a new bill has been introduced (AB 1947 by Eaves) which proposes to undo the features of AB 2912 which effect our hobby. This bill would delete the application for the certification of non-operation requirements for specified historical vehicles, antique motorcycles, street rods and other specified vehicles and would instead reinstate provisions permitting the filing of a certificate of non-operation in conjunction with an application to register any of these vehicles. This bill would declare that it is to take effect immediately as an urgency statute. We'll have to follow this one closely. Some of our members have expressed an interest to attend ACCC meetings. I will be announcing the time and place for upcoming meetings.

ACTIVITIES BY LOU

By Lou Speilberger
Activities Director

Our seminar and tour to Bill's Engine and Bearing Service at Hemet was different. Four Model A's and 5 modern cars. We stayed off the freeway all the way there and most of the way back.

Our next Tour will be Sunday, June 9th to Lawrence Welk's for brunch, buffet including deserr and beverage, \$13.95. We will leave Coco's at El Toro 8 am. It will be necessary to make reservations in advance. Please call Lou Spielberger or Paul Steed.

We will be having a 4th of July potluck at Joe & Marion Wavra's home on Thursday, July 4th. We will be able to view a beautiful fireworks display from the Wavra's patio. Marion need to know if you will be joining us in order to know how many to plan seating for. Give Marion a call at: (714) 549-2881 and let her know you'll be there.

SANTA BARBARA REPORT

We went up in two groups, one group left early around 5 AM and the second group left at 8 AM. We stopped in Malibu for breakfast everyone made it to Santa Barbara with no problems.

When we arrived on Friday we met the first group at the motel.

Friday night we all went our separate ways for dinner. After dinner we all got together and went to see the movie "Bob" everyone enjoyed it.

Saturday we went antquing and garage sale looking. The wind blew quite hard and the weather was cool on the beach. In the afternoon we had a poolside party and then off to dinner and a fun evening.

Sunday morning we took off in two groups, everyone made it home OK.

SPECIAL ACTIVITIES

1992 NATIONAL CONVENTION

The following correspondence was sent to us by Charlie Viosca, the '92 Convention Chairman. If your interested in helping out they would love to hear from you.

The 17th MAFCA National Convention, hosted by the Dallas Model A Ford Club, will be held in Arlington, Texas. The date is: June 22 through 26, 1992, plan to be there. We have a lot of things planned for the children and teens as well as for the adults.

We would like to ask if your chapter would care to participate in the convention on any of the following?

1. Would your chapter like to sell raffle tickets? Please see discription of raffle prizes.

2. Would your chapter like to order promotional items as a group, to save on postage? If yes, let me know as soon as it is ready. (Presently, we have "T"shirts, \$8; cloisenne pins, \$3.50; and souvenir watches \$30. plus postage). Order now and save tax. Other items to follow.

3. Would your chapter care to donate any door prizes or raffle items? If yes please mail them to me.

sleeved back to standard using high grade cast iron sleeves. Bearings are repoured using high quality material and align bored to .025" mains and .030" rods. This is a completely balanced engine and will be test run. The winner will receive this engine delivered free to any place within the lower 48 states or to the point of export.

Painting

The water color painting is being painted and donated by our member, Bobbie Briggs. Bobbie does excellent watercolor and the lucky winner will be proud to receive this 18x24 framed painting.

Tickets

Tickets for the engine and painting are \$1.00 each or 6 for \$5.00.

Of course, the engine and painting will be on display at the convention. However, we want to give our MAFCA members, not attending the convention, the opportunity to purchase tickets for these items. The winner does not have to be present during the drawing, to win.

Please send your request for tickets to the following address.

Ideal for Traveling Babies

Mothers, when your babies are about six months old, your doctors will advise Strained Vegetables to supplement the milk diet and increase the supply of mineral salts necessary to produce healthy bones and teeth.

Now is the time to find out why Clapp's Strained Vegetable foods are prescribed by over 5000 specialists, and why babies love them.

Why they save mothers 24 hours a week cooking and kitchen time and why, as they are ready to use except for diluting and heating, they are equally convenient to use at home or traveling.

Write today for booklet "Strained Vegetables for Infant Feeding," telling about the preparation of these foods and their distribution in 4-oz. glass jars through a local agency whose name we will send.

Size 16 requires 4½ yards 39-inch dotted, 3½ yards plain, including lining. Width about 1½ yard around the bottom of the skirt.

DIAGONAL SEAMS

5342—The sophisticated swing of the diagonal seaming encrustation is rendered more effective by the use of well-placed buttons and by the pleats introduced at the side of the skirt. Designed for sizes 14 to 42. Size 16 requires 3½ yards 36-inch material, ⅛ yard contrasting. Width about 2¼ yards.

5339—This becoming tailored frock is altogether new and distinguished from its crisply contrasting collar to the hem of its cleverly seamed and pleated skirt. Designed for sizes 14 to 42. Size 16 requires 3¾ yards 39-inch material, ¾ yard 39-inch contrasting. Width about 1½ yard at lower edge around the bottom.

POLKA DOT CHIC

5348—This unusual frock is cut in a low opening to disclose a jaunty, polka dotted vestee. The skirt is caught up slightly at the closing by tucks. Designed for sizes 14 to 42. Size 16 requires 27½ yards 39-inch material, 1½ yard dotted, 12¾ yards braid. Width about 1¼ yard at the lower edge.

5320—Paris designs an individual hat to match each of the new sports frocks, and this one, with its lifted brim, would be effective in any of the season's sport fabrics. Designed for head sizes 21, 22 and 23 inches. Size 21 requires ½ yard 36-inch material, ½ yard ribbon for trimming.

5330—The newest and gayest accessories are the matching bags and scarfs in vivid colors that add sparkling contrast to the simple white or pastel sports frocks. Scarf and matching bag require 1 yard 39-inch striped material, ¾ yard 39-inch lining, ½ yard 18-inch buckram.
