## Notes From Your President Mel Collings. . .

September 2004  
President's Letter

### Greetings

August was another good month. We had a good turnout at our August potluck. What a thrill it was for us to see **Olive Moore**. She led us in the Pledge of Allegiance, and then she and **Art** gave us the details about her very serious accident and remarkable recovery. The highlight of our August meeting was **Dorothy Knox's** presentation of our first annual OCMAFC Youth Scholarship to a very deserving recipient--**Jonathan Hughes**. Read about him in the scholarship article in this Distributor. **Jonathan** is a good example of the type of young person we are attempting to encourage to take an active part in the Model A hobby.

On Saturday, August 21, more than 20 Model A's and a few moderns brought many members of our Club to the memorial service for **Valerie Dierken, Kenny's** mom. **Kenny**, we offer our condolences to you on your loss. We also offer our condolences to **Pam Berto** on the loss of her brother. **Pam and Dean** are to be commended on the wonderful things they have done and are doing for his children.

**Warren Hogan** has had seven coronary stents implanted in his arteries in the past few weeks, and he seems to be doing well. Let's keep him in our prayers.

Our 4th Thursday of the month breakfasts are lots of fun, and judging by the good turnouts, many of us are enjoying our second favorite activity--good food and good conversation. Our August breakfast at Polly's in Santa Ana was another big success. **Terry**, thanks for taking charge of this activity.

At our October meeting next year's officers will need to be nominated. Please think about serving on the Board. If you would like to get in on the fun of serving on the Board or know someone who wants to serve or who you think would do a good job, please talk to **Kathie McCall**, our Election Chairperson.

In the past, members have occasionally suggested that instead of a summer tour we have a tour in the spring or fall when the weather is a

little better. We could do this instead of, or in addition to, a summer tour. Why not give it some thought and then suggest or plan such a tour next year. It would be fun. Remember, of course, to work on this with our 2005 activities/tour director.

Remember, in September we will return to our regular time and room for our monthly meetings.

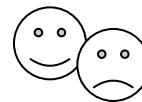

**LET'S KEEP DRIVING THOSE  
MODEL A's !!!**

### Heritage Hill Historic Park Tour

At the last minute we ended up with 4 Model A's and 3 moderns for the tour. It was a perfect day (not too hot) for the tour that included an 1863 Serrano Adobe, an 1890 one room school house, an 1891 church, and an 1908 ranch house.

It was great to see **John** and **Gwen** back on tour. Others on the tour were **Glenn** and **Sharon Johnson**, **Diana Stewart** with **Bill Douglas**, **Ev** and **Reva Pierce**, **Bruce** and **Joanie Harris**, **Don** and **Sally Miller**, plus our ever-faithful tour ladies **Marion**, **Bev**, and **Sheila**.

We had a nice lunch after the tour on the patio of a nearby restaurant.

*Sunshine and Sorrow*  
**Jeanne Parrish, contact person**

I'll keep it short this month because most of the news can be found in Mel's letter as respects Valerie Dierken and Warren Hogan. We're happy to see **Gwen & John Riggs** back on tour and at the meeting. It was good, also, to see **Olive Moore**.

# 10<sup>TH</sup> ANNUAL LEO GAY

*Santa Ynez, Calif.*

**October 15, 16, & 17, 2004  
MEMORIAL WINGS 'N WHEELS**

The Tenth Annual Leo Gay Memorial Wings 'N Wheels is scheduled for the weekend of October 15, 16 & 17, 2004. If you haven't reserved your rooms, do it now! Then send in the Registration Form on the bottom of this notice.

From past years' experience, we say, "REGISTER EARLY!" It is easier on us if you register and later must cancel, rather than waiting until the last minute to register. There are advantages to you! We incentivize early registration in the hope that things will run smoother. We expect all registrations in no later than October 8. Registrations received after October 8 will be subject to a \$10 per person late registration fee. All car/airplane ride assignments will be made as registration forms are received, and NOT assigned after registration closes. Late registrants without a ride assignment should go to the front of the line as the Tour leaves the airport and we will find you a ride.

Please fill out the form as completely as you can. It helps us and may help assure that your desires are better met.

No telephone registrations will be accepted. However, you may register by FAX if you feel you cannot make the deadline any other way (then send your check by mail).

## HOLD HARMLESS

We require that everyone in attendance agrees to hold the organizers and the participating clubs harmless in the event of injury or other loss. The "Hold Harmless" agreement is at the bottom of the form. Each adult is required to sign for him/herself and for minor children. If you are bringing minor children, not your own, have their parents sign a copy of the agreement with the child's name printed on the agreement. Unsigned applications will not be processed and will be returned!

For a full refund, we will need your cancellation by Oct. 1.

If you do not complete and sign the Hold Harmless for ALL participants, your registration will be returned and you will lose any advantage of your earlier registration date.

Winners are to serve 2 years. A Board member though may choose to not be on the board for the second year by notifying the Board prior to October 1st. Incumbents shall have first choice of Board positions. Nominees have the right to run for a designated office that is not filled by an incumbent officer."

If a person has served on the board for 2 years and desires to serve longer, he/she may still run for an office-the one they had previously been elected to or a different one.

Elective offices include: president, vice president/activities/tour director, secretary, treasurer, special events director, and technical director. The other two positions on the Board, editor and merchandising director, are appointed positions.

Board meetings are held the same evening as our general business meetings. The Board generally meets at 6 p.m. when the general meeting starts at 7:30. However, the Board may determine their meeting times.

Please consider serving in one of these positions and encourage other members to run. We could even have a real election with more than one candidate running for each position.

Take it from me--it is very interesting and fun to fill one of these positions. You learn a lot about friendship, helpfulness, kindness, consideration, criticism, generosity, and human nature. It is time well spent. We club members will appreciate your willingness to serve.

## How To Get Interested In Era Fashions And Why Do I Want To?

Illustrations: *Cosmopolitan*, November, 1929

To answer the last question first, the Model A hobby has long been a family recreation. I know all of our vacations and most of our outings are centered around the Model A. If you are mechanically inclined, this is no problem. The Model A car, how it works and looks, is what you care about. If you're not, it's fun to ride in it and wave to everybody, and there are "fun get togethers," with lots of good food. But for many of us, the road to Era Fashions started off as just a way to interest ourselves, while our spouses lost themselves under the car. Once that door was opened, we became fascinated with the fashions of the Era.

Many of you are looking ahead to our convention in Riverside next July. This is a favorite time to show

off Model A fashions, as well as cars. Maybe you are just planning to go to a Regional Meet, which is another excellent time to display your outfits. If neither of these events are within your reach, you can still wear them to a few Chapter functions, organize your own local fashion show for your own Chapter, or get together with other Chapters in your area and plan a joint fashion show, maybe combined with a local car show as well!

Maybe you're saying, "Nobody in our Chapter knows anything about Model A fashions." Well, just remember, "All knowledge begins with doubt." A place to start in this case is to organize a "Fashion Clinic." Get a copy of the MAFCA *Fashion Guidelines*, comb your old magazine shops, and buy at least one magazine from each year, 1928, 1929, 1930 and 1931. Copy the fashion articles out of all your old issues of

*The Restorer* to use for reference. Organize a tour to vintage clothing and antique stores.

Though, of course, I'd like to get you hooked on Era Fashions, there are still many other facets of our Era that may capture your interest. How about depression glass, Art Deco objects, pictures or furniture, advertising from the Model A years, gas pumps and memorabilia...era toys, banks and dolls. These are only a few of the many fields to explore.

Getting back to Era Fashions, whether you are a novice or consider yourself knowledgeable, there is always a lot to learn, and a lot of fun to be had with Era Fashions. So share what you do know and look for information on what you do not know. And while you're doing this, you will have fun together and make your hobby a more enjoyable and truly fulfilling experience.

As I have said before, you will find that entering a fashion show is not only fun, but a learning experience - especially for the novice! It is a fun experience to show off your outfit, whether it is correct or not, and you will learn what is wrong with it and how you can make it correct. Don't forget, when a judge grades you down, she must state why. This is very helpful. I remember when I first entered a fashion show, of course I did not win a trophy, in those days they did not tell you what was wrong, so I had no idea what to do to make my outfit correct. This has now been changed which has helped everyone. So, get an outfit together and plan to enter every fashion show you can. When you are a contestant, you have a ringside view of everyone's outfit. Talk to them, you might learn something...and you might even make a new friend!

*Author's note: Most of this article appeared in The Restorer about eight years ago, when I first wrote it, but it needs to be repeated now and then, for those who didn't see it the first time around.*

(Thanks to "The Restorer" and to Fern Davis)

## OCMAFC SCHOLARSHIP AWARD

Dorothy Knox, Chair

Our first scholarship award has been awarded to **Jonathan Hughes**. Jon is a new member of our club and has showed his solid interest in the Model A hobby. To introduce you to Jon, I have taken an excerpt from his application letter:

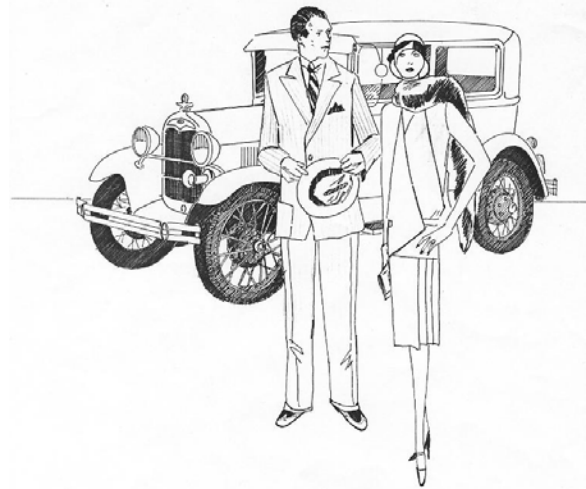

*... My name is Jonathan Hughes and I am 19 years old. My interest in Model A's began on a trip up north to my uncle's house when I was in 8th grade; I found his 1931 Model A Pickup parked outside of his house. I wasted no time and climbed inside and found I could reach the pedals and immediately fell in love with the truck. That was when I decided I needed one like that. So I started my search for my own Model A. It wasn't until 11th grade that I was able to find one in my price range and the kind I wanted.*

*I've been working on it now for almost three years. It hasn't always been the fun that I looked forward to. Sometimes I am lost as to how to fix something or I have to wait until I have the money for the next part, but with the help of many people, I am making great progress. I have successfully rebuilt the engine in one of my classes and it now runs great. Also, with the help of a friend who I work part-time for and who specializes in auto body paint and repair, I have been able to straighten and paint the cab of my truck. I am also grateful to my dad and granddad because of the time and support that they have offered as well.*

*My goal for my Model A truck is to restore it back to factory condition; the way it was when it was owned by the Signal Gasoline Company in the 1930's...*

We were very pleased to present Jon with \$500.00 at our August meeting. The other half of the award will be given when he successfully completes the fall semester and enrolls in the spring semester. Congratulations Jon!

Join us for good food and good company...
