Spring Spree in '03

As usual we had a great Pancake Breakfast. The member support, as always, was fantastic! Your prompt response to pitch in and roll up your sleeves really shows at this annual event. The response from our donors for such great raffle prizes meant a great deal to our clubs success. I would like to thank each and every one of you for a job well done. We also want to thank God for a beautiful day.

Now we can sit back and relax. Well sort of. Now it is time for some more fun. It's time to put her in overdrive. It's time to rock and roll! One of the things I mentioned a few months back, "A Picture Spree in '03". It would be nice to explore, if we were interested, in putting together of a list of people and their cars, with pictures, who would be interested in periodically allowing their cars to be used in movies, TV and magazines. Since mentioning this in the earlier article, we have had several inquiries about this from folks who are interested. Please allow me an opportunity to share my experience with this, as you may be curious.

We have had our cars in all three types of media. The basic process is that you register your car with an agency. They keep the picture of the car on file along with your name and phone number. When they get a "casting call" for cars from a media producer/director, the pictures of the types of cars are reviewed and they make selections. If selected, you get a call to have the car at such and such a location at a certain time. If it is any distance away the agent or production company may supply transportation for your car. You are advised of the day and time the car is to be used, how it is to be used. If it needs to be driven you will be contacted about the appropriate attire for the situation. Most of the time your period cloths are just what is ordered.

At the end of the day you earn some money for yourself and your car earns you some money too. There is a lot of waiting around (bring a good book), but it is interesting to see. Be sure and bring a pen, perhaps you will need to sign an autograph or two for your car.

You can always turn the offer down as it is generally short notice. But it is fun; you get to see all sorts of period stuff on the sets as well as other people's cars. Most of the time you will have your car parked in the background or you will be driving it yourself in a street scene and therefore need to be with your car during any type of filming. Filmmakers are very creative and spontaneous individuals so what may have originally been planned may change suddenly. Remember if this happens, and you feel uncomfortable about any shoot, it is your car, say something or remove your car from the production. We have never had to do this but we have been with the car to consult and advise. Be alert, damage can happen, cameras are very large and bulky and our cars are quite small inside.

My '30 PU "Hank" has just finished eight days of shooting in the up coming movie "Seabiscuit". It consisted of two days at a Santa Anita Race stable as background. This will probably never show up in the film. Then it was picked to play a very important scene, the "crash" scene. Now that was frightening! The scene is about Frankie Howard, the son of Seabiscuit's owner. Mike and I coached him on how to shift and do the pedal work. They shot film of his hands and feet but he never really drove the truck. The driving was all done by his stunt double. Frankie is a young boy who takes his dad's truck one day while his folks are away to go fishing. Well things go wrong and... Well you would not want me to give away the story now, would you? Let's just take your worries away by saying the film has completed shooting and my truck was seen at the Pancake Breakfast. In fact thanks to all of you who voted, I won "Best of Show". At the Pancake Breakfast there was a small display of photos, prop newspaper, and script pages, along with the call sheets, as well as a picture from the crash sequence. I will bring them in for --

Congratulations Diana!

Birthday Car Wins Best in Class

(see cover page)

Many of us enjoyed the wonderful Birthday Party thrown by **John and Gwen Riggs** at their home in Seal Beach, Sunday March 2. It was a party for their '28 AR which had been featured in **Glenn**

Johnson's detailing seminar held at the MAFCA Nationals.

(Colleen, Gwen, Vince, Gregg, Fran, John)

Several members helped Glenn and John turn out a superb example of a 1928 AR.

We all enjoyed the good food and good fellowship.

It also won **"Best in Class – '28-'29 Open"** at

the 2003 Pancake Breakfast. **Congratulations!**

Oct. 3-25 (Thurs.-Sat.) S.C.R. (Southern California Regional)

Temecula Valley.

Good News!

Our club will be handling the Hospitality Room at the regional meet in Temecula. Who better than our club to do this, since we like so much to eat and to socialize? It should be only a little work with a lot fun. The next committee meeting will be held in Temecula on Sat. May 17th. All are invited. I would appreciate any input you may have. **Bev Marsh 714-373-9769**

A Big Pancake Thanks!!

By Gerry McKinney

Just a note to all that worked like dogs to again pull off another wonderful p-cake breakfast. My whole crew just did an amazing job to keep the food flowing. I want to thank **Piet** for coming and

pulling the whole thing together, I could not have done it alone. The job of coordinator of food is a very big job, and has many directions.

I also thank **Clay** and **Bev** for making the needed

extra food runs. **Sandy Wilson** and I had enough food bought to feed 1500 people and still needed more! How do ya figure. I also had more than 1,750 packages of knives and forks and ran out too,

luckily we had our backup. I bought 500 more forks and I think they are gone too!

Juice 16 gallons and 1,044 individual containers were also consumed. What a day! **Bill** sold 8 cases of soda pop plus water and could have sold more, the sunny day made for quick sales. I would personally like to thank all that loaded (my husband **Larry**, especially) unloaded, bought transported, returned, cooked, served, CLEANED, dumped.

A special to **Glenn** for getting all the folks and cars in the lot. Glenn did a wonderful job on the trophies and all that received one were lucky. Thanks to the **Dick** and **John** show for the raffle ticket sales, **Clay** and **Dan** for the great collection of prizes. The list is too big to mention everyone, and to **Peggy** for all of her hard work. I know every worker needs a sincere

hug for spending their whole Sunday at the park. **THANK YOU!**

Report from Our Coordinator of Special Events and Pancake Breakfast -

Peggy Nunes will be sharing next month as she has been out sick. She wanted me to highlight these other celebrations this month.

New This Year...

A great table display for recruiting new members for our club. Staffing the table are

Dave & Carol Drake & Otto Wulff.

Now **Ginger Endy** gets to write checks for all that money.

It was a lot of work but it also was, **A HUGE SUCCESS!!**

Minutes for 3/13/03 OCMAFCA Meeting

Submitted by Bea Kalinowski, Secretary

The meeting was called to order @ 7:45 p.m. by President **Diana Wierman**, with 70 people in attendance. **Drain Marshall** led the Pledge of Allegiance. Greeter **Jon Heiland** welcomed & introduced Tony Champs – Brea (29 Touring Car), **Gary Graham** – new member (29 Model A Coupe), **Leonard & Peggy Nettles** – new members (30 Roadster), and **Bruce & Joni Harris** – new members. Everyone was reminded that we are still accepting donations of hotel soaps, shampoos, etc., for Ronald McDonald House.

Discussion: Pancake Breakfast

Peggy Nunes handed out schedules to people who pre-signed up for job assignments. **Gerry McKinney** reported on supplies and requested help at 5:30 a.m. to help clean up and set up. **Clay Willis** is still collecting donations for raffle prizes. **Dick Smith** is selling advance raffle tickets. **Glenn Johnson** needs help with registration of cars and counting ballots. **John Knox** will have an area set to take pictures of paid club members. Please sign in when you come in for your shift, and if you cannot make it, please call your coordinator. **Don Schmidt** has Pancake Breakfast T-Shirts for sale at the break. Don Schmidt & Bill Shaner will be selling soda and t-shirts at the breakfast. There will be a new membership table set up. Names tags will be provided for workers. Breakfast will be held rain or shine. Details were provided on upcoming activities – details listed separately – and sign-up sheets were sent around for events for the next couple of months.

Treasurer **Ginger Endy**, announced that there were still quite a few unpaid memberships. **Paul Steed** announced the horn seminar was a big hit – even the police enjoyed it. The next seminar is on 4/19 at CHOC and **Tom Endy** will be teaching us about carburetors. The ladies are welcome and encouraged to come, and there will be a potluck after the seminar. **John Knox** thanked **Gerry Reid** for the photo for the March cover of the Distributor. (However it was taken by his wife **Sherry**.)

Glenn Johnson announced the Car of the Month as the Riggs 28 Coupe, which broke down on its way to the meeting, therefore it also won the Hard Luck Trophy. Refreshments for the evening were provided by **Don & Colleen Schmidt** and **Ted & Helen Loeffler**. After the break, **Dick Smith** and **John Pickrell** conducted the raffle, with the grand prize being a Ford logo Danbury Mint watch.

Business Meeting:

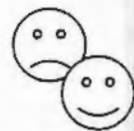

The minutes stand approved as they appeared in the Distributor. **Ginger Endy** gave the treasurer's report. Cash flow report is available at the front. Please pay your dues if you have not already done so.

New Business:

Gerry McKinney is ready to start embroidery. The costs are \$30 for a large logo on the back of a garment, \$5 for a small logo, and \$5 for your name. Garments/hats/caps/etc. may be submitted one at a time, or however many you have.

Sunshine & Sorrow: (see update below)

The meeting was adjourned at 9:10 p.m. The next meeting is April 10th.

Sunshine and Sorrow

Jeanne Parrish

Several of our members have been recuperating either from surgeries or some illness. They are all missed very much.

Both **Dale & Kathy McCall** have been at home with pneumonia. They are on the mend now. We sure missed them at the pancake breakfast. **Vince Mariola** has been fighting some fierce back trouble and pain. **Joan** continues to be missed also. Ole' time member **Lou Spielberger** has had a time of it! Surgery, home to granddaughter's home for recuperation and then, back to the hospital for an infection. We sure hope he will be up to his ole' self again real soon. **Mel Collings** underwent a 4 bypass heart surgery on March 28. He is doing very well and we wish him a speedy recovery. And **Terry** has been struggling with a cold and the stress of being a supportive spouse. **Sally Miller** received a pace maker on March 13. Keep ticking Sally. **Peggy Nunes**, has a bad leg infection.. Please remember all of these members with your prayers, cards & phone calls.

President's article continued from page 2:

our next meeting for those of you that were working and did not get a chance to look at all the beautiful cars. (Ask me at the meeting about how they did the crash scene using real and valuable cars without hurting them).

Guess what I forgot to mention, "Hank" had two smart doubles. One a coupe that had its wheels painted apple green to match "Hank's" was the camera car for the fender and road shots. The second vehicle was an old rust hucket of a truck that was painted to look just like "Hank" to play dead at the bottom of the canyon drop.

Remember, Lights, Camera, Action. Well I'll see you next time in the movies. Seabiscuit opens July 2003, and "Hank" will star in his daring two-minute scene (we hope ☺).

Coming Attraction!!

Bring your stuff. Bring your money. Come have a great morning of being with our club members as well as other MAFCA members.

April Zenith Carburetor Seminar

Saturday, April 19, 2003: CHOC 8:30 to 2:00, conducted by **Tom Endy** in classroom C, (next door to our regular club meeting room) Coffee and donuts will be provided in the morning and lunch will be served at noon (**bring some pot luck**). For the lunch, soft drinks and table service will be provided.

Once again, **the ladies of the club are invited and encouraged to attend**. This will be a lecture session on the Model A Ford fuel system, how the Zenith works, and how to go about the restoration process. A restoration guide will be available for each person to take with them. The lecture will cover disassembly, inspection, throttle shaft re-bushing, jet re-sizing, passageway cleaning, and proper painting techniques.

Participants are welcome and encouraged to bring a Zenith carburetor they anticipate restoring. Tools will be available to disassemble it as far as possible (bring a small box to put all your parts in). The hand out will be a step by step guide that will be easy to follow. More information was in last months *Distributor*.

Alice visits the Pancake Breakfast

By Richard Parrish

(Picture courtesy **Kenny Dierken**)

The car named Alice made her first club tour March 23rd from Laguna Beach to Hart

Park in Orange for the pancake breakfast. **John Graves** said she purred like a kitten but roared like a lion when he stepped on the gas. She looked fine sitting there with all the rest of "the family". She is roadworthy but still lacks the final touches. There is still time to be a part of this project by lending a hand. How are you at detailing? Know of a good plater for that bumper? Do you have a floor mat "that fits"? Know how to wire turn signals? Phone Richard Parrish to sign up giving John a hand.
