LETTER FROM THE BRUSHES

I received this letter from Keith and Mary Brush and want to share it with you. I talked to Keith recently and he tells me that they have gotten together with Dusty Trails and are in the process of starting a new chapter. They will be calling themselves "Hi-Country 'A's'" they are up to 32 members and are very excited about the the new club as well as the great Model A roads in Arizona. Mary is the new chapter's Treasurer and Keith is their Historian. Keith mentioned that they might be here for the Pancake Breakfast we hope that they will be able to join us. Here is their letter.

LETTER FROM THE BRUSHES (CONTINUED)

Dear Friends,

In our search for another kind of lifestyle Mary and I have found our new home in Prescott, AZ.

We want our fellow club members to know we have enjoyed our short acquaintance with Orange County MAFCA.

Our door is always open so please come to visit the Arizona Beauty. Let me tell you there are great Model "A" roads here! The Roadster Pick-up found a few last weedend.

You and your Model "A" can find us at; 535 Eastwood Dr. Prescott, AZ 96303 (602) 778-6088 Feel free to pass it on.

LETTER FROM THE EDITOR

By Les & Martha White
Editors

We have contacted many advertisers that have purchased space in our Classified Section, their ads will be running throughout the year. When you do business with our advertisers please be sure to let them know you saw their ad in our newsletter.

We are still looking for additional advertisers. If you know of or do business with a company that has a product or service that is in some way related to the Model A please let us know. Call Les or Martha White at (714) 870-6417 and we will contact them. We do need your input on these potential advertisers, it's your newsletter too.

We are all looking forward to the upcoming Pancake Breakfast, which is now only days away and promises, as usual, to be great fun! See you all there!

"TIGER TAILS"

By Paul Steed
President

Greetings,

The Valentine's Brunch and Tour once again was well attended and enjoyed.

The San Diego Big Three Swap Meet has added a 'few "I can't live without that 'items"', for the "A" and for my favorite storage shelf.

Ed Cote's Roadster Pickup lives once again. Thanks to Al Zannino and the Club.

The Pancake Breakfast is rapidly approaching, the Club will need all your help to make this the event that the Model A crowd has always looked forward to and enjoyed so much. We still need more donations for our raffle. If you can ask your favorite local business if they can make a small donation towards our cause it would help. If you have any extra Model A parts or accessories you can donate. Please help out. I'll see all March 10th.

A special thanks to Red Kiser for locating and handling the button manufacturing and procuring everything need.

A thanks to Pieter Dwinger for the slide show at the last General Meeting and to everyone that donates their time and effort, for all of our enjoyment.

SUMMER TOUR REPORT

On Wednesday, January 30th there was a Summer Tour planning meeting at the home of Joe and Marion Wavra. We had about 14 club members in attendance.

After a very short discussion the group agreed on touring up the California Coast.

The agenda reads as follows. Departure on Saturday, June 22, the first night we will be staying in Santa Barbara, Sunday to Morro Bay. Monday and Tuesday in Monterey,

(CONTINUED NEXT PAGE)

"TIGER TAILS" (CONTINUED)

Wednesday in Santa Cruz,
Thursday in Carmel Valley,
Friday in San Luis Obispo,
Saturday in Carpinteria and
returning home Sunday
morning.

There will be many
points of interest on this
tour, here are just a few:
the Aquarium in Monterey,
the famous 17 Mile Drive,
San Simeon, Lompoc. If you
can take the week of June
22 thru June 30th join us.
Bob and Patty Ferazzi have
already made reservations
for 18 in Monterey and we
will need to know real soon
who will be joining us.
Remember the Summer Tours
with our club are the best.
Contact Paul Steed, Dennis
Griffin, or Terry Lucas if
interested.

REGIONAL REPORT

The Southern California
Model A Club Regional
meeting was held February
1st, at 7:30 pm. There were
22 people representing
eight Southern California
Model A Clubs, the Regional
Chairman, Bob Trousil, was
presiding.

May 5th will be Fun Day,
held at Whittier Narrows
Regional Park, just off the
60 freeway.

There will be six events
for the enjoyment of adults
and children. Fun Day
starts at 9am, lunch is
from 11:30 to 12:30. We
have been requested to
bring extra food so that
everyone can share. This
year instead of all the
clubs having lunch in there
own little areas, we would
like to try sharing a large
area and sharing food with
everyone. We are doing this
so that, we will be able to
get to know new friends,
ect.

The day's events will
held from 12:30 to 2 pm.
Awards will be presented
from 2 pm to 3 pm. There
will be good old fashion
fun for everyone. If you
haven't gone to a gynkahna
event now is the perfect
time. A gynhakana is a type
of 1/2 skill, 1/2 game, 1/2
luck game, that is played
using your Model A. If you
don't have a Model A to
bring to this event I'll
let you use mine - Really -
it's a great time. Hope to
see you there.

SPECIAL ACTIVITIES

By Joe Wavra
Special Events Chairman

On Sunday, April 21st we
have a car show at the Old
World Village from 11am to
4pm. We need a minimum of 15
cars. Old World Village is
located at 7561 Center Ave.
Huntington Beach. There will
be lots of special events
and activities, come
discover Europe
inexpensively, for a fun
filled day. We decided to
tour to this car show. We
will meet at South Coast
Plaza, May Co. and depart at
10:30am. Plan to spend the
day, it will be lots of fun.

MODEL "A" WORKBENCH

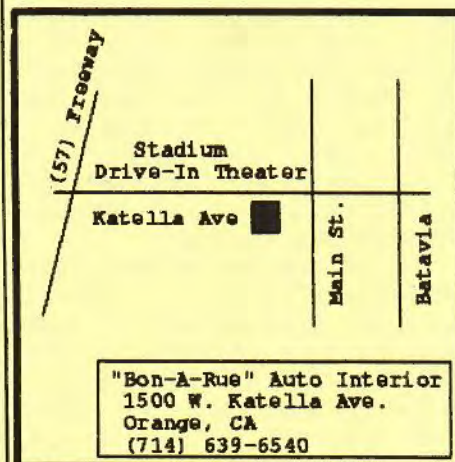

By Al Zannino
Technical Advisor

I want to thank Patty and
Ed Cote' for hosting our
February seminar. More than
30 participants and observers
turned out for a very
interesting evening. Those
people who could not find
room around the "A" to work
had even more fun seeing and
hearing the history of the
many artifacts throughout the
Cote' residence. Both Patty
and Ed were very entertaining
and hospitable hosts.

It was a successful
seminar as we were able to
get Ed's "A" running again.
Although we did not get to
drive it around the block,
it's a matter of time now
until Ed will be able to
drive it on our Club
sponsored tours.

The next Seminar will be
held Saturday, March 16,
1991, starting at noon at the
"Bon-A-Rue" Auto Interior
shop located at 1500 W.
Katella Ave., Orange, CA
George Heiland who is one of
the proprietors and also the
brother of Jon Heiland, will
demonstrate how to install
the roof insert on a Model
"A" Sedan. I am sure this
will be of interest to most
members. So mark your
calendar now and plan to
attend.

BOARD MEETING

By F. D. Kiser
Secretary

The meeting was called
to order at 7:35 by
President Paul Steed, in
the Steed residence,
Orange, CA. All members
were present except for
the Activities Director
and Technical Director.

The Secretary read the
minutes of the last Board
Meeting and they were
approved as read. The
Treasurer read and
presented a copy of her
report for the period
ending February 21, 1991.
The report was approved
as read. The President
announced that Lou
Spielberger will be the
new Activities Director
for the remainder of the
year. A list of potential
activities that Lou has
already planned for the
year were read by the
President. Details of
these plans will be
published in The
Distributor when they
have been firmly
established.

The Editor reported
The Distributor is
preceeding on schedule.
She reviewed the costs
associated with
publishing The
Distributor and the Board
agreed the costs are very
reasonable considering

the extra "little" services that are given with the present printer. Because the Technical Director, Al Zannino, was sick and did not attend the meeting, Martha read Al's report to The Distributor and it was accepted as written.

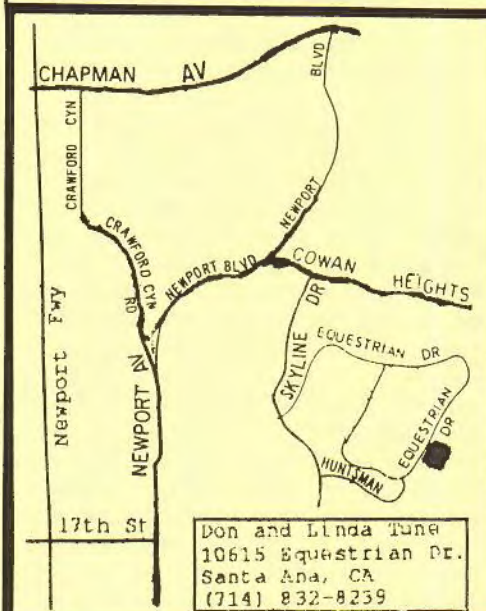

Jim Marsh discussed the upcoming "Campout" which will be scheduled in the near future. A motion was made for Jim to make final arrangements for the "Campout" including prepayment of the required fees. Those members choosing to attend would be charged accordingly to reimburse the Club. The motion was seconded and passed.

Various other activities were discussed, the details of which will be published in The Distributor. Detailed plans for the Pancake Breakfast were discussed. On December 12, 1990, all Board Members were contacted by the President, Paul Steed, and all Board members agreed to the purchase of an automatic Button-making machine. The new machine was purchased and will be used to make 750 button for the Pancake Breakfast. In addition, 200 patriotic, children's, and miscellaneous buttons will be made and sold at the Pancake Breakfast. "Red Buttons" (the Board's nickname for Red Kiser) will be responsible for making and overseeing the sale of these buttons at the breakfast. Bev Marsh volunteered to be responsible for obtaining the Trophies for the upcoming "Fun Day".

The meeting adjourned at 10:00pm The next Board Meeting will be held on March 21st., 1991 at Linda and Don Tune's residence.

Respectfully Submitted

LETTER FROM A CLUB MEMBER

Editor Note:

The following article was sent to us by a member who wanted to share the following thought.

To serve as medium of exchange of ideas, information and parts for admirers of Model "A" Ford cars and to aid in it's original likeness. To unite in a central organization all owners of Model "A" Fords who are interested in restoring and maintaining the automobile in a manner to attract prestige and respect within the community and it shall further be the purpose of this club to help these owners become better acquainted, encourage fellowship, sociability, and fair play through sponsored activities including the use of the Model A Ford and family participation.

This is what our club means to me.

I hope the rest of you feel the same.

Anom.

A non-profit educational supported by tax deductible donations and gifts for the preservation of the Model "A" Ford automobile and its accessories and to preserve for the public that era in transportation history.

January 1991

Hello Model A Friends,

I hope that each of you enjoy the New Year's activities that your chapter officers have planned for you. A lot of effort is spent preparing tours, entertainment for meetings, and the ever popular pot-luck dinners.

I have been chosen by the Trustees of the Model A Ford Foundation Inc. to guide the Foundation's activities of 1991. It is somewhat like preparing chapter events except that our preparation is designed for long term preservation so that those young people that follow us in the future will have the Model A Ford Era preserved for them to study and enjoy.

The Foundation's purpose is to collect all types of Model A Fords, parts, books, fashions, and assorted memorabilia for preservation in various public displays.

The task is great and we are off to a good start. Two Model A Fords have been donated as well as two cut-away engines and some assorted, restored and original parts.

To house these treasurers is an ongoing problem. We are working to obtain space with prominent car collections and museums to display our automobiles. The engines will be on display at various national events.

Ultimately, we would like to have several

Decorative Necklines Join Up With Flowing Skirts

ENTHUSIASTS in fashions are dividing their praise between novelty movements in skirts and the insistent ornamentation of the neckline which, for so long, has refused to give way to any effect of softening. Now the collars, capes and cravats triumph. No doubt but that it's an improvement! Men say that women's clothes are again "cluttered up." But the fashion for outswinging material is a present part of the frock's equipment.

ANNE RITTENHOUSE

5279

No. 5279. In this frock of georgette, collar and skirt take cognizance of each other. One becomes a cape. The other becomes a series of flounces. Size 36 requires $5\frac{1}{2}$ yards of 40-inch material.

5301

No. 5301. The cape on this printed georgette gown balances the pointed godets that serve to lengthen the skirt. And even the giraffe has flying ends. Size 36 requires $4\frac{1}{2}$ yards of 40-inch material.

5280
Emb. No. 1599

No. 5280. Even sports clothes relax from severity as in this heavy silk frock with contrasting vest and skirt band. Size 36, $3\frac{3}{4}$ yards 36-inch; contrasting, $\frac{1}{4}$ yard 36-inch. Satin-stitch Embroidery No. 1599 would add distinction.

No. 5287. This figured silk frock cleverly employs bias lines to give novelty to pleats and introduces vest and cuffs that attract attention. Size 36, $2\frac{3}{4}$ yards 40-inch; contrasting, $\frac{1}{2}$ yard 36-inch.
