"LIFE MEMBERSHIP AWARDED"

Our Orange County Model A Ford Club's "30th Anniversary Reunion" held many surprises. As well as, renewing many old and dear friendships. Many of us made new ones.

The Day was great fun for all. Everyone participated in games of skill, enjoyed looking over old club photos, raffles, good food, and good company.

Among all the days activities there was one very special event.

Joe and Marion Wavra were awarded "Lifetime Membership" to our Chapter of which only eight have so far been awarded. The award came as a big surprise to Joe and Marion. The Board had to be very careful when discussing the plans for

presentation, since Joe is on the Board. But we managed, through phone calls to keep it a secret.

Joe and Marion first joined our Chapter in 1978 and have been very active members ever since.

Although, saying very active is an understatement where Joe and Marion are concerned. Both Joe and Marion have always been the first to offer there services if any job needed being done.

Joe and Marion also hold the record for the most miles on tour. Joe has driven 47,049 miles. Marion has 37,704 miles as passenger. How's that for a record?!

Congratulations to both of you and Thank You. And we too, thank you for the opportunity of knowing you both. Keep up the good work.

A SPECIAL THANK YOU

From Joe & Marion Wavra

We want to thank you,
the club, for a truly
unexpected award of Life
Memberships for both of us.

Also a thank you for the
opportunity of giving us
the friendships and
experiences afforded us by
the members.

"TIGER TAILS"

By Paul Steed
President

Our Club's 30th
Anniversary Reunion was
fantastic. It really was a
great meeting. Some of the
guys who started this
chapter and the members
that have come and gone
through the years were
there.

A special thanks to Bev
Marsh and Linda Tune for
all the hard work they did
planning and organizing
this event. Thanks to all
of you that helped out with
the food, games, displays,
mailers, ect., ect., ect.
that contributed so heavily
to the success of the day's
event. Thank you all!

Those of you who
attended the rear
end/overdrive installation
seminar at Al Zannino's
house got a bird's eye view
of the trials and
tribulations of rebuilding
the "A" rear end. Thanks to
Tom Endy for supplying a
large box of expertise. Tom
walked us all through the
proper rear end set up
procedures. Thanks for a
great seminar, "A1". There
are some great club
activities coming up that
you shouldn't miss. Check
"The Distributor" for times
and dates. So get the "A"
out or the modern tin and
we'll see you there. Paul
P.S. Don't miss the
Progressive Dinner.
P.P.S. The General Meeting
will be back at the school.
(see map).

CONDOLANCES

Our deepest sympathy to
Cal Woolsey on the loss of
his Grandmother.

HARD LUCK TROPHY

Congratulations to Roger
Aday who was the proud
winner of this month's Hard
Luck Trophy.

He had a bad electrical
switch. It took 1 1/2 hours
to find it at the Diamond
Tread Meet. The guys towed
him around trying to start
it.

Our condolences to you
Roger we wish you better
luck next month.

REGIONAL REPORT

By Paul Steed
Regional Representative

We reviewed the Regional
Tour to Lompoc. All in
attendance agreed it was a
success.

Bob Troustill presented
the idea for some type of
charitable event sponsored
by a major charity and
carried out by the Southern
California Regional Model A
Clubs. Everyone in
attendance agreed and many
suggestions were made as to
the type of event and what
charity would be best
suited. Several
representatives are looking
at different charitable
groups. I'll let you know
more as things develop.

I was asked by Bob
Troustill to take over his
present position, heading
up the regional group for
the next year, as Bob is
planning on running for and
being elected to the
National Board of
Directors.

Good Luck, Bob.
That's all for now!

Your rep. Paul

SPECIAL EVENTS

By Joe Wavra
Special Events Chairman

For those persons who displayed their cars at the Laguna Niguel Shopping Center on Saturday, August 17th, I want to express my appreciation for their support.

The 19 cars created a great amount of interest for the Merchants "Sidewalk Sale". I didn't see any sidewalks sold that day, but there were a lot of looky loos for the 5 hours that we were there. Thanks a lot!

MODEL "A" WORKBENCH

By Al Zannino
Technical Advisor

First, I would like to congratulate Bev and Linda and everyone else who had a hand in putting together the 30th. Anniversary Picnic. It was great! Thank You.

While I'm on the subject of "Thank You's", I owe a big big thanks to Tom Endy for making the "Rear End Seminar" the success that it was. Tom unselfishly gave up his Saturday, shared his special rear end tools and knowledge with us. Again, Thank you Tom. Everyone attending the seminar enjoyed it.

The September Seminar will be on "Motors". We will be tearing down (to find out why) Lou Spielberger's inserted and pressurized "C" motor ran only 2-hours and developed a knock. We will also assemble a stock Model "A" short block. It should be a good chance to learn something about diagnosis and assembly procedures. It will be held at Lou and Pearl's garage located at 2812 Serang Place, Costa Mesa, CA on Saturday, September 14, 1991. It begins at 9:00a.m., so we will "see ya there".

TOOL AUDIT

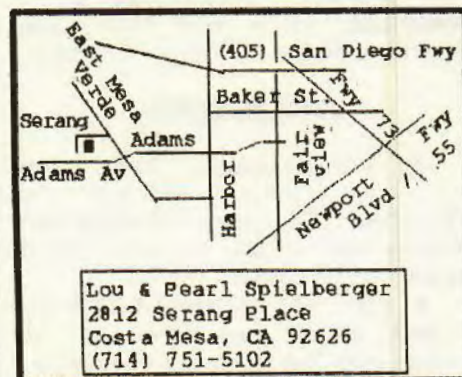

The request for locating the Club's tools which appeared in the July issue of "The Distributor" must have been completely ignored by those club members who have them. I did not receive one call as to where any of our club tools are located. PLEASE PLEASE PLEASE respond if you know the whereabouts of any of the tools -- LET ME KNOW! Call: Al Zannino: (714) 539-2915

The tools in question are:

TOW BAR
SPRING SPREADER
DISTRIBUTOR REAMER & HOLDING BLOCK
STAND FOR PAINTING WHEELS
TOOL KITS

NOTE: Everyone should go out and inventory their garages. They probably have had them so long they have forgotten about them. **MAKE A SPECIAL EFFORT!** If you have used any tools within the past year and a half, let me know maybe I can help you trace them down.

LETTER FROM THE EDITOR

By Les & Martha White
Editors

There was discussion at the last Board Meeting about the policy on ads in "The Distributor". Upon a discussion with the President & due to the fact that your Editors were not there due to business obligations it will be further discussed at the next Board Meeting.

PAGE 3

BOARD MEETING

By F. D. Kiser
Secretary

The meeting began at 7:35 p.m. in the F. D. Kiser and Al Zannino residence, Garden Grove, CA. All board members were present except the Editors, Les & Martha White. Club members Roger Aday & Leo Rivard also attended the meeting.

The Secretary indicated there were no additional tasks performed since those reported at the General Meeting.

The Treasurer presented her report which covered the period up to August 19, 1991. The report was accepted as given. Linda Tune also gave a brief summary of the "30th Anniversary" celebration.

The Activities Chairman presented the planned activities for August thru November, 1991. Departure times and places were discussed and established.

The Technical Advisor, Al Zannino, reviewed recent workshops and then revealed plans for the next and successive workshops. (see "The Distributor" for details.)

The Special Events Chairman, Joe Wavra indicated there was no new Mall Shows scheduled at present. The recent Laguna Mall Show was very successful.

Old Business - The Club Dues was discussed. Announcements will be coming out in future issues of The Distributor asking for members to pay their dues promptly to prevent interruption of their subscription to the National magazine "The Restorer".

A motion was made and was unanimously passed establishing a "new" regulation to go into effect immediately regarding Classified Ads in "The Distributor". Beginning with the next (CONTINUED NEXT PAGE)

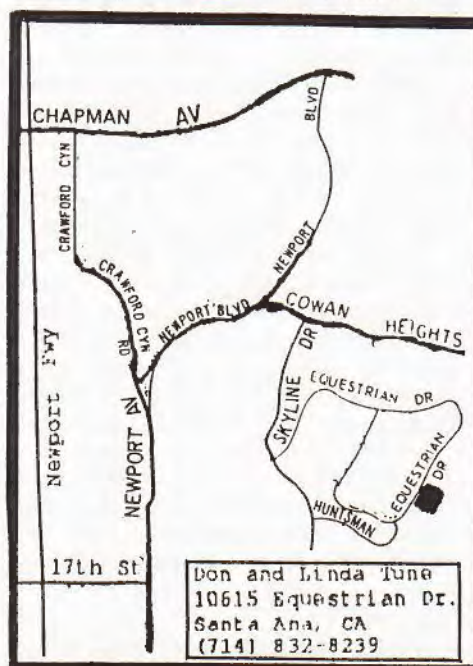

BOARD MEETING (CONTINUED)

issue (September), "Ads will be accepted for current members only. An Ad will run for 1 issue only per submission." The Ad will then be removed from the next and successive issues unless it is formally resubmitted. This has become necessary to keep down the number of total pages in "The Distributor" thereby decreasing printing costs.

The meeting adjourned at 9:45 p.m. The next Board Meeting will be held in Don and Linda Tune's residence, 10615 Equestrian Dr., Santa Ana, CA 92705.

Respectfully Submitted

DEL MAR RACES TOUR

The tour to Del Mar was great fun. Attending were the Spielbergers & the Whites.

We had our picnic lunch at the track & were serenaded by Marachi Band as we dined.

The largest payoff received by us was for \$36.80 for a longshot bet that couldn't loose. Can you guess the name of the horse? It was an emotional bet! Would you believe the horse's name was Journalism. The winner!

A very nice tour & day!

ACTIVITIES BY LOU

September will be a busy month the 6th, 7th, & 8th is the 3 day Rim of the World Tour to Victorville.

DUES RENEWAL AND ELECTION TIME

ELECTIONS

Remember, Club Election for the Board of Directors will be coming up soon! The Club needs your HELP! It does take some time and effort, but it's also a lot of fun.

Please consider running for President, Activities, Secretary, Treasurer, Mail Show Special Events Chairman, and Editor. There are other jobs to do, like Cookie man (or woman), Raffles, ect. Remember, it's your Club. You have to help run it. Pres.

DUES RENEWAL

It's here again! That time of the year when we constantly keep reminding everyone that there dues need to be paid.

A few of us get them in right away and most of us continue to procrastinate. The worst words your Treasurer can hear "I mailed my into the National's", well that means, if we're calling you, you still have to pay your local dues. Many times we find that the National doesn't have you down as having paid your dues and you have sent only your local dues to us. Well, now we have to take time to again call you personally and advise you of the problem with the National and you have to take care of it and when you later inform us,

or we have to call again, that is it cleared up. Then we again have to contact the National to verify it. Lots of time & lots of extra effort on the part of the Editor & Treasurer which costs the Club money in long distance phone calls & postage.

The favorite excuse is "I forgot", the list of excuses is endless.

If you wait until December, well guess what, you won't receive your first issue of "The Restorer" on time. And guess who's fault it is?! Not ours, were doing our job.

Let's make it a Club Goal to get all of our dues in on time, correction, EARLY! Make it your responsibility to nag your fellow members, give us a break from being the bad guys. Please! Mail BOTH your National & Local Dues directly to us Now! Instead of the National. Save us a few phone calls. You will find a dues renewal form on page 11. Please take a minute now to fill it out completely & send it in with you payment to our Club Treasurer. When your bill from the National comes you may then ignore it, as we will take proper care of it for you. That is, of course, providing you have sent us your payment.

No. 5451. A becoming new collar is shaped like a rounded sailor collar in back, edged at the neckline with a standing band. In front, the collar knots with ends in jabot effect. Size 36, $3\frac{3}{4}$ yards of 40-inch.

Necklines Conform to Elaborate Requirements

THERE are dozens of ways of making skirts as elaborate as Paris likes them to be this season, but when it comes to making bodices elaborate without making them look "trimmed" nearly all the French couturiers adopt individual necklines as a favorite solution of the problem. They have made the discovery that vestees, scarfs, handkerchiefs and jabots not only convert a simple sports frock into a chic costume, but worn under a winter coat, they also provide the requisite note of soft elaboration for every type of frock when the coat is left open.

ROSTER AND DUES CONFORMATION INFORMATION

ORANGE COUNTY MODEL A FORD CLUB OF AMERICA

Club dues are NOW due and payable. We are also asking that you pay your National dues to our chapter. It is essential! When National dues are not paid through our Chapter your club Treasurer must spend her valuable time contacting the National to verify that you have paid, this is standard procedure and time consuming. It is even more time consuming when everyone puts off paying their chapter dues until well into the next year, it causes the Treasurer to have need to contact the National 20 or 30 times rather than 2 or 3, if we pay on time. So please don't wait until the year's end, get your renewal mailed in NOW. Please fill out this form and mail it with your check, or money order, to: Orange County Model A Ford Club of America, att: Linda Tune Treasurer, P. O. Box 10595, Santa Ana, CA 92711. It is critical that your club dues be received before the December meeting, as the club roster CANNOT be printed until all the membership renewals are received & in order for you to receive your January Restorer on time, so send them in NOW. THIS FORM MUST BE SUBMITTED WITH YOUR MEMBERSHIP RENEWAL, COMPLETED IN FULL. Please do not leave any blanks. If none write none, if your not sure write approximately.
