Notes From Your President

Mark Schwing. . .

May 2010

President's Letter

Our 49th Annual Pancake Breakfast held on April 25th was another outstanding success. We served 929 adult and 62 child breakfasts. The adult count was down by 68 but the child count was up by 5. I never did receive an accurate count of the Model A's, Model T's and other classics in attendance but the parking lot was reported to be full with some attendees having to find surface street parking. Feed back on fordbarn.com after the event indicated everyone had a great time.

At least 96 of our members were at the event and helping out in some way or another. That is based on the ticket count for the special OCMAFC drawing for a gift certificate to Mimi's restaurants. My special heartfelt thanks to the following:

Carolyn and Don Ratzlaff for managing the food purchases.
Dorothy Knox for managing the kitchen area.
John Knox for making the car trophies and transporting the grills.
Diana Stewart for chairing the parking effort.
Wade Ratzlaff and Bill Douglas for their event photography.
Don Ratzlaff and Kenny Dierkin for collaborating on the T-shirt art.
Gerald and Cathy O'Brien for manning the T-shirt and merchandise booth.
Jonathan Hughes for the PA system.
My wife Eileen for her efforts in typing raffle prize letters and setting up the raffle.

I would like to thank each and everyone who helped out that Sunday morning. That list would have to be at least 96 names long. Again thanks to all. You are the heart and soul of OCMAFC. The compliments I received from several of the national board members are really compliments to you for the great event.

Our breakfast revenue was down slightly from 2009 but if the silent auction for the donated transmission and bell housing had opened, we would have exceed the 2009 figure. I'll present some detailed numbers at the May meeting

Our 50th pancake breakfast is now less than a year away. We already serve "golden" pancakes so we can't improve upon that. I would love to hear your suggestions as to what specials things we might do to observe the 50th golden anniversary breakfast. My goal is to start much earlier this year in planning for that event. We will have a kick off meeting in September to start that effort. If you have an idea for the flyer and T-shirt design we can get that started even sooner.

As I was thinking about this column, I realized I owned my first Model A before OCMAFC was formed. In 1956, with a loan from my mother, I purchased a 1931 Deluxe Coupe for \$125. By way of comparison, roadsters were in the \$400 to \$450 range back then. The seller of the car called me late the first evening I had the car saying he forgot to tell me he didn't have any anti-freeze in the radiator. Although it was in a closed but not heated garage, the water still froze and I had a cracked head the next morning. A Saturday trip to a nearby junk yard and I had another head for less than \$5. The first summer, I drove that car 40 miles every day to my job as a lifeguard at a popular lake swimming area. It never missed a beat.

OCMAFC General Meeting

April 8 2010

Tissy Hatcher,

56 members in attendance; 1guest

The meeting was called to order by John Knox and the flag salute led by Joe Goff.

Visitors: Doris Marshall introduced Karl Kreutziger. Karl has a 1929 Standard Coupe that he gave to his grandson. They plan to restore it together. Both Ed Schafer (who has a 1931 standard coupe) and Ozzie Zimmer (with a 1929 pickup closed cab) joined the club last month. Walt Otto is our newest member and he is looking for a Model A.

Minutes: Approved as printed in the Distributor without comment.

Treasurer's Report: Joe Goff presented the Treasurer's report.

Roster Drawing: Richard and Marion Miller won \$30 in this month's drawing.

Activities: Rick Hall gave a great technical seminar on the steering wheel restoration at the meeting. There will be no tours or technicals in April.

At the board meeting on 4/8/10, it was clarified that a signup sheet is the criteria for determining whether members will get points for attending events.

The Mayor of the City of Los Alamitos presented a thank you plaque to people who participated in the 50th Anniversary Parade on 3/27/10.

Upcoming Events: On 5/8/10 John Knox will be heading up a "Garage Tour" of several members' garages. The tour will begin at 9:00 am at the Mall of Orange.

A seminar on valve adjustment and head installation of an A400 convertible sedan will be held at 9:30am on 5/15/10, at Phil Joujon-Roche's home, 450 Via Vista, Anaheim.

There will be a tour of Mt. Baldy (stopping for lunch) and then onto Glendora Mountain Road on 5/20/10, to begin at 9am at The Villages, lead by John and Dorothy Knox.

The cruise for a cure on the last Saturday in September for prostate cancer will count as a club tour.

Pancake Breakfast: Mark Schwing will be back on 4/13. We are looking for additional volunteers for the kitchen, which is the hardest job and where we need the most people. Dorothy Knox feels we need a minimum of 15 people cooking, plus people for clean up, loading, condiments, drinks, etc. Unfortunately, Jim Nichols and family won't be attending. That leaves a hole for the cooking crew. People should be there by 5:45am, with breakfasts beginning at 8am. Flyers are available for the pancake breakfast. Please recruit your friends in the club and non-members. Ask them what they would like to do? Wear your t-shirts to the breakfast.

Miscellaneous:

Richard Parrish felt his 160C was a fair trade. The car is not perfect, but very nice.

Sunshine and Sorrow: Jeanne Parrish reported Jim Jackson, a relatively new member, had a hospital stay and is home now. Patty Jeffries had surgeries. Chris Foster had cancer surgery but will be back soon. Jerry O'Brien had recovered so quickly he is back to meetings. Richard Higgins had surgery on his finger. Bruce Harris tripped and broke several fingers and now has a cast.

Monthly Breakfast: No report.

Winnie Ruth Judd

by Tom Endy

In October of 1931 the cities of Los Angeles and Phoenix were involved in two murders that became known throughout the country as the notorious “Trunk Murders”.

Winnie Ruth Judd was the 26-year-old daughter of a Methodist minister, and the wife of 56-year-old physician Dr. William C. Judd. The Judd’s had moved to Phoenix from Indiana in 1930 because Winnie was suffering from tuberculosis. Dr. Judd was unable to find work in Phoenix, so in the summer of 1931 he moved to Los Angeles where he found employment at a clinic. Winnie stayed behind in Phoenix due to her health.

Winnie Ruth Judd

Winnie had begun an affair with Jack Holloran, a prosperous lumberyard owner, who was married and had three children. Winnie had also befriended two women, Agnes Anne LeRoi and Hedvig (Sammy) Samuelson, who were for a time her roommates. Jack Halloran was apparently involved with these two women as well.

Little is known about what actually happened on the night of October 16, 1931. Winnie allegedly shot the two women to death with a pistol at their residence. She would later claim it was self-defense. The motive apparently had something to do with Jack Halloran.

Agnes LeRoi and Hedvig Samuelson

The next morning the body of LeRoi was placed in a large trunk. The body of Samuelson would not fit in the trunk so it was dismembered and parts were placed in a smaller trunk. The remaining parts were placed in a small valise.

Two days later at the Phoenix Union Station Winnie bought a ticket to Los Angeles and checked the two trunks through. She carried the valise with her on the train.

Upon arrival at Los Angeles Union Station, Winnie attempted to reclaim the trunks. However, by then a terrible odor was coming from one of the trunks and it was leaking a vile fluid. When the baggage claim agent insisted Winnie unlock and open the trunks she fled the scene. Five days later, at the urging of her husband Dr. Judd, Winnie surrendered to the Los Angeles police.

Winnie was extradited to Phoenix and stood trial for the murder of LeRoi. She was convicted and sentenced to death. Seventy-two hours before the scheduled execution on February 17, 1933, the warden requested a sanity hearing. Winnie was judged to be insane and committed to the state mental hospital. Winnie was never charged for the murder of Samuelson, the one who had been dismembered.

Over the next 40 years Winnie escaped seven times. She would be gone for days and weeks at a time before she was recaptured. In 1962 she escaped for the last time and was gone for over six years before she was discovered and apprehended. During the time she lived in Piedmont, California under the assumed name of Marian Lane and worked as a housekeeper for a wealthy family. Winnie was returned to the Arizona state mental hospital, where in 1971 the governor of Arizona paroled her.

Winnie returned to California and lived for a number of years in Stockton before returning to Phoenix. She continued to live under the assumed name of Marian Lane. She died in her sleep on October 23, 1998 at the age of 93.

Dr. Judd remained married to Winnie until his death in 1947. Jack Halloran was implicated as an accessory to the crime, but was never charged. Winnie claimed that Halloran and an accomplice dismembered the body of Samuelson, and cleaned up the mess at the murder scene. It was also suspected that Halloran actually committed the murders. However, the allegations were never substantiated. The duplex where the murders were committed at 2929 N. 2nd St. in Phoenix still stands today according to some historians. †

May 8 (Sat.) GARAGE TOUR -- THE FINAL CORRECTED INSTRUCTIONS [HOPEFULLY]

Our STARTING POINT will be at 9:00 at Ed and Patti Cote's garage and garden, 2435 Bonnie Brae, Santa Ana 92706 (714-542-6161). Ed has 3,000 sq. ft. of collectibles. Remember the antique dingy fishing boat at the breakfast? That and lots more. Ed also has a extensive collection of Body Armor and era weapons. And Patti's beautiful garden is a joy to see.

We will then tour to Tustin to Dennis Griffin's garage to see the **largest private collection of Model A era signs you would ever hope to see.** **DON'T MISS IT!!!**

Lunch will be at Piet and Judi Dwinger's home. We will see the Model T that he beautifully restored and that he and Judi drove as a fresh car in France. In his small garage he **even did his own plating** and most of his engine work. We will have lunch there potluck style, so bring something to share. **Let him know if you want the BBQ fired up** for our arrival.

[<ModelADoc@socal.rr.com>](mailto:ModelADoc@socal.rr.com)

Since we need to prepare space for lunch. Please, Please, let us know how many are coming in your party,

not just a last name.

After lunch we will drive through Anaheim Hills to new member, Phil Joujon-Roche's home, and get peek at our next weeks technical challenge before heading home.

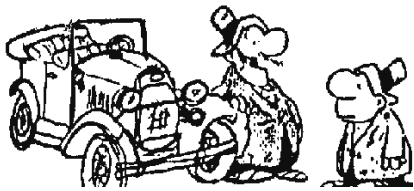

R.S.V.P via this email to knoxbox59@aol.com as we will be gone until just before the tour. Or, phone 562-418-9643. Hopefully we will be joined by a few Model T's and members of other clubs.

April Roster Drawing (Don Ratzlaff)

Well what do you know; there was a winner for the April Roster Drawing.

Richard and Marion Miller were the lucky recipients of the \$30 prize. That means the May drawing will be back to \$10 and perhaps it will be unclaimed and grow; then again, maybe not. I know you can hardly wait to find out! It will all be revealed on meeting night May 13th; see you there.

MORE CAR BARN SPECIALS

FOR SALE: 1930 170-B Fordor

This Car is 1930 blind-back Briggs -bodied 2-window Model A Ford Fordor. This car has been mine for 35 years and has always been garaged. Most of that time, I delighted in driving her. Shortly after I began to take the sedan apart for a long-anticipated restoration, I became sufficiently disabled as not to be able to work on the car any longer. She is a definite project car, but a good one. Much to be done, but well worth the effort. Though I cannot work on her and will miss her terribly, I owe it to this much-loved Fordor to find a home where she can be treated to a restoration. Asking \$5000 but will consider reasonable offers. Car can be seen on my website (www.mellow60s.com) under Auto Gallery/1930 Ford. I also will provide any who are interested good photos of her as she is now.
