## "See What Great Things We Can Do In 2002"

A few words about the National. "It was Great". As a first timer it was much better organized and planned than I had expected for an event sponsored by all volunteers. Those who helped deserve a big hand for all their hard work to make this event successful. I was supposed to go for the entire week, but had work conflicts, so I drove back and forth a lot. For those of you who also drove in and out, you know the freeways were maddening, but as soon as you got to the event you forgot about the drive.

On arrival and check-in you received your registration packages and then went promptly upstairs to get your registration gift. The table was run by our members and the gifts were all wonderful. I got a beautiful red, white, and blue handmade pillow with a coupe on it and some lovely candles. Your hard work on the gifts was much appreciated by all. In fact, I have received an email thank-you which I would like to share.

"Dear Orange County Model A Chapter. We received a gift from your Chapter at the Riverside convention and just want to thank you. There was a cute pillow with a stitched car on the front and a beautiful candle. We enjoyed the festivities (except for the heat) and loved the Mission Inn. Thanks again for your contribution - it was the frosting on the cake. Sincerely, Bev & Ed Wardle (President, Jewel City MAFCA)."

On Monday, I missed the hill climb, but heard it was fabulous. On Tuesday our club was out working on the gymkhana. Those of you who worked are really troopers. It was 97 degrees, in the shade,

and those who stuck it out all day, were very grateful to those who volunteered a couple of hours to give them a break.

There was also the fashion judging on Tuesday. **Patty** and **Bob Ferazzi** dressed to the nine's in garments made by Patty. I had made a police outfit, much like the one I am wearing in the Pancake Breakfast photo above. For those of you who have not been through a fashion judging, it was very interesting to see how much detail the judges get involved in, right down to your underwear.

Wednesday night was the fashion show, the Ferazzi's won a first place in Reproduction Couples, along with a Special Achievement award, and I won a third in Reproduction Specialty. Tuesday and Wednesday were also busy days for those who entered their cars for judging which included, Modified 1<sup>st</sup>. place Ferazzi's; Blue Ribbon restored original: 1<sup>st</sup>. place **Dwinger's**; Touring: **Earhart's** and **Endy's** both with a 1<sup>st</sup>. place. Glenn Johnson was one of the judges and I don't know how they did it, since there were so many great looking vehicles on display. Thursday was the tour out to the Paris Trolley and Train Museum.

Thursday night was the President's meeting. I met with other presidents from all across the country and Canada.

We are all invited to attend next year's Northwest Regional in Calgary, Canada. It was last held there in '92. Ask **Richard** and **Jeannie Parrish** what a great time they had. (more later). I hear the day tour will be a trip to the dinosaur digs.

Friday was seminar day, and they were all informative. If you haven't heard by now, **Glenn Johnson's** lecture on restoration of an older car featured the **Riggs' AR** and he only restored half the car, right down the middle. So I guess John will continue to drive with the good side facing out.

**Those who missed this great event mark your calendars for the next one in 2004 in Portland, Oregon.** You can count me there!

(Continued under "Now Is The Time" pg.4)

# Hawaii 2003

by Tom Endy

## September Update:

Cruise Paradise II is being planned for next Summer (June 22 through July 8, 2003). Hotel rates have been established at both Hilo and Kona. On the Hilo side they range from \$65. to \$99. per night. The best value is at the Hilo Hawaiian Hotel at \$75. per night. On the Kona side the rate is \$99. per night at the King Kamehameha Hotel. Eleven nights will be spent in Hilo, five nights in Kona.

## Air Fare:

The best rate we have obtained is \$545. per person, round trip, direct from the Orange County Airport to Hilo. We do not have to go through Honolulu, and there is no additional inter island fare. Departure date is June 22, return date July 8, 2003.

## Car Shipment:

We will not have a firm price from the Matson Steamship Company until the first of the year. The price paid for the 2001 tour was \$1100. per car, round trip. It is anticipated that the price for 2003 will be only slightly higher. There is also the three verses two car per container issue that is being explored, which may reduce our price.

## Periodic Updates:

Between now and next Summer I will provide periodic updates of the planning process in the Distributor. However, it will be general information only. Specific information, along with the necessary forms will be provided to those who sign up for the tour. I encourage all of you who are planning to go to contact me so that I can add your name to the mailing list. phone, 714-897-5861, or e-mail, tendy53@earthlink.net.

## The 2002 National Awards Banquet

Several of our members represented our club well at the 2002 National Awards Banquet. The opening prayer was given by **John Knox** who reminded us of the contributions of those members of our hobby that have passed on and of the many blessings of our great country and God's strength for all of us as we face the uncertainties of the future.

Awards are listed in other areas of this *Distributor* but here are a few pictures from that night:

**Gwen Riggs** did not enter the fashion awards but looked great in her ERA costume at the banquet.

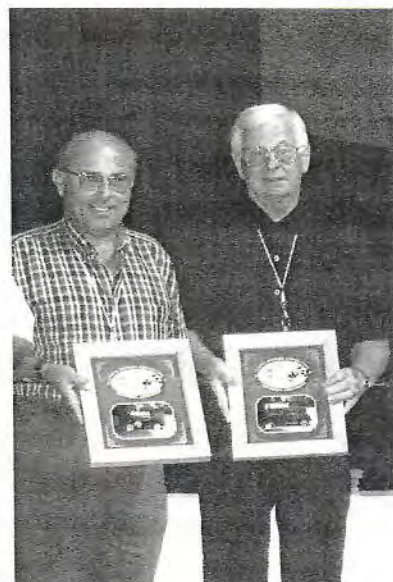

There were **65 cars judged** and 102 judges judging the cars. 500 points are the most you can get. 1<sup>st</sup> place awards are given to those who reach a given number of points.

The award categories were: **Blue Ribbon** which are the perfectly and near perfectly restored cars; **Red Ribbon** for cars that tour and have some wear but are in good condition; **White Ribbon** are cars that are modified somewhat but are in wonderful condition. It was a grand sight.

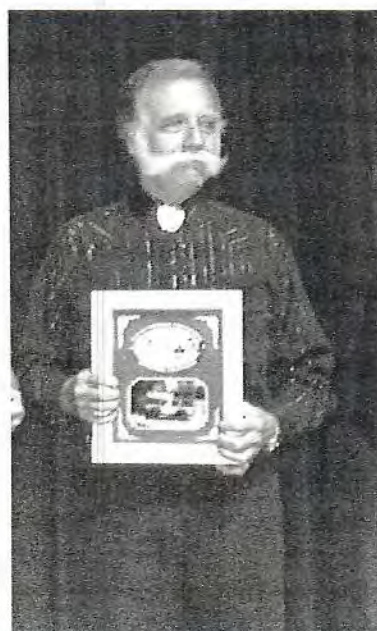

(No cars were in the un-restored **Green Ribbon** category.)

A **Blue Ribbon 1<sup>st</sup> Place** was won by **Gregg Earhart** (left)

**Tom Endy** (right) won a **Red Ribbon 1<sup>st</sup> Place**.

**Bob Ferazzi** received **White Ribbon 1<sup>st</sup> Place** for **Modified**.

**Piet Dwinger** received **Blue Ribbon 1st Place Original Restored**

(continued)

## Gathering for the 2002 National Banquet

## Gymkhana at the MACFCA National Convention in 2002

by Bev Marsh

Once again, Orange County members came through!

I want to thank all the people that conducted the Car Games. **Don and Colleen Schmidt** handled the registration for the whole day in a hot and dusty parking lot. They also brought awnings and chairs. **Ken Zitrer**, along with **Jean McMillan**, held the "Ring Fling." They worked all day for the enjoyment of the 98 A's that participated. **Don Miller** and his assistants, **Calvin Shook** and **Bill Shaner**, toiled to conduct the "Bull's Eye." **Sheila Plotkin** and **Diane Manos** were a little luckier than the others because they were shaded by a huge tree. They, along with **Marion Wavra**, timed the participants for "Nutz 'n Boltz" game. **Lee Jackson**, R.J. (Lee's friend) and I were generally "gophers" during the event. All these people were there from 7 a.m. to about 4 p.m. in about 90 degree weather. Also, **Gerry McKinney**, **Patty Ferazzi**, **Don** and **Joyce Zaleski** (my brother-in-law and sister,) **Diana Wierman**, and **Dick Smith** lent an extra helping hand and gave us a chance to take a break from the heat. **Dorothy Knox** did a great job representing our club. She came in second in Women's Overall! From the feed-back, I heard that the event was successful and the participants enjoyed themselves. Again, my sincere "Thanks" to all those that came out to help. *Bev*

## Sunshine & Sorrow

By Jeanne Parrish

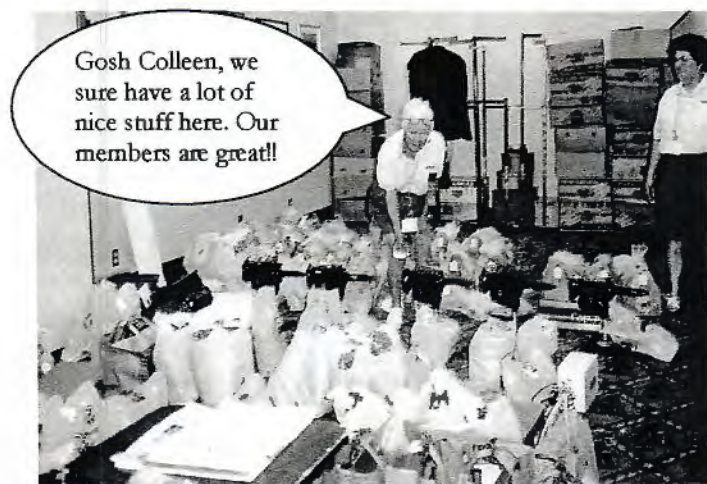

Our sympathy to **Ken and Janet Zitrer** on the death of Ken's mother last month.

We are sorry to hear that **Bryan Morse** had his jaw wired shut, after corrective surgery, for six weeks. He got his wires removed on August 26. We wish him well and are keeping him in our prayers and hope to see him "on the road again" soon.

## Thanks from the Riggs for Door Prizes

John and I would like to take this opportunity to thank our fellow Orange County Club members for their wonderful help in making our job as door prize chairmen a big success. You were behind us all the way. If we asked for toolboxes, we got them. Pillows, would be nice, the ladies made them. Airplanes made from soda cans would go well so dear

Lou donated seventy of them. Two of our members have received thank you's from people who received their gifts.

There are too many people to thank individually but you members were always there when needed.

It's nice to have our living room and garage back but it was a very rewarding experience.

Thanks again. *Gwen and John*

## Lane Victory Cruise

By Dorothy Knox

Our Orange County club was represented by 17 (if I saw everyone) stalwart sailors on the Lane Victory cruise to Catalina. It was an enjoyable day cruising on the last Merchant Marine vessel afloat. We were served a continental breakfast as we departed Long Beach Harbor. The seas were calm and the skies overcast affording us a pleasant crossing. We were served a catered buffet lunch as we cruised the coast of Catalina. On our return to the harbor we were escorted by the harbor fire boat and given a full water salute. It was most impressive.

Those attending were: the **Zitrer**, **Dwingers** and **Jason** and **Anna**, **McKinneys**, **Griffins**, **Knoxes** and grandson, **Mike Kuester**, **Bernie Marston**, and **Lee Jackson** and his dad.

## OCMAFCA GENERAL MEETING

August 8, 2002

By Kathie Mc Call, Secretary

The scheduled OCMAFC Board Meeting @ 5:30 pm was cancelled due to no quorum, with only President **Diana Wierman** and Secretary **Kathie Mc Call** present. There was no new business.

The general meeting was held immediately following the traditional summer potluck supper at Children's Hospital 3rd floor roof top patio. The flag salute was led by Ted Loeffler. 47 people were in attendance for the meeting.

**Ken Zittler** came to review upcoming events and activities, on his way out of town to Colorado. Activities are listed separately. The Big Bear Annual event is in jeopardy of being cancelled, anyone interested is strongly encouraged to let his or her intentions be known immediately. The 8/17 Swap Meet at Vintage Ford is also cancelled.

Visitors were introduced by club greeter, **Jon Heiland**: **Don and Carolyn Ratzlaff** ('29 AA pickup truck), **Van and Mari Aposhian** ('31 coupe) and **Mike Mc McCarthy** guest of new member **Ginger Endy**.

**Tom Endy** reported on the Hawaii trip planned for June, 2003 and anyone interested is advised to let Tom know ASAP in order to make travel arrangements. Tom also reported on the Youth Scholarship Fund indicating that over \$13,000 was raised which allowed for 3 scholarships to be awarded to youth across the country. 19 requests were submitted and only 7 returned completed. Judging was done by the Scholarship Board of Directors as mandated by the IRS. Winners are: **Kristina Christiansen**, South Ogden Utah; **Joshua Freeman** from Universal City, Tx. and **Kelly Shaddix** from Houston, Tx. Details of the donations and the other 4 applicants are on file.

Report on the National Conference held in Riverside was provided by **Diana** and others.

A huge thank you to **Bev Marsh** and her crew for their major efforts in putting together the gymkhana, held in the hot 97 degree sun. Events included the ring toss, bull's eye and nut and bolt board. Several club members won ribbons including **Tom Endy** for 1st place 398 score, **Greg Earhart** 396 score and **Piet Dwinger**. **Diana Wierman** won 3rd place in repro era fashion. **Tom Endy** reported that daughter **Ginger** drove the entire tour without her Dad yelling at her for something or other. 3 of our lady members entered the hill climb (**Gerry Mc Kinney**, **Olive Moore** & **Patty Ferazzi**). Sounds like a lot of fun!

**HARD LUCK TROPHY**: **Dick Smith** led the discussion for the most deserving to receive the HLT. Among the contenders were: **Bill Shaner** who 'blew a valve' on his Pinto engine while lagging behind a trail of

slower original "A"s. **Bill** claims this is his first incident with this engine in 10 years. He ended up putting the car on a flat bed trailer for the ride home. **Dick Riha** had quite a tale of his unfortunate incident during the convention, also claiming that because he had to 'go really slow' on the tour; he blew a head gasket, however unlike **Bill** he managed to get the engine back in shape for the ride home. Then, as always there was **Vince Mariola** with his "Vicky". On the same tour his car just gave out and had to be towed home, but true to form **Vince** came right back up to Riverside with another one of his cars.

Everyone voted with a show of hands and lots of catcalls and shouting in favor of **Vince** taking home the HLT; however since he wasn't there to receive all the attention **Diana** will hold it for him.

The July minutes were approved as printed in The Distributor.

Treasurer **Colleen Schmidt** was absent. Technical Advisor **Paul Steed** was absent. Editors **John & Dorothy Knox** were absent on Summer Tour.

A Proclamation from the City of Anaheim to OCMAFC was read by **Diana**, recognizing the club as 'Honorary Great Racer'.

The meeting was adjourned at 8:00 pm.

The September meeting will be held at 7:30 pm @ CHOC on the 2nd floor Wade Education Center, preceded by the 5:30 pm Board Meeting. Anyone is invited to attend the Board Meeting. Please bring your brown bag supper. There are lots of take out restaurants nearby. Refreshments will be provided during the regular meeting at the break
