"See What Great Things We Can Do In 2002"

Well another pancake breakfast has come and gone. As president of the OCMAFA I am extremely proud of each and every one of you who worked so hard to make this event a true success. I will not even attempt to name each of you since I would surely leave someone out, though not intentionally. We had a great turn out. About 1200 plus breakfasts were served, 300 model A's were parked and several other non-A's. Fun was had by one and all that attended. Everything ran very smoothly, and efficiently.

I just want to thank those of you who worked so hard:

The Event coordinator, her committee of chairpersons and members for months before the event who worked to get everything going and keeping it on track;

Those who picked up and returned items from the storage unit, rental company & supplies from stores;

Those who left their A's at home so they could deliver needed items to the park on Sunday morning;

Those who cleaned the Park up on Saturday evening, Sunday morning and again Sunday afternoon;

Those who parked and registered all the cars, counted the ballots and awarded the beautiful trophies;

Those who prepared, cooked and served the breakfast;

Those who sold raffle tickets, breakfast tickets, hats, shirts, buttons, water & soda;

Those who cleaned the grills, the pots and the pans, and there were a lot of them;

Those who gave raffle gifts: our club members, sponsors, vendors, other clubs and friends;

Those who brought friends and relatives;

Those who announced and broadcasted throughout the morning.

Those who just came and had a great time.

I want to personally **Thank You** again. We needed each and every one of you!!

Sunshine and Sorrow

By Jeanne Parrish

Our condolences to **Dan & Linda Caldon**. Both of Dan's parents passed away within hours of each other. Please know that our thoughts & prayers are with you at this most difficult time.

It was great to see our own **Jean McMillan** present and working hard at our breakfast.

We were glad you drove your wonderful pick-up, "**Mc Millan & Wife**".

From Your Editors

"OOPS" In March, your editors mistakenly said Jean & John had been married 43 years. The correct years are **34**.

We want to thank **Jim Dunn** and **Richard Parrish** who contributed so many pictures. All the rest are on Jim's web site: modelafordpancakes.tripod.com

Picture CDs of all Jim's website are available free to members by request. Ask your editor at the meeting or Email your requests to: newsletter@ocmafca.org

We are sorry that we were unable to find a picture of fast moving **Greg Earhart** who did such a great job getting all the raffle donations. There were seven more commercial prizes this year.

Thanks To All

To all the wonderful people that pulled together in the kitchen at the Pancake Breakfast, I want to say a sincere thank you. I think this was THE MOST organized bunch of people ever. You guys started with us at dark and stayed until the end, and I am so

appreciative, we could not have done it without all of you. All the folks that helped and did the cooking were outstanding, and to the mixers of the special secret pancake recipe, thank you.

Who really needs Starbucks when you can have a guy like Jason,

making coffee, thank you. I also want to thank Piet for all of his before work and during work, we could not have done it without you either. I also want to thank Larry for helping me buy and carry all of the groceries, and a special thank you to Sandy & Gary

Wilson for buying and carrying the other half. I want to say thank you to all who showed up to clean the park before and those that stayed and stayed until it was cleaned and all the trucks were loaded. Another thanks goes to Peggy for keeping all of us organized, Dan for keeping records and

spread sheets. Another thanks to Greg & Fran for the prizes, Dick and John for tickets sales, Glenn and Diana for car show and parking. Not to forget Greg for announcing all morning, Terry for announcing the raffle prizes, the ladies selling the tickets, Bill selling shirts and sodas. And to everyone else that came and helped this year, what a great job

you did. I wish I had Oscars to give to each and every one of you.

With sincere thanks, **Gerry McKinney**

We all thank **Gerry and Piet** for ramrodding the breakfast organization.

OCMAFCA GENERAL MEETING

March 14, 2002

The meeting was held at Children's Hospital Wade Education Center. 78 people were in attendance.

The meeting was opened by President **Diana Wierman** with the flag salute led by **Paul Steed**. Visitors **Penny** and **Joe Rucker** and **Jim Dunn** were introduced by club greeter **Jon Heiland**. A very special first time guest was **Colby Peterson**, now 9 months old.

Secretary Report: The report was reviewed as printed in The Distributor.

Treasurer's Report: **Colleen**

Schmidt provided an overview of the cash flow report..

Activities Report: **Ken Zittler** gave a report on the recent trips to Tecate, Mx. (including his novel adaptation of how to mix margaritas), and the local tour to Santa Anita Race Track. Upcoming events are listed separately. Ideas are still being considered for a summer tour. **Mel Collings** proposed a 7 day and a 12 day itinerary to Utah, and a past president, **Andy Saez** suggested a trip to Durango, Colorado where he is now living. Anyone interested is encouraged to contact Ken or Mel.

Technical Report: **Paul Steed** will host a "Get the Bugs Out" seminar at his garage in Villa Park on April 20. May 11 seminar will be at **Tom Endy's** garage, working on 'rear ends'.

Editor's Report: **John Knox** displayed the brand new 2002 membership directory and thanked **Clay Willis** for arranging for the complimentary printing and for doing most of the preparation including proof reading and labels. A big thank you to **Professional Printing Co.** in Tustin for printing the rosters.

Hard Luck Trophy: **Mel Collings** & **Merle Mc Clellan** were the two main contenders and their follies were previously described in the Distributor. Merle happened to be absent, and a good thing, since Mel put up a good fight but Merle won hands down. (Maybe because he wasn't there.).

Special Events: **Peggy Nunes** provided last minute announcements for the Pancake Breakfast. Lots of effort by many members are evident as it all comes to fruition.

Kenny Dierken modeled the colorful t-shirts he designed which will be available for sale. **Don Schmidt** and **Bill Shaner** have agreed to handle the sale of the shirts, club hats and sodas at the breakfast. **Jim Dunn** revealed himself as the infamous photographer from years past on the breakfast web page. He described his techniques and the camera he uses to photograph over 300 pictures of the beautiful cars and then place them on the web page. In 2001 the site received over 2,000 hits. He plans to do the

Come to my birthday party. See flier.

same this year. Thank you Jim. Jim also will have available CD's for individual use.

The web site can be accessed by clicking on the club page and to: modelafordpancakes.tripod.com

NEW BUSINESS: **Greg Carcerano** made a very special presentation to long time club member **Richard Parrish** in recognition and thanks

for carrying on the annual tradition of describing the "worry stone" to the incoming president. Richard received a great bright orange jump suit, aptly contained in an orange gift bag. The orange jacket

Sorry it's not in color for the full effect

he was wearing will go great with the jump suit and we're all looking forward to seeing Richard wear the outfit soon (maybe at the pancake breakfast)...please please please!

President **Diana** described ways in which the club can provide community benefit tours and education. Recently several members participated in the City of Orange dedication of the new plaza. The cars were photographed in front of various businesses and will be used in a city brochure. **Don Schmidt's** car was aptly displayed in front of "Colleen's Beauty Shop". **John Graves** described the Laguna Beach Founders' Day Parade, in which 6 club cars participated, along with La Playa Center members. The La Playa Center was established by **Alice Graves** and provides a place for English tutoring and free services to deserving Laguna residents. **Diana** announced that **Don Schmidt** has agreed to serve as the T-shirt/hat chairperson for the 2002 year. Thank you Don! The club is still in need of a historian and telephone tree chairperson.

Following a short refreshment break, the raffle was held with **John Pickrell** and **Dick Smith** once again doing a great job. **Dick** thanked **Lou Spielberger**, **Bea Kalinowski** and **Kathie Mc Call** for contributing raffle items. The yummy shamrock cookies were provided by **Jon Heiland**, although we suspect his wife **Pam Heiland** made them...Thank you both!

The meeting was adjourned at 9:30 pm. The next meeting will be April 11 @ 7:30 pm. The board meeting will be at 5:30 pm in Conference Room C the same evening and any member is invited to attend.
