A Pancake Spree in '03

Think about this! Model A's, pancakes, Model A's, scrambled eggs, Model A's, sausage, Model A's, coffee, Model A's and hundreds of Model A'ers as well as friends. What better way to spend half a day or so? Oh I forgot, Model A's and tons of great raffle prizes!

Yes it is that time again, time for our annual Pancake Breakfast.

As always we can use your help. If we all do a little blah, blah, blah. Think about this though. You have been to our meetings and you know that when people need help our members are there. Remember that for every 5 members there are 10 answers to a question. Did you know this is the way it is for our Pancake Breakfast? That's right, not only do we have an abundance of Model A experts but if you want to know the nuances of flipping pancakes, or how to keep your scrambled eggs from being watery, or how to park hundreds of Model A's and other beautiful cars so everyone can see them, not to mention learn the secrets of cleaning a massive pancake grill you do not want to miss this once a year event!

In all seriousness however, this is the largest fundraiser we have all year and participation is very important. One of the great things about this get-together is that we get people from all over Southern California visiting us, bringing their cars, their friendly faces and tons of visitors as well. I thoroughly enjoy

having the chance to see them and talk with them. Take advantage of the time to make yourself known to them. Perhaps they are visitors and think having a Model A is for rich folks and do not realize that the accessibility of cars, parts and support organizations such as ours makes this a great family hobby.

That gives me an idea. How about one of you folks writing up a brief profile of what it takes to get into the Model A hobby? Perhaps if we get it soon enough we can have some available for the Pancake breakfast.

There are several things I want to "Spree in '03" about with you but I have been told to stay focused on the Pancake Breakfast and rightly so. We are still recruiting help for that day so please make yourself available. We are looking forward to having you all come out and join us in the fun and it would be great for you to bring your friends.

Peggy wants YOU !

February Horn Seminar

April Seminar

by Tom Endy

Hey Paul, is this a big enough hammer?

Richard Riggs, Richard Parrish, Larry McDonald and Bill Schaner belly up to the work bench for a fun day at Paul Steed's great workshop.

Don Miller, Tom Endy and all the guys are more than willing to help **Diane Stewart** with any car problems.

Paul Steed and **Warren Hogan** celebrate the end of a good workshop on the running board of Warren's 29 Tudor.

(photos by John Knox)

Saturday, April 19, 2003:

A seminar will be held at **CHOC** from 0830 to 2 P.M. It will be conducted by Tom Endy and it will be similar to the one we had last October. The seminar will be held in classroom C, which is next door to our regular club meeting room. Coffee and donuts will be provided in the morning and lunch will be served at noon (**bring some pot luck**). For the lunch, soft drinks and table service will be provided.

The subject is Zenith carburetors:

Once again, **the ladies of the club are invited and encouraged to attend**. This will be a lecture session on the Model A Ford fuel system, how the Zenith works, and how to go about the restoration process. A restoration guide will be available for each person to take with them. The lecture will cover disassembly, inspection, throttle shaft re-bushing, jet re-sizing, passageway cleaning, and proper painting techniques.

Hands on:

Since we will be in a hospital classroom instead of a shop, we will not be able to perform much of the actual hands on restoration process during the seminar. However, participants are welcome and encouraged to bring a Zenith carburetor they anticipate restoring to the seminar and tools will be available to disassemble it as far as possible (bring a small box to put all your parts in). Many rusted carburetors require heating for complete disassembly and we will not be able to do that at CHOC. Even the most horrible looking, rusted Zenith can be restored to perfection, and many times using most of the original parts.

The objective:

The seminar will provide a host of information that will enable you to perform a complete Zenith restoration at your leisure at home. The hand out will be a step by step guide that will be easy to follow. The special tools needed for a Zenith restoration are inexpensive and those required will be displayed at the seminar. The seminar will enable you to be the first kid on your block (male or female) to be able to competently restore a Zenith carburetor to absolute perfection. ☺

OCMAFCA GENERAL MEETING

February 13, 2003

By **Bea Kalinowski**, Secretary

The meeting was called to order @ 7:45 p.m. by President **Diana Wierman**, with 66 people in attendance. **Drain Marshall** led the Pledge of Allegiance.

Greeter **Jon Heiland** welcomed & introduced **Jordan Nunes (Peggy's son)**, new members, **Bill & Nancy Tittle** (they inherited a '31 Sport Coupe), welcomed back **Richard & Velma Riggs**, and introduced visitors, Van Aposhain ('31 5 window coupe), and Bill Schreiber ('28 Roadster Pick-up).

Announcements - **Lou Spielberger** is recuperating at his granddaughter Becky's house. You can call him at (714) 662-0509.

The minutes stand approved as they appeared in the Distributor. **Ginger Endy** gave the treasurer's report. Please pay your dues if you have not already done so.

Mel Collings provided details on upcoming activities - details listed separately - and sign-up sheets were sent around for events for the next couple of months.

Paul Steed gave the technical report. February 15 there will be a seminar on horns at Paul's home, rain or shine. Coffee & donuts provided.

Bev Marsh won the Hard Luck Trophy for the month for breaking down in her '56 Thunderbird on the way to the Poker Run at Sears. She won hands down even though she wasn't driving a Model A. Refreshments for the evening were provided by **John & Gwen Riggs**, and **Don & Sally Miller**.

John Knox would like to get pictures of new members. Pancake Breakfast t-shirts on sale at the break for \$15 each. **Clay Willis** announced that the proof sheets for the 2003 Roster were in the back. Please look at them and initial if correct, or make corrections as needed. Add cell phones & e-mail addresses as necessary. **Gwen Riggs** is getting ready to start doing reservations for Wings 'n Wheels. She has 25 rooms reserved, so see Gwen if you plan to attend. **Bev Marsh** reported on the SoCal Region meeting. Temecula Valley is willing to host the meet the weekend of 10/23-25/03. There will be a Hubble derby, hill climb, barbecue, but no seminars, and no car or era fashions.

Peggy Nunes reported that we still need more volunteers for the Pancake Breakfast, so please sign up. She introduced the coordinators that were at the meeting: **Glenn Johnson** - registration, parking crew & judging, **Dick Smith** - raffle ticket sales, **Clay Willis & Dan Adelman** - raffle prizes, and **Don Schmidt** - t-shirts. **Jim Dunn** brought a book showing ads for '28-'29 Model A's for everyone to look at during the break. After the break, **Dick Smith** and **John Pickrell** conducted the raffle, with the grand prizes being a Model A Mechanics Handbook for the men and a Fitz & Floyd musical figurine for the ladies. The meeting was adjourned at 9:00 p.m. The next meeting is March 13th.

Sunshine and Sorrow

By **Jeannie Parrish**

James Anderson Wilson made his appearance in Mesa, AZ. on January 22nd. He weighed in at 7lbs 9 oz. "CONGRATULATIONS" to "**Grandma & Grandpa**" **McCall**. Proud parents are Fred & Lauren (McCall) Wilson and big sister Lindsay.

Happy to report **Lou Spielberger & Dick Nordin** are both feeling better day by day following surgery. They are anxious to be "back on the road" again soon, but would like to hear from us with cards & phone calls. Lou can be reached at his granddaughter's (714) 662-0509 & Dick at home.

Condolences go out to **Dan Simmons** with the death of his father on Valentine's Day. **Dan & Valerie** are ole' time members.

Gamble House

February Tour -

Saturday morning Feb. 22 found 18 shiny Model A's lined up at the Brea Mall along with a few moderns. Donuts were served by **Terry Collings** and **Mel** handed out instructions for our trip to the Gamble house in Pasadena. The trip went without incident and we arrived in style at the beautiful Gamble house. Mel had told us that we could not park in the circular driveway since the coordinator's dad had had a Model A and she knew how they dripped oil. However, there we were parked in the circular driveway and they let us stay for the whole time. It was a lovely sight.

The tour was delightful. The Gamble house was built in 1908 by Green and Green architects. It has 6200 sq. ft. of living space plus another 2000 sq. ft. of basement. It was built in 11 months and is a treasure of wood work and design.

After the tour we drove to Old Town Pasadena near by and had lunch in various eateries. It was a great tour. Thanks Mel.

We went from here ↑ to there ↓

Who's listening, Mel?

Whose list are you on?

By Richard Parrish

(Of course you don't want to be on someone's \$#!+ list)

You **do** want to be on Alice's list. The car named Alice, of course, **John Graves'** Roadster Pickup named after our former president and his late wife. Alice has made her maiden voyage now thanks to so many of you that have helped with labor, parts and general support. The following list is by no means complete. If you are not on the list and should be, call me. You will be on the updated list next month.

The List:

Sam Craig	Installing engine and body
Tom Endy	Rear end, Front end, Distributor, Brakes, Carburetor Etc.
Bob Ferazzi	Straighten frame
John Knox	Adjust doors
Dale McCall	Installing engine and body
Richard Parrish	Installing tires
Paul Steed	Loan tools and advice
Al Zannino	Rebuild transmission

There is still time to get on the list. If you are not on this one call me. I suffer from CRS (Can't remember \$#!+). **Richard Parrish 714-999-0711 or call John at 949-497-3067 to volunteer.** Lets finish Alice in time to DRIVE to the breakfast. She certainly wouldn't want to be seen by all those people in an unfinished state.
