The Board has voted to sell the club trailer at the April General Meeting. The trailer will be at the meeting for viewing. It will be a verbal bid. The old dash plaques of years gone by will be given away at the next General Meeting. Come and get them.

Jim Nichols will have the patches and decals as well as Model A shirts for sale at the meeting. See Jim for these items.

March is our big Pancake Breakfast, drive your Model A and we'll see you thre. Also, Linda Tune will need los of help. We may also need a sunshine dancer that will keep the sun shining.

IN THE GARAGE

by Terry Lucas and Paul Steed, Technical Director

The February technical seminar was well attended in spite of the rain. Dick Riha gave a point by point talk on the correct way to adjust rods and mains. The talk included several tips and correct torquing instructions and possible problems to watch out for. A good time was had by all. The March seminar will be held on March 27th and will cover wood graining and a pin striping demonstration. If you would like your moldings woodgrained, please contact Terry Lucas at 714/633-0390 by March 10th.

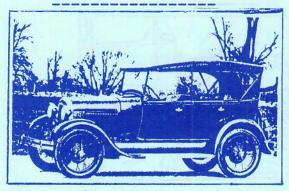

The April seminar will be a little different from the normal. We will be the guests of C.W. Moss and Vintage, our local reproduction parts suppliers. They will tell us about various parts manufacturers, how they select the parts that they are proud of. It should be very interesting. Please join us on Friday evening April 9th.

MOOSE'S MESSAGE

by Jim Marsh
Activities Director
(Column written by Richard
Parrish this month)

Jim Marsh is recuperating at La Palma Community Hospital Rehab Center in La Palma. While the "Moose" is in the corral, Tom Endy and I will try to fill in.

This article had to be in before we went to Bates Brothers Nut Farm on the 28th of February, so I can only hope we had a BEG turn out and the weather co-operated. Jim planned this tour before he had his stroke and Lou & Pearl and Jeanne & I took a trial run the week before the tour. The scenery is great, the Boll-Weevil food hearty and they didn't even try to keep us at "the Nut Farm".

March is a very busy month. There will be a Summer tour planning meeting at Roger Aday's house on Friday evening March 12th at 7:30 P.M. All members interested in a week long fun tour are invited. In past years the tour has hone to The Grand Canyon, Sacramento, Reno and the Gold Country. Got any new ideas?

March 14th is the anticipated and renown PANCAKE BREAKFAST in Hart Park. The official serving time is 8:00 A.M. to 11:00 A.M. but you each have a personal invitation from Linda Tune to arrive at 6:00, receive preferred parking and work. Be the first to sign up at the general meeting March 11th.

WHAT'S HAPPENING!

By Roger Aday

The PANCAKE BREAKFAST is in a few days and Linda is probably a basket case by now. so, everybody get your work assignments from her and pick up a few pounds of sausage to pre-cook. See you all there on Sunday the 14th.

We still need a few more cars for a parade and car show in Diamond Bar on the 18th of April. Come on and sign up, this will be a lot of fun. please call me at home or see me at the meeting. We will try to make this a Sunday brunch tour.

I still have not had any news on any mall shows, however I am currently working with McDonalds restaurant Yorba Linda for a car show.

MOOSE, continued

March 26, 27 &28th is the Laughlin tour sponsored by Phoenix MAFCA. This has become "A MUST" tour for many of us. Two years ago a large group came from Colorado in a snow storm. We thought it might rain and left the A's at home. It didn't rain. Mail in your registration now. There are usually two groups leaving from the Orange Mall. One leave very early and the other leaves about 6:30 or 7:00 A.M. More details at the general meeting. A fun weekend across the Colorado River from beautiful Bullhead City.

On Saturday April 24th Wayne Krug will lead us on a tour to the Indian Bingo Parlor and outlet mall in Cabozon. Lunch stop at historic San Gorgo o Inn. Tune em up, put a shine on addrive your Model A.

BOARD MEETING

by Wade Roberts Secretary February 18,1993

The meeting was called to order at 7:50 p.m. at the Spielberger's home by President Lou Spielberger. Those present were Paul Steed, Jim Khalaf, Roger Aday, Don Tune, Terry Lucas, Tom Endy, Richard and Jeanne Parrish.

Paul Steed gave listing of meets, swap meets etc. that are always annual events. These should not conflict with our monthly car tours. Regional meeting on March 4 is open to all. Treasurer's report was given by Jim Khalaf.

Terry Lucas said January technical seminar was well attented. February's seminar will be indoors in case of rain. The March seminar will "wood-graining" and April's on reproduction parts with Vintage and C.W. Moss participating.

Richard Parrish, who will proxy for Jim Marsh until he returns, gave a report on the tour to Bates Nut Farm scheduled for Sunday February 28. Meet at Cocos on Tustin Ave. at 7:30 if you like breakfast first. Tour will leave Orange Mall promptly at 9:00 AM.

Wayne Krug would like to have a tour Saturday, April 24 to Indian Bingo at Cabazon. Tom Endy would also like a tour to Sierra Madre and maybe Santa Anita Race Track in March. More on these tours later.

Roger Aday reports he has not received as yet, any response on mall shows from the the different malls. Roger is asking for cars for a parade and car show in Diamond Bar on Sunday, April 18.

Discussion on members not paying dues on time. Cannot decide how to motivate them. it was suggested asking other chapters how they handle this.

Diamond Tread's raffle prize, a chassis, will be dislpayed at our pancake breakfast. Discussion was held on renting a storage shed to gather all Club tools, etc.to one place for storage. Lou made the motion but it was not seconded. Lou

moved that we pay a custodian \$15/hour for 4 hours so we can have our April meeting at Santiago School. Paul seconded. Motion carried.

Lou brought up discussion on trailer insurance. Richated

motioned we sell the trailer and offer it to members for sale by closed bid. Jim seconded. Discussion and vote followed. Motion was defeated. Terry motioned we offer it for sale at the general meeting by open auction, previously announced at March and April meetings. Paul seconded. Motion passed.

Christmas party reservations for 1993 and 1994 have been confirmed by The Claim Jumper. Packets for new members have been completed except for inserting brief history of club, to be written by Glen Johnson, John Heiland and Richard Parrish.

Old dash plaques will be offered to members at next meeting. Richard motioned that Don and Linda Tune be reimbursed for party they host after pancake breakfast. Terry seconded. Motion passed.

Meeting adjourned at 9:40 p.m. Next meeting will be held at Parrish's on Thursday, March 18.

CAR OF THE MONTH

1930 PANEL DELIVERY 79-B Owned by Wayne and Jocelyn Krug

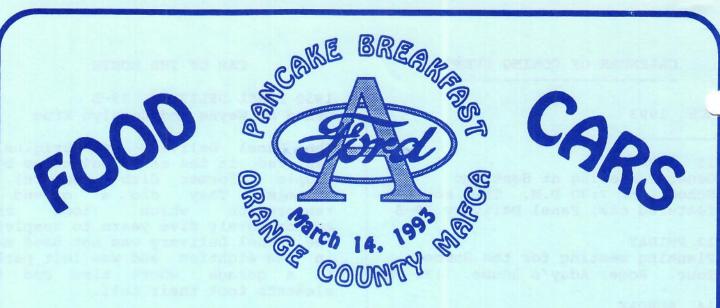

The Panel Delivery was originally restored in the early seventies by a couple (former Club members) in Anaheim. They did a ground up restoration which took them approximately five years to complete. The Panel Delivery was not used much in the eighties and was left parked in a garage where time and the elements took their toll.

Since I've owned the Pane Delivery, I've been through it from bumper to bumper, including the replacement of the motor and installing a Ryan overdrive. I how have complete faith in the mechanical and operating capabilities of the Panel Delivery (my wife isn't always so sure) and would have no doubts about going anywhere in it. Next year we plan to drive it to the National Meet in Tacoma. We know there will be ample room for suitcases, spare parts and anything we decide to pick up along the way.
