From your President

Diana Wierman

"See What Great Things We Can Do In 2002"

Most of us ladies know the many uses of household vinegar. We have used it in many ways. One bottle of white distilled vinegar contains a whole shelf's worth of specialized cleaners.

Laundry Hints

Soft fluffy blankets: 2 cups of white vinegar added to a washer tub of water will make a good rinse for both cotton and wool blankets - leaves them free of soap odor and their nap is soft and fluffy as new.

Scorch marks: Lightly rub white vinegar on fabric that has been slightly scorched. Wipe with a clean cloth.

Deodorant stains: To get rid of stains left by deodorants and anti-perspirants on washables, lightly rub with white vinegar and then launder as usual.

Sharper creases: For a sharper crease in knit slacks, dampen them with a cloth wrung out from a solution of one-third white vinegar and two-thirds water. Place a brown paper bag over the crease and press.

Setting colors: When you are color dyeing, add about a cup full of white vinegar to the last rinse water to help set the color.

After alterations: When you remove a hem or seam and have holes from thread showing, dampen a cloth with white vinegar, put it under the material and press.

Now what does that have to do with us? Well you may be surprised, since I was recently reminded by our friends at

the Santa Barbara Chapter in a recent issue of "The Mohair Flyer", about the many uses of Vinegar and our Model A Fords.

Model A Hints:

To remove tough stains: in a car; rub gently with vinegar then wash as usual.

To remove decals: brush on vinegar and let it soak in, then wash.

To dissolve rust: on nuts and bolts or other metal, soak in full-strength vinegar.

To polish car chrome: apply full-strength vinegar with a soft cloth.

To keep car windows frost-free: coat windows the night before with a solution of three parts vinegar to one part water.

To remove smoke order: from a car, add one-quarter cup of vinegar to five gallons of hot water. Let this solution sit in the car overnight

To clean stainless steel: wipe down with a cloth dampened with vinegar.

To clean car glass: spray windows with vinegar and wipe dry with a soft cloth.

What does vinegar have to do with Orange County Model A Club?

Well we can now see that something, which appears as average or strong, can be put to good use. Our club is made up of many different individuals and each and every one of us, on the outside appear average. We may in our attitudes appear to be strong, spicy, peppery, mild, sweet, sugary, salty or vinegary. We each add our own unique flavor to our club. Each ingredient is important to the recipe of a healthy and great organization. We each bring our own unique and special talents to the group, which makes our group that much stronger. I am proud to be a member of the "spicy" Orange County Model A Club.

**POTLUCK AND MEETING
THIS MONTH AT CHOC
6 PM ON THE ROOFTOP ABOVE
OUR REGULAR MEETING ROOM**

Activity Schedule!

Ken Zittler

June 13 (Thurs.) - Board Meeting 5:30 PM CHOC

June 13 (Thurs.) - General Meeting 6:00 PM
Pot luck, 7:00 PM meeting. **NEW LOCATION,**
OUTSIDE EATING AREA ON PARKING
LEVEL 3 AT CHOC. A thru L bring main dish or
salad, M thru Z bring desert.

June 15- (Sat.) - Technical Seminar. 8:00 AM
Car Judging Standards at the Dwingers. (map p.9)

MAFCA NATIONAL MEET
and CONVENTION

July 21-27, 2002 RIVERSIDE, CA.

Hosted by

Southern California Region of MAFCA

Don't forget to get your tickets – to win this car.

\$5 each or 5 for \$20.

Registration forms are in the

Restorer, on-line at **www.mafca.comm**, or at our monthly general meetings.

You can get more information at the convention section of the Southern California Region website:

http://bud.idyllmtn.com/SoCal2002.html

Special Invitations

Request for 7 Model A's for the City of Anaheim Historical Home Tour. June 16th.

Park in front of old homes from 10 to 3, Downtown Anaheim near Lincoln and Anaheim St.

Info: Ken Zittler at 949-770-3260

Day Cruise To Catalina On The S.S. Lane Victory

Join the Model A Touring Club on a once in a lifetime event. The Lane Victory will sail to Catalina and back, complete with aerial attack. Continental Breakfast and a catered lunch will be served. Boarding time in San Pedro is 8:30 AM and the ship should be back at the dock around 4:30 PM. Cost is \$80.00 each for adults, children under 16 are \$60.00 each. Sorry, no wheelchairs or baby strollers due to boarding limitations. This ship is the only operational Victory ship left out of the 534 built, and it only sails three times per year. Don't miss out on this opportunity. Fliers available at the general meeting. **Applications available at the next meeting.** Info: **Riggs 562-431-8783 or Knox 562-697-2545**

Swap Meet Report

I am not sure that I saw everyone from our club at the event at Vintage Ford Parts on May 4th, but if you missed it, you missed a great shopping moment. We sold 50 spaces; all of them are out in front now, which is good for all of the sellers. Everyone gets equal time with the buyers! We always have guys from as far away as Newhall down to Temecula, so our event is a good one.

Larry had some good friends (**Bob Ferazzi, Dick Riha and Dick Smith**) who arrived at 5-ish to help him get set up and to direct them to their spaces. I want to thank Bill for allowing me set up shop in his backroom on Friday evening and with **Jon Heiland's** help getting everything on the front porch Saturday morning. **Marion Wavra** arrived at 6:am and started

selling the brew, and **Judy Griffin** followed after a stop at the store for ice. We sold donuts and coffee like crazy and I lit the BBQ at 8 am to cook the dogs. It is hard to resist a Chili Dog with cheese and onions on a Swap meet morning! We sold 12 dozen donuts, 120 dogs, and 200 cups of coffee! Sales were great and thanks to all who stopped by our table.

Larry & Genny McKinney
(Photo by Frank Mowrer)

May Car of the Month

"It's a plum colored "peach" of a Ford.

Bob and Patty Ferazzi's 1931 delivery 'sedan' was purchased at San Diego National in 1990. **Dennis Griffin, Terry Lucas,** and Bob went to Chico to pick it up. It sat for at least 10 years. Bob sent it to a paint stripping place and all the wood became destroyed in the process. A guy in Riverside had wood so Bob could match the holes.

Over the restoration process several people helped and a guy named Rick did the lettering. The color was supposed to be Ford maroon, but it got convoluted into a plum color.

Congratulations Bob and Patty on a beautiful car.

Boomers Miniature Golf Tour

By: **Kenny Dierken**

We started out on "A" great day on Saturday the 13th of April. The weather was for most part sunny. We left from Sears parking lot at South Coast Plaza and ended up at Boomers Miniature Golf in Fountain Valley by 12:15 PM. We had four Model A's and one modern driven by **Marion Wavra & friend Katherine, Paul Steed & his wife Diane, Matt Rickett & wife Laura, Betty Rich & friend Joan Wilson, Kenny Dierken & friend Mike McCosh** (owner of a 1968 Mustang just finished) so he knows what it's like having an older car. We headed down Bristol Street, to Jamboree, and then onto PCH, to Main Street (HB), where Betty and I gave ahoogha horn toots, to all the people while they were eating. I am sure they appreciated that. We then continued on Main Street towards Magnolia Street and to our destination for some golf, fun and sun. We all teamed up as one large group and played a round of 18 holes. We all had such a good time laughing and joking and would like to thank Matt for taking pictures. We had some very unusual things happen. Ask me and I will tell no lies. (cont. bottom p. 7)

Sunshine and Sorrow

By Jeanne Parrish

We offer our condolences to long time member **Bev Marsh & family**. Bev's mother, **Regina Heyn**, 88 years young, passed away peacefully in her sleep on May 2nd. You may remember Mrs. Heyn enjoying some of our Model A trips recently.

Thank You from Bev

Thanks, for all your kind words, cards and flowers after the recent death of my mom, Regina Heyn. She has been storing Harriatt for the past 2 years at her home. She was always ready to take a spin in her whenever Doug or I asked. She was with us in Harriatt at the last Veteran's Day Parade. She loved waving at the spectators.

Again, my heartfelt thanks. Bev Marsh

We received a "Thank You" phone call from **Patricia Willett** and family for the support we gave her and all of Jim's family with cards, letters, flowers, and our presence at his funeral. She said that it meant so much to them. She was pleased that Jim was recently able to come to one of our meetings and see what a good job **John McMillan** did restoring his car for the **Mc Calls**. He was so very active in our club for years. He was looking so good near the end and it was a surprise that he went so quickly. He left 8 children and 15 grandchildren. He will be greatly missed.

Congratulations!!

To the new bride and groom, **Anna and Jason Dwinger** married on Saturday May 25. Anna's brother, Rev. David Humphrey officiated. It was his 1st wedding as a newly ordained minister. The new bride and groom will be living in La Mesa were Jason will be flying and Anna continuing in her chosen field of art and music composition.

Doris Marshall won the Grand Prize of the 5 hubcaps.

Two of our new members won for the first time, **Jim**

Dunn and Bob Slaght.

Congratulations also to **Peggy Nunes** who was presented a picture from the **Palomar A's** for doing such a good job on the Pancake Breakfast.

OCMAFCA GENERAL MEETING

May 9, 2002

Held at Children's Hospital Wade Education Center. 65 people were in attendance.

The meeting was opened by President **Diana Wierman** with the flag salute led by **John Riggs**. Diana announced that the new A-ooga horn on the table was donated to the club by the Adelman's and **Jean Mc Millan**. Diana read from the Bakersfield Chapter newsletter praising the OCMAFCA pancake breakfast.

Visitors were introduced by club greeter **Jon Heiland**. **Bob Slaght** and **Jim Rogers** visiting from Yorba Linda, **Jeff Buckley** visiting from Missouri, **Joe Lotts** from Los Alamitos, and special guest **Rumi Hirayama**, Japanese exchange student staying with **Jean Mc Millan**.

Secretary Report: The report was reviewed as printed in The Distributor. Thank you to **Jeanne Parrish** for taking over the secretarial duties for April.

Treasurer's Report: **Colleen Schmidt** provided an overview of the cash flow report. As always, the financial report is available to any member to review. Colleen noted that 11 new members have been added since the Pancake breakfast.

Activities Report: **Ken Zitrer** reported that the 5/18 trip to the Botanical Gardens had to be cancelled, however there is a "Woody" car show the same date in San Pedro. The Memorial Day event will be held at Fairhaven Memorial Park on 5/27 with over 2500 people expected. OCMAFCA has been invited to display the cars. Other events are listed separately.

Ken reported the decision of the board to hold the summer meetings @ CHOC instead of Hart Park, noting that in the past the public school where meetings were held previously was always closed in the summer requiring a change in location. There will still be a potluck prior to the meeting at 6:00 pm. The summer meetings will be held on the 3rd floor rooftop patio with adjacent parking in a protected and supervised area. Members were encouraged to support the Henry Ford Picnic 6/16 in Santa Fe Springs and the Great Race event on 6/22. Gwen Riggs promoted the Wings and Wheels event in July and encouraged members to attend. Gwen will also be hostessing a ladies seminar on 5/11 to package raffle and gift bags for the July National Meet.

Technical Report: **Paul Steed** reported that 11 people attended the front end seminar at **Tom Endy's** garage and that **Piet Dwinger** will host a judging and era fashions standards for the June seminar (6/15).

Editor: **John Knox** reported that he will begin to take pictures of new members to include in the newsletter along with a short biographical sketch. He also announced the availability of past issues of the Distributor in the new storage area, back to 1983. Since John and Dorothy will be traveling for at least 7 weeks in the summer, **Bea Kalinowski** once again graciously agreed to do the newsletter during that time. John presented a wonderful 'vintage' gift to Richard Parrish of a very old, but much loved club banner in Richard's favorite color of orange which was recently discovered when moving to the new storage area. A big THANK YOU to all those who helped with that job!

Special Events: **Peggy Nunes** provided the date of 3/23/03 for the next Pancake Breakfast and thanked all those who made the 2002 event the success that it was. Also, a big club

THANK YOU to **Jim Dunn** for his incredible pictures which can be found on the club web page, and the great CD formatted pictorial available to members. **Gerry Mc Kinney** reported that the annual Installation Banquet will be held 12/29/02 at The Claim Jumper in Fountain Valley from 6 to 10:00 pm. Gerry also provided the profits of \$645.00 from the recent Swap meet indicating that 50 spaces were sold along with lots of hot dogs and donuts. Another big THANK YOU to all who helped make this event happen.

CAR OF THE MONTH: **Glen Johnson** will be arranging for the Car of the Month for the remainder of the year. This month the featured car was **Bob Ferazzi's** 1931 delivery 'sedan' which was 10 years in various stages of restoration. Bob pointed out that the color is 'plum', not maroon. A beautiful vehicle! Following the break, with delicious homemade cookies provided by **Jean Mc Millan** and **Helen Loeffler**, **Glen Johnson** finally was provided the time to narrate and display the awesome pictures from the Europe tour.

The raffle was conducted by **Dick Smith** who won the \$ for driving his Model A. What's up with that? It seemed legitimate since Rumi drew out the winning ticket. The name badge \$ was won by **Mel Collings**. **Doris Marshall** went home with the grand prize of 4 Model A hubcaps and plenty of others left with their hands full. Donors to the raffle for this month included the **Zittrers** and **Lou Spielberger**.

The meeting was adjourned at 9:40 pm.

Submitted by **Kathie Mc Call**.

This Month's Cover

June 14 is Flag Day. Last Monday was Memorial Day. The two go together for a beautiful cover.

Dan and Linda Caldon, drove their car on Saturday, May 19 with the Cuesta Crankers to Solvang led by John and Bev Saulsbury. "Not only did we have a good time we never got lost either!"

The San Luis Obispo County Airport played host to two WWII restored Airplanes, B-17 and B-24 Bombers. Dan received permission to park his Model A Roadster next to the B-17 for photos. Linda's Dad was a flight instructor on the B-17 as well as the B-29 bombers during WWII. Needless to say these photos have a special meaning to Linda and their son Tim, a Commercial Pilot.

While at the San Luis Obispo Airport a photographer took this photo.

Back of May Restorer Is Pancake Breakfast!

Did you notice that pictures, taken by your editor, were used on the back of the restorer? What an honor!

Sign Up Today - August 3-8 Summer Tour

We are going to the North Rim of the Grand Canyon, Navajo Bridge, Monument Valley, Monument Valley Navajo Tribal Park, Arches National Monument, San Rafael Swell, Zion Park, and Las Vegas. (see pg. 3)

May Technical was at Tom Endy's

(pictures by Lew Lewis)

A good and informative time was held May 11 in Tom's well organized home garage\workshop. About a dozen of us learned all about rebuilding a rear end. (Ed. note: If I have to do mine I will let expert Tom do it for me.) Doughnuts were supplied by **Paul Steed**.

I'm keeping back out of the way!

Tom showing us how to take apart the rear end the right way. It takes the right tools and the right know how to do the job right. Right!

It's not as easy as it looks.

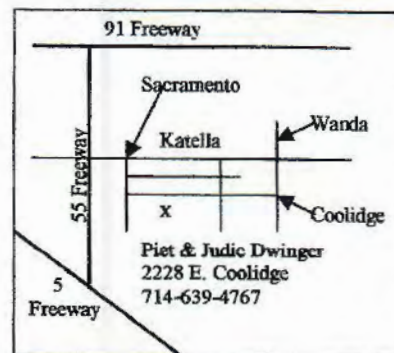

Bev Marsh, Dorothy Knox and Colleen Schmidt, do a little "cutting up."

June Technical Seminar

Presented By Pieter Dwinger and Glenn Johnson

The June Technical Seminar will be held on Saturday, June 15th at 9am. The seminar will be held at Pieter and Judi's home in Orange. The address is 2228 E. Coolidge Avenue and the telephone number is (714) 639-4767. Because of the upcoming national convention and judging meet this July, this seminar will explain the club's judging standards and how to

use these standards to upgrade your model A or to become a judge. This will be a "brains-on" meet where everyone will participate in judging Piet's blue ribbon station wagon, a

modified car, and anyone else's model who would like to fine tune their car's authenticity in preparation for the national meet. Coffee and donuts will be served. See you there. *Glenn*

Be sure and check your car for leaks.

Ladies: Look for another pillow workshop in June. Details at the June meeting.

Meanwhile, The women gathered at **Gwen Riggs** home to work on decorator pillows for Nationals. Under the guidance of **Colleen Schmidt, Chris Foster, Bev Marsh, Helen Loeffler, Gwen and Dorothy Knox** put together pillows with Model A silhouettes on them. Our thanks to **John Riggs**, who drew the Model A patterns for us.

Technically Speaking By Czechzit Twize

Here are some tips I gleaned for getting our cars ready for touring. Perhaps you have some you would like to add? Perhaps you think some are not important. Share your thoughts.

Write to Czechzit Twize at our email address: newsletter@ocmafca.org
or, snailmail at: 1146 N. Puente St. Brea Ca. 92821

MODEL A SAFETY CHECK-UP

(Refer to a service manual for proper adjustments)

✓ = ok, 0 = not ok, repair

ENGINE COMPARTMENT

- no gas leak around any fittings
nor the carburetor.
- no looseness in steering box as
wheel is turned (2 inch max)
- no loose distributor play
- fan belt tension (no cracks)
- no cracked fan at hub
- no radiator leaks
- no cracked radiator hoses
- tighten radiator hoses
- no head gasket leaks
- check head torque
- no frayed wires nor loose
connections
- oil level up to "F" (varies by stick)
- no rear main leaks
- no bent or stuck accelerator rods

GENERAL CONDITION

- stop light works
- (turn signals ?) work
- head and tail lights work
- no windshield cracks
- windshield wiper operation
- wiper blade condition
- clutch pedal travel
- brake pedal travel
- emergency brake travel,
3 clicks to stop
- sound horn

- no gasoline leak around steering column
/ shutoff valve
- gasoline vapor screen in tank

UNDERCARRIAGE, WHEELS AND TIRES

- (overdrive?) connections and oil level
- no loose kingpins
- all cotter pins in and secure
- no bent tie rods nor drag link
- correct steering box bolts, nuts & pins
- no broken leaf springs nor missing shackles
- no loose shock arms
- no cracked wheels
- no play in wheels when on jacks
- no oil leaks around hub caps
- no loose lug nuts. Torque to specification
- no worn tires and/or cuts in tires
- no transmission leaks
- battery secure
- no loose wheel bearings
- spin wheels for wobble
- no bent brake rods
- inspect for exhaust leaks
- inspect ball cap for proper fit, nuts & pins
- check loose body bolts (very common!)

***Follow all service chart lubrication
recommendations related to the mileage from last
time serviced. Lube all lubrication points at least
annually and when heading for an extended trip.***

**Remember to bring back your personal
hygiene articles from your travels and help us
to support CHOC patient's families
at the Ronald Mc Donald House.
Give them to Kathie Mc Call**

June 15 (Sat.)- Technical Seminar Car Judging

At the Dwingers – see page 9

Helpful Hint from your Pres.

New on Mapquest.com

If you fill in where you are going to and your
starting point, then click on **driving directions**.
Once it shows you the driving directions to your
location, look above for 3 new boxes: Fastest
Route; Shortest Route, and best of all "Avoid
Highways."

That's right, for all of you who wanted to get
somewhere in your A's without getting on the
freeway, here is your solution. I used it last week to
go to a school in Irvine for an open house where
our vehicles were on display for American Days. It
works great, and best of all it gives you the street
name as it changes in each city. **Try it, you'll like
it.**

**Celebrate Flag Day
June 14**

Note: Summer Meeting Time and Place

General Meeting

[Second Thursday of every month]

June 13@ 6:00 Potluck

7:00 Meeting

CHOC Hospital 3^d floor patio

455 South Main St. Orange CA

(Board meeting at 5:30)

**Celebrate Father's
Day June 16**

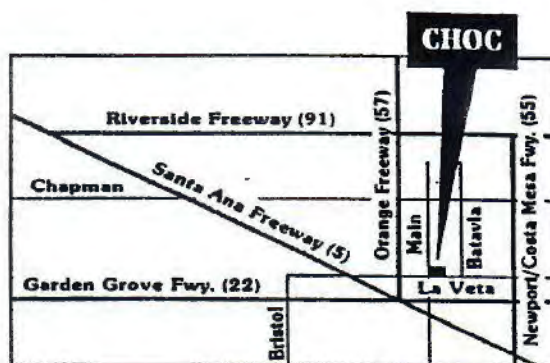

✓ **Deadline for next**
