IT'S OUR "30 ANNIVERSARY"

By Martha White
Editor

This year marks our chapter's 30th Anniversary. On Sunday, August 11, 1991 to be exact, which is also the date of our Anniversary Party.

Bev Marsh and Linda Tune are working very hard making arrangements and planning a terrific party for all of us. The details of all the extra fun stuff are still top secret but, I can tell you this. Are you ready?

The Anniversary Party will also be a reunion.

So start thinking of all those old members that you haven't seen in a while or who have moved away. Golly, we hope you have some of their phone numbers and addresses. We're relying on everyone!! So, get out your address book and see if you don't have the address or phone number of some ol' Orange County Members. Pick up the phone and give them a call. Share this secret with them: "We are having an Anniversary and Reunion Party on Sunday, August 11th, 1991 and we want them

to come join us. It's going to be great fun!" "And by the way do you know where, so and so, is".

Alright, you caught me!. We're looking for them! And we need your help, so please, help us out and call them!! Then after you have contacted them and even if they said, "they can't make it", give Bev or Linda a quick call and give them the address and phone numbers you have, so that they can do a follow up with their flyers, ect. Who knows the ones that said they can't come might just be the first ones there.

We need everyone to pitch in on this!! You can reach Bev Marsh at (714) 531-7237 and Linda Tune can be reached at: (714) 832-8239.

Bev and Linda are also looking for photos and memorabilia, so let them know if you can also help with this. Let them know what you have.

Thanks in advance, Oh boy, are we going to have FUN!!

Ahhh - Springtime!

I would like to thank all of the members that displayed their cars in the past car shows, this not only adds to our club's treasury but, also afords lovers of the "Model A" Ford an opportunity to view our great cars.

If you haven't noticed in the last several months, the club has quite a few new members.

If any new member has any question or problems pertaining to their "A" or needs help, give me or any other Board Member a call. If we can't help you, we should be able to point you in the right direction. Remember we are here to help.

May 5th is Ford Fun Day, I would like to see every new member and old, come on out and join us for some "good ol' A Fun".

See ya soon! - Paul.

SPECIAL ACTIVITIES

By Joe Wavra
Special Events Chairman

We had a successful show at Old World, everyone had a great time. The weather was good, it was a day well spent. We had 23 Model A's, including some "old time" members, that we haven't seen in a while, as well, as some new members.

As of yet we have no Mall Shows scheduled.

Thanks to everyone who participated in the Old World Show.

MODEL "A" WORKBENCH

By Al Zannino
Technical Advisor

The April Seminar, on Wheels, went well. Everyone had a good time.

Thank you to Bob and Patty Ferazzi for hosting the Seminar in their garage.

The May Seminar and Tour will be of interest and great fun for everyone.

We will be touring to Bill's Antique Bearings and Engine Service in Hemet, CA.

Just to let you know there is about 1 1/2 miles of dirt roads to get to his shop. The road is good but not surfaced.

The demonstration will be on cam grinding, and piston and rod balancing and should prove to be very informative.

Bring a picnic lunch and come join us! We will have lunch at a nearby park. We will be departing the Mall of Orange at 8 a.m. Saturday, May 11th.

SEMINAR MAP

THE SEMINAR MAP WILL BE PROVIDED THE MORNING OF THE TOUR.

LETTER FROM THE EDITOR

By Les & Martha White
Editors

The Distributor is doing well. We plan to be able to report more "good news" in the future. And will continue to do our best, as, our best is all we can promise.

We have a very full Calendar Page already slated for the year with many good things still to come.

We want to thank all the Board Members for doing such a great job on getting their articles in on time. It has been a great help in getting the newsletter out on time. Everyone is really doing a great job all the way around!

BOARD MEETING

By F. D. Kiser
Secretary

The President, Paul Steed, called the meeting to order at 7:30 p.m. in the Wavra's residence, Costa Mesa, CA. All Board Members were present except the Technical Advisor, Al Zannino. Leo Rivard, a Club Member, also attended the meeting.

The Secretary's report was presented and accepted as written.

The Treasurer's report was presented and accepted as written. Linda indicated she had received Minutes of the MAFCA National Board of Directors Meeting on March 2, 1991. The copy was given to the President, Paul Steed. Don Tune was nominated as the Club's official ACCC Representative. Linda presented a copy of a very well organized Disbursement Journal she received. She will add several copies to the Club's stock for use by future Treasurer's.

Lou Spielberger presented the current and future Club Activities. The detailed schedule of these events will be published in

the Distributor.

Martha indicated the Distributor is progressing satisfactorily and the Roster has been distributed. It was agreed that a list of those members assigned supporting duties at the General Meeting be recognized for their efforts by adding their names and telephone numbers following the "1991 Board of Directors" list, page 2 of the Distributor. The following names and support titles were agreed: ACCC Representative - Don Tune, Regional Representative - Paul Steed, "Sunshine and Sorrow Lady" - Bev Marsh, Refreshments - Ed Cote', Raffle - Bill Shaner, Button Man - F. D. Kiser, and Club Greeter - Jon Heiland. Paul indicated the dates of the Club General Meeting and Board Meeting were omitted from the April Distributor Calendar Page. They will be added in the next and future issues. Bev Marsh requested that Martha add a paragraph in the Distributor that tells the members about the club support to club members special events, i.e., marriages, sickness, deaths, ect., so the Club's "Sunshine and Sorrow Lady" could send cards, flowers, ect.

In the absence of Al Zannino, Paul reviewed the schedule for Technical Activities. These activities were reported in the April Distributor.

Joe Wavra indicated there were no new Mall Shows to report. He has 18 cars lined up for the Old World Village Show, Sunday, April 21st in Huntington Beach.

For "Old Business", the 30th Anniversary Celebration was discussed. Linda indicated she had mailed a write-up to the Restorer providing the particulars. Several

locations for the picnic were discussed and it was agreed that the picnic will be held at Mile Square Park, Fountain Valley, CA.

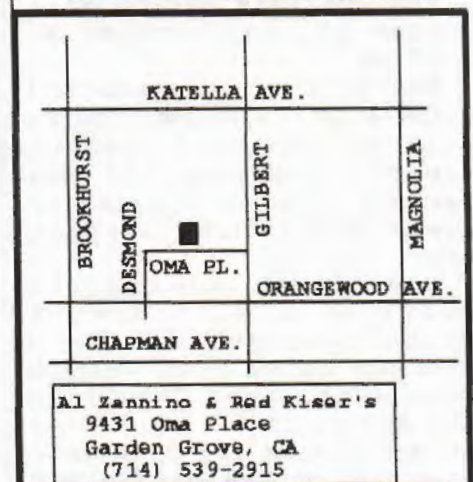

During "Open Discussion", Bev Marsh mentioned that some members attending group tours, ect., leave before departure times are set. This leaves other members to travel alone with a possibility of encountering car trouble. It was agreed that when traveling in group functions, we should all depart as a group and after the function is over, try to leave as a group. Try not to leave one person traveling alone.

The next Board Meeting will be held at Red Kiser's residence, May 16, 1991.

The meeting adjourned at 9:07 p.m.

Respectfully Submitted

No. 5482. A wide swathed girdle is held in the center front by a buckle, to accent the flare in the center front of the skirt. The novel collar and cuffs are style details. Size 36 requires $3\frac{3}{4}$ yards 40-inch and $\frac{1}{4}$ yard 40-inch.

No. 5480. Horizontal tucks at the hips are a new French feature. In this model they are finished at the side with bows that head a side flare on the skirt. Size 36 requires $3\frac{5}{8}$ yards of 36-inch material.

No. 5487. A flaring section in the front of the skirt is inserted low enough to ensure the slender hipline; a new tie collar trims the neck. Size 36 requires $3\frac{1}{2}$ yards 40-inch and $\frac{1}{2}$ yard 40-inch contrasting.

Belts and Girdles Accent Slender Hiplines

THE silhouette shown in almost ninety dresses out of every hundred Paris models is one of softly bloused bodices, skirts with soft fullness, and slender hiplines. Because the hipline is so important in insisting that whatever fluttering the rest of the dress may do, the figure underneath is youthfully slim. Often the chief style interest of a model is concentrated in individual belts and girdles. Three types illustrated here are a narrow belt above a skirt cut flat over the hips and flaring below, a hipline accented by deep tucks, and a wide swathed girdle.
