TIGER TAILS  
by Paul Steed  
President

I hope those of you that attended the January general meeting got to take a look at the DISPLAY BOARD. If you have any information that you would like to share with the rest of us, bring a flyer. I must give thanks to Red Kizer for donating the easel for the display board to the club.

There are quite a few great tours in the near future. Don't miss out. You will need reservations for the Laughlin, Nevada tour. Flyers will be available at the February general meeting. Linda Tune is spearheading the PANCAKE BREAKFAST this year. When she contacts you for help, just say yes.

Joe Recker has assumed the position as Raffle Master. (thanks Joe, everyone always enjoys the raffles at the general meetings) The Club has many videos that are Model A related. We will be showing them at the general meetings. Last month we viewed "Timing the Model A". The February video will be a surprise. See ya at the next event.

p.s. Roger / Dennis great technical seminar!

BOARD MEETING  
-----  
by Peggy Bloom  
Secretary

The meeting was called to order at 7:50 P.M. at Spielbergers' home. In attendance were board members Paul Steed, Roger Aday, Lou Spielberger, Jim Willett, Les Carlyle and Peggy Bloom. Also attending were members Pearl Spielberger, Deeno Carlyle and Wayne Krug.

The secretary's and treasurer's reports were approved. Lou discussed upcoming tours. Roger shared plans for seminars and proposed that the club update its technical library by purchasing new tapes from the Dallas Model A Club, MAFCA judging standards and a paint chip bulletin. The motion passed unanimously.

Paul announced that Joe Recker volunteered to do the raffle at the meetings and the pancake breakfast. The Club will raffle off an overdrive at the pancake breakfast. Roger will contact Linda Tune about publicity for the breakfast in the TIMES and REGISTER.

Les Carlyle suggested the Distributor print a picture of Les and Martha White with their plaque from National.

Wayne Krug volunteered to organize a summer Poker Run. The meeting adjourned at 9:15 P.M. The next board meeting will be at Roger and Christine Adays'; on February 20, 1992, at 7:30 P.M.

#### HARD LUCK TROPHY

Roger Aday was awarded the HARD LUCK TROPHY for the month. This tragedy was followed by the questionable decision to allow the attendees at the technical seminar to work on his engine.

## ACTIVITIES BY LOU

---

by Lou Spielberger  
Activities Director

The trip to Julian was something different, good old two lane roads all the way. There was a little snow along the side of the road. We had 5 Model A's and 5 modern cars.

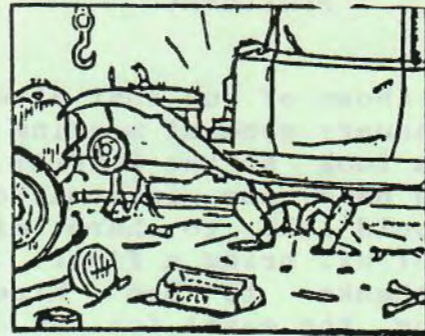

On February 18th we will have a planning meeting for the Summer tour. All those who are interested are welcome to attend. The meeting will be at Lou Spielbergers house at 7:30 P.M., 2812 Serang Place, Costa Mesa.

Sunday February 2nd will be our next tour, to Griffith Park. Bring a picnic lunch. There will be several things to do; bird farm, zoo, trains, etc. We will depart the South Coast Plaza (May Co) at 9:00 A.M.

Sunday, February 23rd we will tour to Indio. This is the Riverside County Fair and Date Festival. We will depart the Mall of Orange at 7:00 A.M. This should be a good tour with warm climate.

## ROGERS GARAGE

---

by Roger Aday  
Technical director

Thirty two people came to the engine seminar on the 10th at my house. Dennis Griffin did an excellent job covering internal and external engine changes and the procedure he uses for adjusting engine bearings. Also there were some excellent handouts available to those who were there. In fact we ran short, so I had some printed for those who did not get one (see me at the meeting)

The next seminar will be on distributors at Tom Endy's house. This seminar will be on February 21st, because of Valentines day. Be there at 7:30 sharp and bring your distributor to rebuild. A blasting cabinet will be available and some new parts will be there for you to purchase. The address for Tom is 5581 Iroquois Road in Westminster.

Raffle tickets for an overdrive are available from me at the meeting. The National organization is raffling the overdrive with the winner being drawn at the Dallas national meeting. \$1 per ticket.
