ANNUAL ELECTION

THE ANNUAL ELECTION TO SELECT CLUB BOARD MEMBERS FOR NEXT YEAR IS JUST AROUND THE CORNER. SEVERAL NEW MEMBERS WILL BE ELECTED THIS YEAR. WADE ROBERTS HAS AGREED TO BE THE ELECTION CHAIRMAN AGAIN THIS YEAR. ANY CLUB MEMBER WHO IS INTERESTED IN RUNNING FOR THE BOARD SHOULD CONTACT WADE. CONSIDER GETTING INVOLVED, IT IS A GOOD WAY TO PARTICIPATE MORE DIRECTLY IN THE CLUB ACTIVITIES.

WADE ROBERTS PHONE IS 675-5457

DUES ARE DUE

Annual dues are now due. Please pay your national dues as well as the local dues to Les Carlyle, treasurer P.O.Box 10595, Santa Ana, Ca 92711. The club will pay your dues to the National MAFCA in a combined check from our club. See the renewal form in this edition.

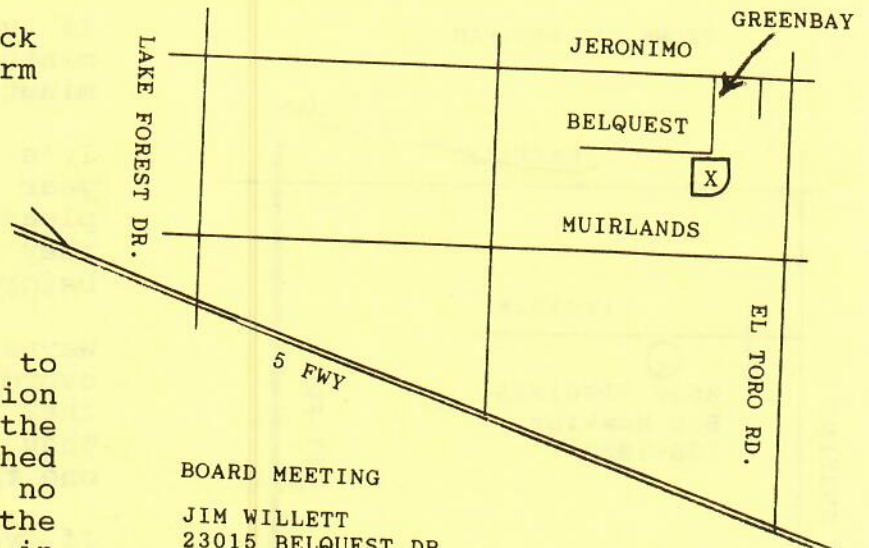

HARD LUCK TROPHY

This month's hard luck trophy went to Richard Parrish who lost his mission gears out of the bottom of the transmission. This was accomplished in spite of the fact that there is no opening in the bottom of the transmission. For the first time in months Roger did not place second in the voting for this prestigious award.

At 7:30 Paul Steed called the meeting to order at Chuck and Peggy Bloom's house in Fountain Valley. Roger Aday, Peggy Bloom, Les Carlyle, Lou Speilberger, Jim Willett, and Joe Wavra were board members in attendance along with members Pearl Spielberger, Deeno Carlyle, and Marian Wavra. The Treasurer's report was approved. Roger reported on the technical seminar at Lou's at which seven members changed Lou's camshaft. The upcoming seminar on Oct. 17 will be on installing gas tanks.

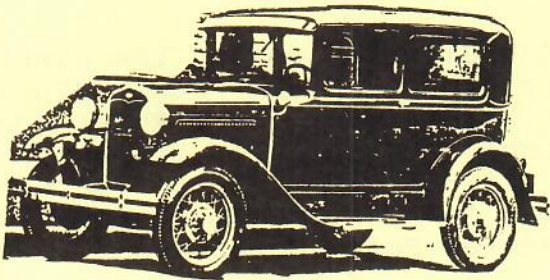

Lou gave details on future tours and discussed October events. Paul asked that anyone interested in a club office contact Wade Roberts, election chairman. A motion was made by Roger Aday to give a check to Santiago Elementary School teacher's fund as a thank you for the three years we've met there. Paul seconded the motion and it passed unanimously. Ed and Patricia Cote will present the gift to the school principal.

The meeting was adjourned at 8:30. The next board meeting will be on Wednesday, October 14, at 7:30 at Jim and Pat Willett's house.

ACTIVITIES BY LOU

by Lou Spielberger
Activities Director

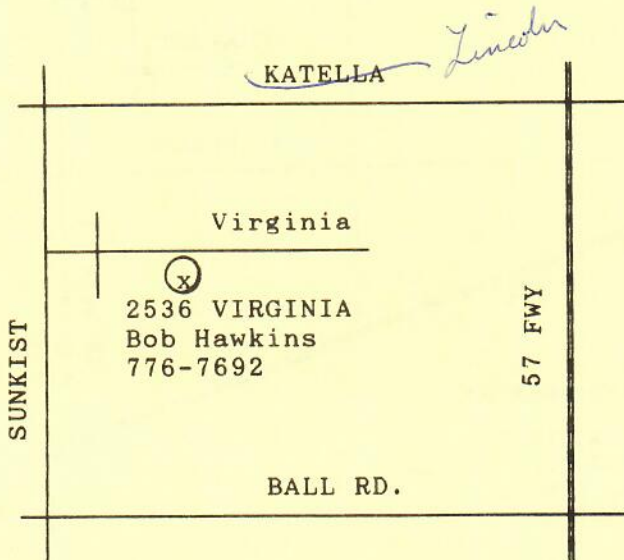

The Progressive Dinner was quite a success with over 20 Model A's on tour. There were many cheerful people and lots of food.

I understand the Reagan Library has many things to see and do. This will be mostly a freeway tour.

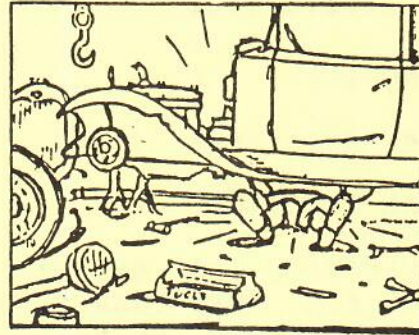

At Placentia Heritage Days we will be in the parade and in the afternoon we will be in the car show.

The Gas Engine & Tractor Show is always a good tour if you like to see antique machinery, household items, tractors, and various machine in actual operation.

TECHNICAL SEMINAR

ROGERS GARAGE

by Roger Aday
Technical Director

EXTRA! EXTRA! EXTRA!

LOU SAYS CAM KOOL, DICK NIXES SPRINGS Lou had the radiator, light bar, and oil pan off and ready to go when we got there. We pulled the camshaft and put the new one in. Dick Riha measured the cam lobes and found anomalies on the cam we took out. He also checked the valve springs and found that they were too weak. Lou didn't have any replacement springs so we stopped and told tour stories for a while. The last time I talked to Lou, he could not start it because he had a dead battery. For next month, Bob Hawkins will let twenty or so people run amok on his 1931 Deluxe Coupe to install a new gas tank. This will be on Saturday, October 17th at 8:30 A.M. See map in this issue.

If you are going to Las Vegas this month now is a good time to spend a few minutes and check your lug nuts.

It's getting to be near the end of the year so if you have any club tools please just let me know. Sometimes they have a rather circuitous route before they get back.

Wayne Krug had a problem with his Ryan overdrive. On assembly, he found that they had sent the wrong torque tube. They are supposed to send the correct one this week.

If you have any suggestions for future seminars please let me know.
