Notes From Your President Don Miller. . .

November 2005 President's Letter

Greetings:

The year 2005 is fast coming to a close and all I can say is that it has been a learning experience and hopefully next year will go a lot smoother.

Have you sent in your 2006 dues yet? Many of you have and we hope that everyone will before the end of the year so we won't have to follow up with those who haven't paid.

At the last board meeting a budget for 2006 was passed that shows a profit of \$645. It will be very important that we stick to this budget as I estimate that this year we could end up with a loss of \$3,000 to \$4,000. This is unacceptable and we cannot continue to spend without offsetting income.

The Installation Banquet and Christmas Party is on Sunday December 11 which will be before our next meeting, which is on the 3rd Thursday, so please come prepared to sign up and pay \$35 (OUCH!) at the November meeting. I mistakenly thought that we subsidized \$10 last year but I found out it was \$20. We are only subsidizing \$5 this year and we can't do anything about it now but we can certainly discuss how we will handle this next year. I guess we will find out how much Christmas spirit everyone has for this year.

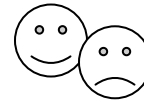

The program for the November meeting will be the "White Elephant Sale". This is a money-maker for the club, so bring stuff that others might want and remember "One persons junk is another's treasure" Carl Erickson will again be our auctioneer. Bring lots of money so you can buy lots of treasures.

We had a Pancake Breakfast meeting with a core group of people to decide a date for next year's breakfast, which will be Sunday

March 26, 2006. Mark Schwing will be taking a leadership roll at the next meeting that will be on Saturday, December 17 at 9:00 AM at Piet Dwingers home.

The Pumpkin Tour turned out to be lots of fun. Some of us came with only a knife to carve the pumpkins while others came with all kinds of aids like patterns, extra parts, special tools, and would you believe, a power jig saw. The results were great and everyone went home happy with their carved pumpkin.

LET'S KEEP DRIVING THOSE MODEL A's !!!

Sunshine & Sorrow

By Jeanne Parrish

Congratulations to member Doug Marsh and new wife, Gisele! They were married on Sept. 16th at Lake Tahoe. They bought a home with a 1200 sq. ft. shop & office with two bays. Doug's dreams have come true...a wonderful wife, a new home, & a great big garage/shop for "Harriet"! We all wish them many years of happiness.

Warren Hogan continues to get a bit better everyday. He has had a minor setback, but tells this reporter he is really on the mend. Let's hope we see him very soon. Warren, you better bring Catherine, too. She has been a great caregiver!

It seems our Prez will be undergoing some hip surgery this month. We wish you "Good Luck", Don & a very speedy recovery.

Technical 2005

By Tom Endy

November Seminar:

The November seminar will be held at Glenn Johnson's house on Saturday, November 12, starting at 8:30 A.M. The subject will be kingpin replacement. Kingpins will be replaced on a club member's car. Jim Nichols will conduct the seminar.

Aires Stainless steel water pipes:

I have ordered another quantity of ten part number A8291 stainless steel water inlet pipes. The price is \$12.00 each. Eight were sold at the October meeting. There are two left and they will be available at the November general meeting.

December Seminar:

Due to a crowded calendar and holiday activities, there will be no technical seminar scheduled for December.

Technical Tip:

A fuel leak at either end of the fuel line on a Model A Ford is a common occurrence that is easily remedied. It should be understood that the threads on the fittings at either end do not seal off the fuel, and wrapping them with Teflon tape will not fix the leak. The ferrules on each end of the fuel line are what seals off the fuel. The ferrule is made of soft material and is designed to crush itself into the shape of the seat at the connection boss. After repeated removal of the fuel line connection the ferrule loses its shape and no longer provides a good seal. This is especially true when you install a different carburetor. It is difficult to replace the ferrule, as it will have become pressed onto the end of the fuel line. The remedy is to wrap Teflon tape around the ferrule. Make four wraps completely covering the ferrule, but be careful not to get any tape over the end of the fuel line. The Teflon tape will provide a very good seal to a worn ferrule. Don't over tighten the fitting. I make it a practice to wrap both ends of the fuel line anytime I have removed it from the car. It is also a good ideal to leave the carburetor flange bolts loose until after you have tightened both fuel line fittings. This will ensure good alignment of the fuel line to the connection boss. ©

Halloween at Johnson's Haunted House

Article & photos submitted by Sharon Johnson

On Sunday, October 30 the ghosts and goblins were out in full array. The Halloween Party was a great success. If you want a good time, call, "Tiny Tim" aka John Graves. He brought the house down when he walked in with his falsetto voice and ukulele. We had Elvis impersonators, witches, nuns, convicts, Zorro, the Unibomber, cowboys, scary people with and without masks (right Gerry McKinney!!) and so many more costumes that I cannot even begin to try to name them all. The contest winners were:

Best Woman's Costume: Lynn Neal—She came as Carol Burnett's version of Scarlett O'Hara complete with drapery rod through the shoulders.

Best Man's Costume: Carl Roberts was a flasher, but when he opened his coat he was a skeleton.

Best Couple's Costumes: Diana Stewart and Bill Douglas. He was Frankenstein and she was the Bride of Frankenstein. They were spectacular!!

Everyone brought great potluck dishes, snacks and desserts. I doubt if anyone went home hungry. It was such a nice night that we had people sitting on the patio, the garage and every room in the house.

A séance was conducted in the upstairs bedroom. We tried very hard to reach our "little ghost", but I think all the scary costumes were too much for her. We didn't hear from her until the next night.

Glenn and I want to thank everyone that came to the party and made it such a great success.

We hope that everyone with pictures will please bring them to the club meeting or e-mail them to me at sgj1942@adelphia.net

OCMAFCA General Meeting

October 13, 2005

Submitted by Doris Marshall

President Miller called the meeting to order at 7:40 P.M.

Dale McCall led the flag salute.

Guests announced by **Kenny Dierken: Bill Mezurie, Gary Dial, Charles Cohen, Jim Eliot, and Dennis Le Forge.**

The minutes from the September meeting were approved as printed in The Distributor.

Treasurer, **Diana Stewart**, reviewed the financial report. She stated Membership Dues, Palm Springs Follies, and other checks should be given to her. Approved Budget in the Board Meeting. There will be a \$5.00 subsidy for the Banquet.

Glenn Johnson gave thanks to everyone that helped during the Regional Meeting in Ontario. He announced the Pumpkin Tour would be October 22nd. Halloween party will be October 30th at the home of **Sharon and Glenn.**

The Follies will be November 4th, Friday, a matinee at 1:30 P.M.

The National Banquet will be held in Sacramento on Nov. 27-Dec 3rd. National Director, **George Fontaine** has invited tourers to come by and have Danish and Coffee.

The OCMAFCA annual Banquet will be held on Dec. 11th.

A tour to Massachusetts is being planned. Some may go by train and home by Jet Blue. Others will drive. Sharon would like \$75.00 deposit if you want to join them on the train trip.

Whittier Chapter, Tony, announced Desert Rim of the World in Palm Springs and invited everyone to join them. Selling money tickets 11 for \$10.00 or \$1.00 each. Banquet \$35.00 plus \$5.00 admittance fee. Held at the Ramada Inn. There will be a raffle and a visit to the Palm Springs Airport Museum during the tour. Glenn thanked **Craig and Dan** for the excellent hubley track.

The Old Towne Preservation Association of the City of Orange is asking for cars to park in front of the seven houses on Saturday and Sunday as part of the Historic home Tour. **Richard Parrish** and **Dale McCall** volunteered. **Don** said each one with a car would receive a free pass to view the homes. **Glenn** also said he will be there.

Tom Endy: There will be a Technical Seminar at Terry **Lucas'** home on wood graining. Oct. 15th. 10:00 a.m. There will be a seminar on king pins at **Glenn Johnson's** home which Jim **Nichols** will be hosting. There will be no seminar in December. The January Seminar will be on differential rebuilding. Watch for details.

We may have a seminar on taking apart and putting together a Borg-Warner Overdrive in 2006.

Tom announced the National Scholarship Fund benefits.

Sunshine and Sorrow: Jeanne Parrish

Warren Hogan recuperating from heart surgery.

Sally Miller is recovering from hand surgery.

Gwen Riggs is still getting along pretty good. **John** takes such good care of her.

Don Miller asked if anyone would be interested in taking over Merchandizing. **Jeremy Gaynor** has requested help as it is interfering with his studies.

Editor: Pete Hyland Pete discussed the cost of color pictures on the cover. May try to put the Distributor on the computer. Sharon Johnson was able to download the newsletter in about 12 minutes. This would result in both lesser postage and printing costs. Will advise when more information is available. Deadline for items is October 31st.

Don announced that **Pete** and **Ana** would receive an award for their outstanding newsletter. The award will be presented at the National Banquet in Sacramento.

Terry Collings announced the monthly breakfast would be held at Mimi's on 17th at the 55 freeway. October 27, at 8:30 a.m.

Glenn announced sweatshirts available at a very reasonable price. They are from the Ontario meet.

Lew Lewis: Registration forms are on the web site.

Bev Marsh: So Ca Regional meeting on Saturday at 10:00 a.m.

Refreshments: Chris Foster reported that **Karen Gaynor and Ginger Stone** both brought cup cakes.

Gary and Joanne Discher won the Car of the Month award.

Dick Smith presented the secretary the Distributors for 2004 that were missing from the records. He asked if anyone has any thing for the archives to please let him know.

Charles Cohen stated he brought extra parts for the shoebox sale and all the proceeds will be given to the Club.

Kathie McCall: If you are interested in holding an office, or want to nominate someone, let her know. There will be a ballot for Member of the Year in the Distributor.

President Miller: Car show in Garden Grove Oct. 22nd.

40-year-old wooden trailer 5x8 for sale.

White elephant sale in November General Meeting.

Glenn requested the Hard Luck Trophy be put in **Vince's** front seat. Glenn is making repairs on his car. Everyone approved.

Board approved \$500 for Scholarship to National Fund.

Glenn: Los Alamitos air show. Free: 10/23 Jets and more.

Meeting adjourned 9:15 p.m.

OCMAFC Military Veterans

Jim Nichols U.S. Army 1955-1958

At the age of 20, I entered the U.S. Army in August of 1955 on a “reserved for you” program, which allowed a person to receive the training of their choice after completing basic training. At Fort Ord, California, I was assigned to G Company of the 20th Infantry regiment of the 6th Army for my basic training. I adjusted to basic training pretty fast plus the added benefit of firing all of the different weapons was really exciting. Making sharp shooter with the M1 Garand rifle was fairly easy, since I was on a shooting team for two years with the local police department in West Los Angeles before enlisting.

After completing basic training and receiving a one-week leave I was on a flight to Fort Belvore, Virginia for my advance basic training in Engineering. Fort Belvore is located just south of Washington D.C. in the rolling hills of Virginia. There I received training in many different fields of military Engineering. Upon graduating from the Engineering school, our class received orders transferring us to many different military installations. Three of us received orders to proceed to Fort Benning, Georgia by train the next day. The following day we left Virginia with lots of snow on the ground and woke up the next morning to red color dirt (clay) almost everywhere. Welcome to Georgia!

My two traveling Engineering school companions wound up as truck drivers, while I ended up at the 3rd Infantry Division N.C.O. School of the 3rd Army. There I was put in charge of training aids, graphic designs, and drafting. In March of 1957 I decided to attend the U.S. Army Ranger School at Fort Benning. After passing the entrance tests and successfully passing the three-month training course I graduated in August 1957. I applied for, and was accepted as, an instructor at the Ranger school to teach hand-to-hand combat, basic survival, and demolitions.

While stationed at Fort Benning I met Joanne in September 1957. We were married in January 1958 and after my enlistment was over in August 1958 moved to California where we have lived ever since.

HISTORIANS CORNER

By Dick Smith

This month I'd like to give all members the opportunity to contribute to the history of our club. The following lists are those issues your archives are missing. Please take the time to see if you may have a piece of missing club history.

Bylaws (Missing) 1980. This issue shows the revision committee listed for 1980 on the last page.

ARTICLE X

REVISION COMMITTEE 1980

Steve Balmer
Larry Boef
Jon Heiland
Glen Johnson
Richard Krist
Tom Matthey
Sheila Plotkin.

Note: 1980 Revision Committee will be the last committee shown for this to be a 1980 missing revision. The purpose to have **this** copy is to show what bylaw changes were made to the previous 1972 revision.

Rosters (Missing)

These were 8 1/2 X 11 type written. 1962, 1963, 1964
This may be bound or type written sheets? 1978
Bound rosters. 1986, 1987.

Our archives have duplicates of many years if you have a collection with missing copies you would like to fill or trade.

Pumpkin Tour

Submitted by **Sharon Johnson. Photos on Page 9**

On Saturday, October 22nd, a group of enthusiastic Model A Pumpkin Carvers headed for a Pumpkin Patch in Yorba Linda and picked out the best pumpkins we could find for our Pumpkin Carving Contest.

After careful inspection of all the pumpkins the patch had to offer we made our purchases. Some hearty souls decided to try out the big slides they had set up for the "children". Kathie McCall had quite an adventure on the slide and pretty much convinced the rest of the group not to follow her example.

We headed for our own "private park" in Placentia. It was a small little park that Glenn had reserved just for our group. We set up the food and decided to eat before we started carving our masterpieces. As usual, the food was great and the company better.

Some people are very competitive when it comes to Pumpkin Carving and they even bring props!!

Our contest winners were:

Pete and Trish Cruz, Fran Earhart & Dale McCall

Everyone that came had a great time and we plan on doing this again next year so get those props ready!!

"The Distributor" by e-mail

At the last meeting we discussed the cost savings, which can be substantial, by sending the "Distributor" by e-mail thereby reducing both printing and postage costs. At the moment we will be e-mailing directly to your address but when available, we will be posting it on the club website for all to view and download as desired. One of the benefits of the e-mail method is that all photos can be viewed in color as opposed to black and white on the version that is printed and sent through the Post Office. Please take a few moments to complete the following form, copies of which will be at the November Meeting. Thank you.
