## Notes From Your President Mel Collings. . .

**October 2004**

**President's Letter**

What a wonderful life! Another month of pleasant activities and events.

The biggest event of this past month was the wedding of **Ginger Endy**, our gifted and attractive Treasurer, to **Tim Stone**. Ginger, we want you to know that the thoughts of many of the Club members were with you on your special day. We wish you and Tim many years of happiness together.

Another big event was our Annual Progressive Brunch. We visited the homes of **Shelia Plotkin, Pete and Trish Cruz, and Bruce and Joanie Harris**. We thank all of them for sharing their homes, treating us so well, and serving such delicious food. This is always a very enjoyable event.

Our Fourth Thursday Breakfast was a lot of fun. It is such a pleasant experience to spend a couple of hours visiting with good friends and enjoying a delicious meal. We had over twenty members in attendance in September. Those of you who are not showing up for this activity are missing something special. Let's have more Model A's and Model A'ers in attendance at our next breakfast. Many thanks again to **Terry Collings** for planning these breakfasts.

Coming up in October we can look forward to Wings 'N Wheels and our Mexican Rivera Cruise among other activities. Our appreciation to **Don Miller** for his great work as Activities/Tour Director.

The day after our Fourth Thursday Breakfast, Terry and I came up to our home in Utah. One of our fun activities up here has been making cider using an old cider press that I purchased over 55 years ago from an old farmer/apple grower. We will provide all the cider you can drink at our next General Meeting.

The last couple of days **Merle McClellan and Eddie Martin** have been here riding ATV's with us. Today we rode up on Monroe Mountain to about the 10,000-foot level. The fall colors were spectacular. We also saw some wild turkeys and some deer. What a beautiful world we live in.

Thanks to all of you who do so much for our Club in so many special ways. I encourage more of you to offer to serve in an elective or an appointive position. Remember, our elections are coming up soon. It is still not too late to run for an elective office or to volunteer for an appointive position.

We are thrilled with the many new members who are joining our Club. I encourage some of you long-time members to once again become more active. We miss you!

**LET'S KEEP DRIVING THOSE  
MODEL A's !!!**

## Placerville Tour

Submitted by: Drain Marshall

I read about the Placerville Tour in the MAFCA Magazine "The Restorer". We had just recovered from our Portland, Oregon tour, and since this was half the distance, I talked Doris into registering for this next adventure. We are so happy we did. There was never a dull moment. The first evening we played Bingo and it took three hours of playing to give away the many prizes they had. The hospitality room was filled with delicious treats and various kinds of cold drinks and hot coffee. On Saturday we had a mystery tour. Everyone was given a questionnaire and was asked to answer by going to downtown Placerville and visit the many antique stores, and other businesses and ask them to help you. In the afternoon we went to the Shakespeare Theatre and were entertained by the Hang Town A's to a very funny play. Saturday evening we watched the many Hubley's that were entered. Sunday was the delicious bar-b-cue. Monday morning we were invited to one of the members absolutely beautiful home and had a sit down breakfast. What a treat! This was one of the nicest tours we have ever attended. Joining us were **Don and Colleen Schmidt** and **John and Gwen Riggs**.

## **RIM OF THE WORLD**

Submitted By Colleen Schmidt

**Thursday** morning we met at Sears parking lot at The Village at Orange. Don & Colleen Schmidt and Don and Sally Miller drove their Model A's, while Marion Wavra joined Vince and Joan Mariola (along with Sophia and Gina) in the Caddie, and Bruce and Joanie Harris in theirs. Don Miller led the way. Off he went and out of sight before we even got on the freeway, but he waited for us down the road and we finally caught up with him. We made our usual stop in Mentone for lunch at McDonalds and gassed up the cars.

We all stayed at Black Forest Lodge where Vince and Joan got their usual chateau and Marion and the Millers shared the other. Don and Colleen stayed in an adjoining room while Bruce and Joanie bedded in a cabin across the parking lot. First thing we did after unpacking was head to the store to stock up on some food for the weekend. Later Joanie and Bruce spent some time outdoors reading, clipping coupons and soaking up some sun until we fetched them to come and join the rest of the crew. Joanie came baring a variety of appetizers. Don Miller brought some homemade chili and buns. That, along with the appetizers, was our dinner for the evening. Couldn't ask for more.

**Friday** Joanie & Bruce had breakfast in their cabin and rest of us shared breakfast in Marion's chateau, with Don Miller and Marion doing most of the cooking. We could have all just sat back and Don and Marion would have waited on us all weekend, but of course we couldn't let them do that, so we all tried to chip in and help out. But I'll tell you ladies, Don Miller is not just another pretty face, he's a good guy to have around the kitchen. Later that morning Vince and Colleen took Sophia and Gina for a casual walk to do their jobs and Don Miller did a bit more brisk walk up the hill and back.

We went down to register in the afternoon and ran into Doc & Darlene Ingwersen. We visited for a while and enjoyed some delicious cookies and refreshments made by the Whittier group. That evening we had popcorn and snacks at Vince and Joan's and ate dinner out.

**Saturday** morning Don and Colleen participated in the gymkhana while Vince, Don M., Sally, Joanie and Bruce looked on. Afterwards Bruce and Joanie hit the garage sales and Colleen & Sally did some shopping.

About 1:30 we all joined the Whittier group along with several other clubs and bought our last minute raffle tickets. Lunch was bar-b-cue chicken or pork on buns, potato salad, coleslaw, backed beans, and cookies for dessert. There was plenty to eat and we all enjoyed it thoroughly. After lunch awards were presented. No trophies for OC this time. There were a lot of good raffle prizes and a 1/3<sup>rd</sup>-1/3<sup>rd</sup>-1/3<sup>rd</sup> cash drawing. We didn't come into any cash, but I think Darlene won something and Bruce came home with a Ford hat. But the big winners in our group were Joanie and Sally, each winning 3 or 4 items, including a hand crocheted afghan for Sally.

This may be the last year at Big Bear as the altitude was starting to affect several people.

The evening was spent sitting around the fireplace chatting. We tried to make a no politics or religion rule, but I'm afraid that didn't work out. We all shared appetizers and Colleen made some peach cobbler topped with ice cream. I was worried because the cobbler wasn't getting done, but Joanie reminded me it takes longer at the higher altitude. I know this sounds like all we did was sit around, talk, and eat, but isn't that what we usually do.

**Sunday** morning we leisurely got ready to head down the hill, stopping again in Mentone where the Schmidt's broke from the group to visit friends in nearby Yucaipa and the rest headed on home. All in all, it was a delightful weekend. No hard luck trophy this time.

## **TECHNICAL SEMINAR**

We meet at Sheila Plotkins house at 9:00AM. Our project will be to service her car and get it running. Her address is: 9371 Portsmouth Drive, Huntington Beach, CA. Ph: (714) 962-2117.

He suggested that someone should make a motion for our club to donate \$1,000 again this year. There is also a Model A Youth Restoration Award (the winner must be the title holder of the car and under 21 years old). Glenn Johnson made a motion to donate \$1,000 to the MAFCA Scholarship Fund, Mark Schwing seconded. After discussion, the motion carried. Mark Schwing made a motion to donate \$250 per year for the 2006 Youth Restoration Fund. John Riggs seconded. Tom Endy mentioned that we should not make a decision now since this will come under the jurisdiction of the 2005 Board. Mark amended his motion to be that we pledge \$500, John Riggs accepted the amendment. The motion was approved by the general membership. Chris Foster announced that the goodies were donated by Ken Dierken and purchased from Costco.

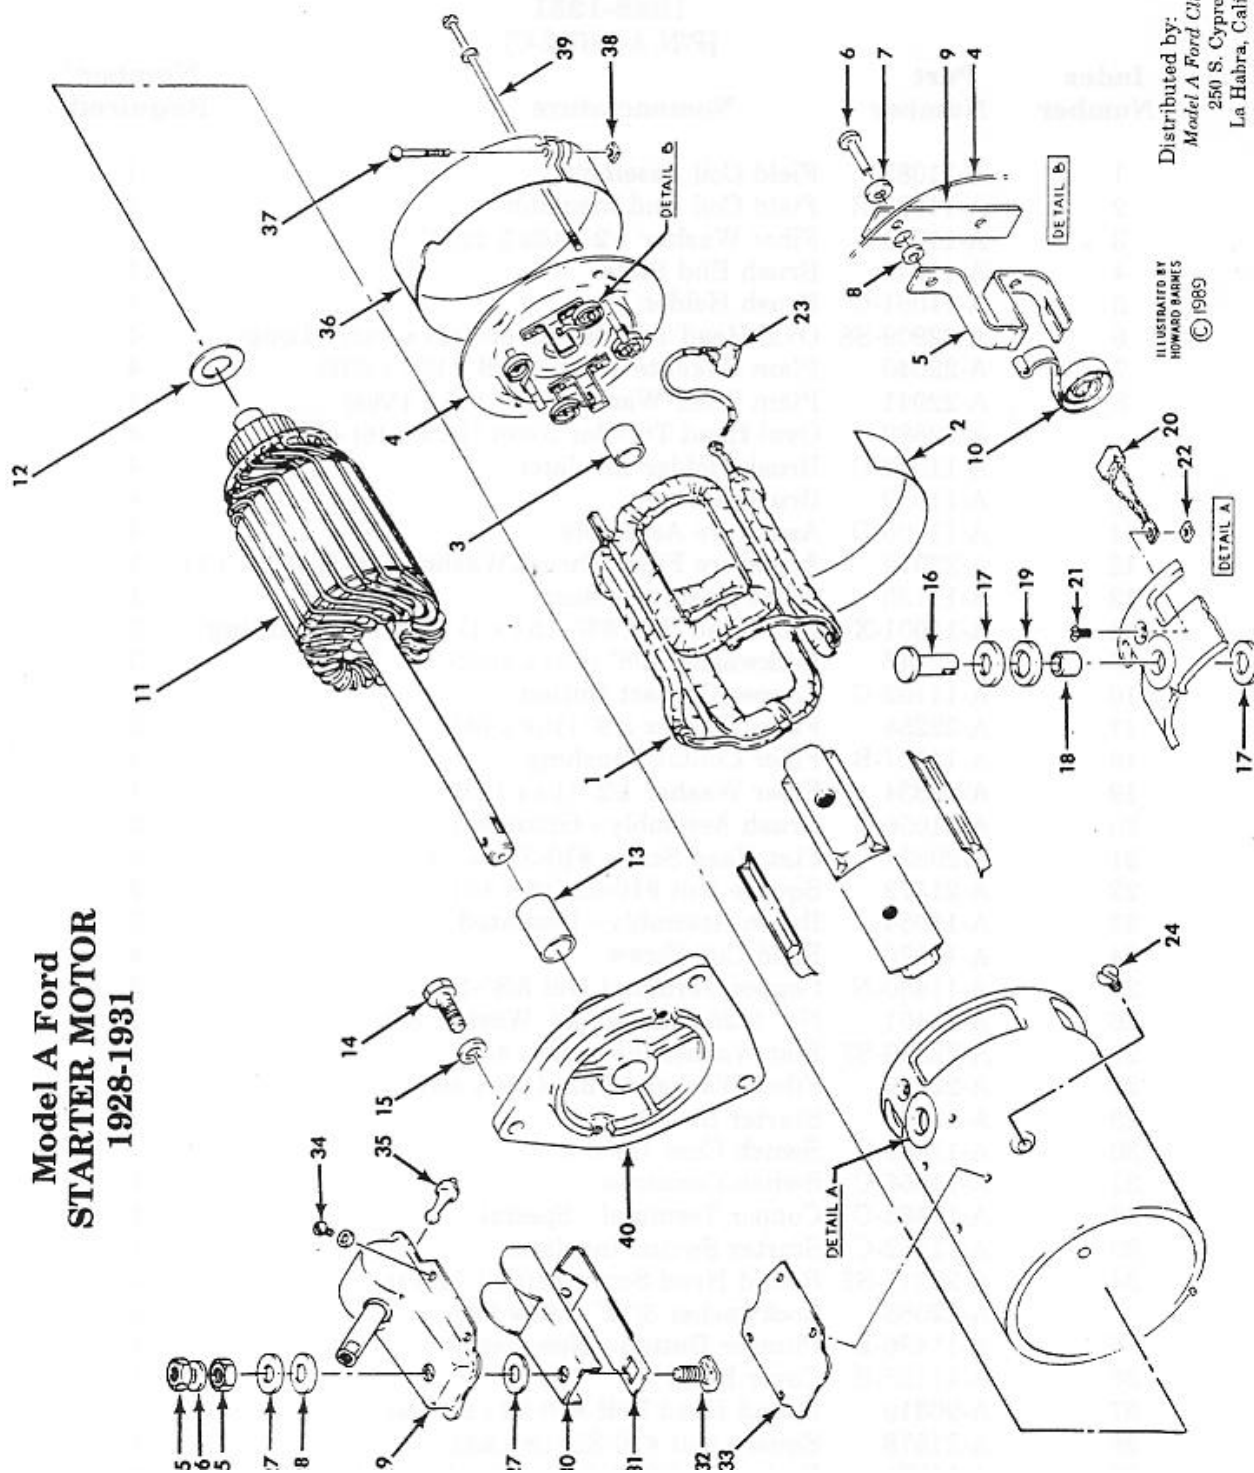

The Shoe Box Swap Meet was held during the break. After the break, the Name Badge winner (Dan Adelman) and Model A driver winner (Dick Smith) were announced. Santa Ana High School Reunion was announced.

## Youth Awards

by Tom Endy

A number of financial awards were presented at the MAFCA National at Portland this past July to young people involved in the Model A Ford hobby. Three \$4,000. scholarships and five \$1,100. cash restoration awards were presented. Detailed information can be viewed on page 17 of the September/October 2004 publication of the Restorer.

### Youth Scholarship Award

Each July a number of \$4,000. scholarships are awarded to youths, headed for college, who are members of MAFCA, children of members, or grandchildren of members. The number of awards granted each year is dependent on the amount of money collected through donations during the previous year. ### Model A Ford Youth Restoration Award

At each MAFCA National (every two years in July) financial grants are given to a number of young people involved in the Model A Ford hobby. The purpose is to encourage and financially assist a young person with the restoration of a Model A Ford. The young person must be a member of MAFCA, be the title holder of a Model A Ford, and be under the age of 21. The awards are a combination of cash donated by numerous Chapters, and gift certificates donated by a number of major Model A hobby suppliers. The amount of the financial award each youth receives is determined by the total amount of cash and gift certificates donated in the previous two year period divided by the number of youth applicants. All legitimate applicants are winners. Applications can be obtained by contacting the program chair person.

## A History of the Orange County Model A Ford Club

Roughly compiled by Bev Marsh & Gwen Riggs

The club was chartered in Aug. 1961 by an avid group of Model A drivers. The small group started out holding its meetings in the Isaac Walton Clubhouse in Santa Ana. The club was active "from the get-go" and took pride in driving and showing their cars. They also participated in many high school homecomings and parades. Main fund-raisers became 2 pancake breakfasts to fund the "Round-Up" which was held for many years at Knott's Berry Farm. After Knott's no longer seemed to want us, we tried many other locations to hold the "Round-Up." Some of the places were Lion Country Safari and Movieland Wax Museum. But, the "Round-Up" was never the success that we had at Knott's.

The club is now well known for its Pancake Breakfast, which is held annually in March. There are approximately 300 A's which attend. It is held at Hart Park in Orange. We also sponsor a swap meet each May at Vintage Auto in Stanton. The club has many knowledgeable members who host and participate in monthly seminars. We have a wide variety of monthly activities (usually including eating, a favorite past time.) We have "hill climbers," touring cars, concourse cars and A's that are "in transition." We strive to be represented at local, regional and national events.

The club is directing a lot of its efforts to supporting the national youth scholarships. We are now also sponsoring a college student each year locally. We participate in other charitable events such as "The Race for the Cure," "Cruise for the Cure" and make donations to CHOC and the The Ely Home for abused mothers and children. The meetings are held at CHOC Hospital in Orange on the second Thursday of the month.
