Notes From Your President Mel Collings...

Greetings.

October has been an especially good month for Terry. The week following our last Model A General Meeting I again went to the hospital to have laryngoscopy with laser to remove a vocal cord granuloma—remove a nodule on my vocal cords. The good news for Terry was that I was instructed not to talk for two weeks and then limit my talking for four more weeks. I have never seen Terry as happy as she has been the last couple of weeks. I have discovered that I cannot write as fast as I can talk.

October was another good month for our Club. The shoebox swap meet at our last meeting was a success. The back road tour and catered lunch provided by **Jim and Jo Nichols** was a fantastic experience. Perhaps Jim and Jo should make this an annual event. Jim had invited some of his customers to join this tour, and several of them are now new members of our Club. Thanks Jim and Jo!

A large group attended the "Rally in the Valley," the SCR meet in Temecula. I received an e-mail from Kathie Mc Call shortly after their return in which she said: "It was great and quite successful, except it was unseasonably hot for the Grand Tour."

We must not forget our heartfelt thanks to **Bev Marsh** for her outstanding contributions to our Club, the Southern California Regional and MAFCA. As usual, Bev was a super star at the Rally in the Valley.

At least sixty of us are looking forward to another exciting trip to attend the Palm Spring Follies on Nov. 15 This is always one of our most enjoyable activities.

I want to thank those of you who have agreed to serve as board members or committee chairpersons for next year. We still have some positions unfilled — please consider serving. Also, why don't you consider planning a tour or an activity or conducting a technical seminar for next year. If you have some ideas and would like to help, please talk to our Activities Director or Technical Director for next year. Your assistance will certainly be appreciated.

REMEMBER, OUR NOVEMBER GENERAL MEETING AND BOARD MEETING WILL BE WEDNESDAY, NOVEMBER 12, INSTEAD OF THURSDAY.

If more people are willing to help with our many activities, it will make it easier on those in charge and will be fun for those helping. Please be willing to offer suggestions for improving our Club in any way. Make your suggestions to any of the Board Members.

Please remember to vote and return your ballot. Thanks to all of you who have returned your Membership Renewal forms with your checks. If you have not already done so, please do so now. Don't forget that you may also join MAFCA (Model A Ford Club of America). They have probably already sent a renewal application to former members. For new members, there was an application in the October Distributor.

LET'S KEEP DRIVING THOSE MODEL A's!!!

2003 Rally in Temecula Valley October 23-25 (Southern California Regional Meet)

Thursday morning 4 Model A's along with rear guard Eleanor Shaner in her 2003 PT Cruiser headed out from Orange for the short drive to Temecula. Arriving at the host hotel at 10:30 am we found Bev Marsh, Marion Wavra and Diane Manos already at work setting up the OCMAFC Hospitality Room.

Various club members filled in on Thursday and Friday welcoming arrive-ing participants, but mostly doing what we do best and that is eating up the snacks. Bev, Marion and Diane did a terrific job keeping the food supply up and generally getting worn out from all the visiting.

On Thursday evening we all meandered out to the Ponte Winery in the pitch dark to where the Welcome Party Ice Cream Social and Hubley Derby was held.

(Photo courtesy
Bev Kniest
Santa Anita A's)

There we were greeted by a bunch of very friendly Model A's who were obviously very serious about racing their Hubley cars. The 32-foot track was already set up and cars were in the process of 'weighing' in as we arrived.

Having never actually attended one of these events, I was all eyes and ears as I observed the various owners getting ready, opening up their shoeboxes with the treasured car inside. I noticed there were a number of females competing, which piqued my curiosity. I found out that there are very strict rules to observe, including giving up your car to race personnel at the 'impound area', obviously so that there would be no further tampering with weights or other devious methods to ...

Orange County Model 'A' Fall Tour

On Sunday morning, October 12, 2003, the tour god's smiled down upon us for our early Fall Tour. After a week of clouds, fog and drizzles, Sunday morning dawned clear and warm for the tour.

As we gathered at the Mall of Orange for the start of the tour, we were excited to see 30 Model 'A's arriving.

About 65 people, both members and visitors, some for the first time, gathered around the cars to swap stories, kick tires and socialize until the start of the tour. It was truly an awesome sight to see.

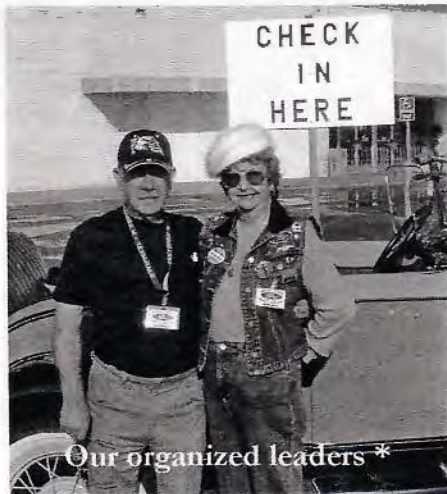

We left the Mall Of Orange around 9:30 am and toured some great Orange County back roads.

Everyone seemed to really enjoy the route near O'Neill Park with a canopy of trees covering the roadway. We had little trouble keeping all of the cars together.

We arrived at the beautiful Flo-Jo (Florence Joyner) Park in Mission Viejo around 11:30 am. After parking all of the cars and making the necessary potty stop, we lined up for lunch.

Our catered lunch, prepared by

Marlene Nichols of Thyme Savours Catering at Laguna

Our organized leaders *

Great cars

Good to have the Lucas Clan

Culinary Arts, was waiting with an awesome hot lunch for us. The food and presentation was a vision to behold.

An additional 38 people met us at the park. Some were our new Model 'A' customers, regular customers, friends and family members.

In all, about 103 people attended lunch and enjoyed the amenities of the park.

We wish to thank Marlene Nichols and her dedicated staff of helpers who really did a wonderful job.

Memories from the October Meeting

Shirley Nordin's special centerpiece for the October meeting was created by her son Mark with a special clay over the centerpiece from the 2001 Installation Banquet. The wooden car base was made by Bob Ferazzi.

Rally in Temecula (continued from pg. 3)

effect the outcome, prior to the actual race.

Everything had to be an original Hubley, Gabriel or Scale Model weighing no more than 21 ounces. This looked like fun to me! There were even classes for entrants, including the 3-9 year olds, 10-17 year olds and 18 yrs and over. Being as there didn't seem to be anyone below 18 (surprise, surprise) there was only one class entry.

Trophies were awarded to 1st, 2nd and 3rd place winners. No one from our club participated, but I am now on the prowl for a Hubley of my very own. I've even got a very special shoebox waiting to keep it nestled in.

L-R: Olive & Art Moore, John Knox, Darlene Ingwersen, Ed McRae, Colleen & Don Schmidt, Jeannie McMillan, Doc Ingwersen, Bev Marsh, Pam Berto (note the attempt at rabbit ears for Dale.) & Dean Dale & Kathie McCall, Marian Wavra, Helen & Ted Loeffler, Sally & Don Miller. Hey Piet, help me glue this back in.

Note piston rod in Glenn's hand.

We set up the inspection area to check the cars before running, the timing table to record all of the times as well as the timing lights up the hill.

Larry was checking out the cars at the inspection area and I worked with Kathy Brierley and Carol Mosher at the timing table. It was a great day, everyone driving had so much fun. Car #86 from San Diego Rich Skeltzer drove the hill 12 times and won his class.

(continued next page)

Following the Hubley Derby, or maybe before, I really can't remember...we all bellied up to the ice cream bar and made our own sundaes. For Sally Miller it was her 2nd sundae of the day, and she did us proud once again. The rest of us did pretty well too and went away with our tummies full as usual. *Kathie McCall*

(tour report continued by Gerri McKinney)

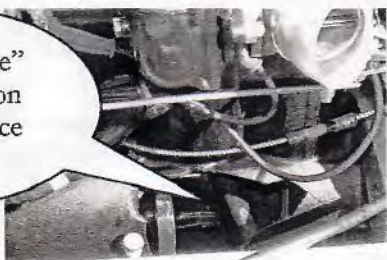

Larry and I arrived at the winery just as the Welcoming Party and Hubley Derby were closing up shop and all of the ice cream was nowhere to be seen. We had a miserable 3 hour drive from Orange County! We were lucky enough to have made reservations at "Brierley Mansion" the home of **Jim & Kathy Brierley** for the event. They are members of the 4 Ever 4 Cylinder club and live in Temecula, just a mile down the road from the winery.

On Friday morning, we were up early and headed to the Hill Climb sight to get set up for the event. The 4 Ever 4 Club was the host club for the timed hill climb events.

Olive Moore (the Purple Lady in the Purple Car) gives Kathie McCall a thrilling ride. Olive was **OVERALL FASTEST**

"Hole in One" in the Johnson -Dwinger race car.

Rally in Temecula (continued from pg. 7)

He then went to town and drove the Gymkhana events and won a trophy in each event! He really had a great day. Atta boy Rich!!! The favorites at the event are the LADY drivers, and our own Olive Moore won low ET for the day. (Husband Art #44, built the car)

I was wishin' I was out there driving myself!!! We had 147 passes up the hill and 23 cars participating. After lunch the final 2 runs were recorded and the best time is how the trophies are won.

After all of the participants went back to the hotel, the 4 Ever 4 club had all of the equipment to pack up and clean up the area. I hope all enjoyed the Hill Climb and how about the Hot Dog Wagon?

Saturday morning was the Pancake breakfast before the Grand Tour. We got to the community center at 7 A.M. to get the room set up to serve. It takes a lot of tables and chairs to seat a group like that. We were very lucky to have the Murrieta Fire Department doing the cooking and serving. They brought

along their cadets to help. What a nice bunch of people. They did a wonderful job.

After breakfast, we cleaned up and met with the tour leaders for a terrific ride. Jim B. was our driver and tour leader for the Blue group. The first stop was the Keyway

winery; nice place, great wine. The servers were so nice and full of information.

The second stop was to the Visitor Center at Diamond Valley Lake, a 45 minute stop to visit the museum and have a box lunch. The next stop was around the lake and a stop at the top of the Dam.

Our docent at the view point, was named Dorothy. She was full of the most interesting information about the construction of the dam. She passed out hats to everyone and mugs to each driver. We hiked to the view point. What a beautiful place. It is stocked full of 7 million fish!! You do need a fishing permit and license to fish.

Next stop was Rancho Carrillo, a combination antique store and museum. It was a fabulous collection in his barn.

(Photo Bev Kniest)

All of the folks working there were so darn nice. We got back in the cars and headed for the Bouris Ranch for the awards presentation and barbeque. The Bouris Ronch was just a wonderful place with a great tractor museum and another barn full of antique tools and farm equipment. They were all restored and looked like new.

We had a wonderful meal of BBQ tri-tips or chicken with all of the trimmings. Lori and Rudy .Perez were the hosts for the last stop and they did an outstanding job. Thanks to all of the people that organized the event, everyone had a terrific time. *Gerry McKinney*

Minutes for October 9, 2003 OCMAFCA General Meeting

The meeting was called to order @ 7:30 p.m. by President **Mel Collings**, with 56 people in attendance. The Pledge of Allegiance was led by **Terry Collings**.

Minutes for 10/9/03 OCMAFCA Meeting

Greeter Jon Heiland welcomed & introduced guests & new members **Don Tilly & Pete & Trish Cruise**.

Sunshine & Sorrow: **Gwen Riggs** announced that **John Biscay** died on Friday, 10/3/03 and that the funeral would be Friday, 10/10. **Matt & Laura Ricketts** had a baby girl. **Joan Mariola's** knee surgery has been postponed.

Mel announced that the Board had voted to donate \$100 to the Orange County Rescue Mission for Thanksgiving dinners. Also announced was that the Board approved putting on the ballot whether to approve an OCMAFCA scholarship fund.

The minutes were approved as they appeared in the Distributor.

Treasurer **Ginger Endy** announced that the treasurer's report was available for review at the front. Ginger also reminded everyone that membership dues are coming up, and that applications are at the front. Dues are \$25, unless you belong to another club and have paid ACCC dues through that club, then they are \$22.

Activities Report: Upcoming activities are listed in the Distributor. Loara High School needs 5 open cars for their homecoming court. Everyone was reminded that the Planes of Fame tour at Chino Airport on Saturday, 11/1, will leave the Orange Mall at 8:30 a.m. This will be a freeway tour. **Bev Marsh** gave an update on the "Rally in the Valley" coming up in Temecula. **Gwen Riggs** has 5 rooms reserved at the Holiday Inn Express.

Technical Report: **Paul Steed** was absent, therefore there was no Technical Report. The technical seminar for 10/18 was cancelled when no one volunteered to have one.

Editor Report: **John Knox** announced that January 2004 will be the last issue he does of the Distributor, so a volunteer is needed.

Special Events report - The next event will be the Installation Banquet on December 28 - a sign-up sheet is available at the front.

ACCC Report* - given by **Larry Conkol**. There is lots of turmoil in Sacramento. The main thing that will affect us is SB708, which says that any city can set up a road block for smoking/drunk driving/etc. and they get to keep the money. SB42 was passed - any vehicle before 1974 is exempt from smog (i.e., any vehicle 30 years or older).

The Hard Luck Trophy - none given this month.

Old Business: Election Committee report given by **Dick Riha**. People are still needed for several positions - Activities, Technical, Editor.

Refreshments - **Chris Foster** thanked **Shirley Nordin** for the festive Halloween refreshments.

Car of the Month - none.

Raffle - no raffle due to Shoe Box Swap Meet.

Greg Carcerano reminded people that he and **Dan Adelman** still have mugs for sale to benefit the Youth Scholarship fund.

Break and Shoe Box Swap Meet held from 8:15 - 9:00 p.m. The meeting adjourned at 9:00 p.m. The next meeting is November 12, 2003.

Frazier Park Picnic.

by Don Miller

On Sunday October 5 the Bakersfield A's sponsored their annual pot luck picnic at Frazier Park. It was a beautiful day and 2 A's from Orange County braved the grapevine to Frazier Park. **Don and Sally Miller** in their coupe and **John and Gwen Riggs** in their sedan with **Marion Wavra and Kathrine Holbrook** in their back seat.

There were about 120 people and about 30 Model A's from 7 or 8 clubs at the picnic. After about an hour of kicking tires and good conversation we sat down to a great potluck lunch in a very nice building. There was plenty of good food and after we got our fill there was a raffle with lots of prizes. Sally Miller won 2 hand painted Model A trivets and an orange whisk broom.

We decided to take the back roads to get home instead of the freeway and it turned out to take a lot longer than we thought it would. In fact, it took almost 6 hours to get home with the last 2 hours in the dark. Fortunately there were no problems with the cars except Don had to add water to the radiator a couple times.

We traveled a total distance of **325 miles** which took a total of 8 long hours. I don't think we will be going this way again very soon.

"Cruisin for the Cure" by Kathie McCall

The event was held on Saturday 9/27/03. At last count there were 3,095 cars registered, of all types, shapes, colors and diversity. And lots of interesting people of all ages.

8 Model A's turned out to represent our club and had a fun day visiting, cruising, eating (of course) and just watching the other cars go by. The group was joined by a CHOC friend, Joe Robinson and his very rare 1954 Kaiser, yellow in color with the most unusual doors, which slid into the front bumpers

when open. Another friend (Jack) came with his 1957 Chevrolet (Yikes!) station wagon. Some of the men got their free prostate screening blood test. All proceeds from the event go toward prostate cancer research. The club donated an additional \$100.00.

Dale McCall was the only 'survivor' from our OCMAFCA gang who stood for the group picture, a sea of light blue survivor tee shirts.

Several in the "A" group were brave enough to have the blood test (PSA), which is free and a simple way to identify whether prostate specific antigens are circulating around the body. A total of **775 men had blood test for prostate cancer screening**. There was **\$206,500 raised for prostate cancer research**.

Many people stopped to admire the "A"s and marveled that they were original restorations, not hot rods, as most of the other cars were.

There was a large exhibit hall with everything you could think of related to cars, including those Hawaiian shirts with various car designs on them. They could have used more food vendors, as the lines were long and the prices high.

A big **THANK YOU** to the 8 members who attended this event!

Historic Memorabilia Preserved!

Doc (L) & Darlene (R) Ingwersen, entrust Marian Wavra and Bev Marsh with a plaque with all the souvenir emblems from our past OCMAFC ROUND-UPS. These events were an important part of our club's past. They are now Keepers of the Pins.
