Poker Run Fun (agent orange)

It was a dark and stormy night, unfit for man or beast OR Poker-Run Participant. The leaden clouds devoured the waning moon and I slept a fitful night awaiting the dawn.

I awoke with a start, my bedroom flooded with the brilliant light of the rising sun. The sky was brilliant blue, the storm forgotten. Frank Mowrer picked up his loaner "Slant" and I fired up the Sport Coupe for a freeway run to Brea and the start of Don's poker run.

My expectations were low after last night's deluge and the prospect of rain. What was he thinking? I walked through the door of the restaurant and was greeted with a blaze of orange jackets, and hats. Ratzlaff's rascals were out in force. Even my friends from Harbor Chapter Elaine and Mirco Pisu came to join in the fun.

The jubilant crowd consumed their sumptuous coffee and bear claws as they socialized and met with new and old friends. Then it was time to leave; Don & Colleen Schmitt rode with us, Darwin and Trent rode with Frank, Greg & Fran Earhart rode with Don & Carolyn Ratzlaff, John & Dorothy Knox drove their 31 fordor, Kathie and Dale drove their 30 fordor, Joe & Esther Goff drove their 29 Special Coupe and Arthur Wright drove his 30 Coupe with his daughter Sabrina and son. In modern cars we had Karen & Jeremy Gaynor, Diana & Bill Douglas, Red and Mimi Sickman, Pete & Harriet Pavidis, Pam Heiland, Shelia Plotkin, Bev Marsh and Mark Schwing.

We embarked on our tour of Orange County discovery with a first stop at the Muckenthaler Mansion in Fullerton for a Kodak moment in the circular drive. The mansion is now a museum and event site with popular events.

The tour progressed to the city of Anaheim past the mother

colony house and a gorgeous 1894 Queen Ann Victorian house. They are now remodeling the area and calling it Founders Park. The scenic tour continued past the Sunkist orange packing house and CW Moss in the city of Orange, our clubs' past meeting place (the

Santiago Elementary in Santa Ana), past the historic old court house and the 1899 Howe- Waffle House named after a lady doctor who lived there. The "pay potties" at the McDonalds rest stop proved to be daunting.

President's Letter March 2011

WOW! A lot of you were at the February meeting, the poker run, 4th Thursday breakfast meeting and the 1st Saturday BS breakfast meeting. The club is vibrant with your enthusiasm and camaraderie. Thank You!

The board is working well together making small changes and big decisions during this 50th anniversary year of our club. Only 4 weeks remain until our fantastic 50th Pancake Breakfast. Sign up for breakfast duty at the meeting. Some of the tasks are short in nature and you might want to sign up for 2 or more at different times, such as setting up kitchen and raffle prizes or papering the tables and cleanup.

The flyers are printed, commemorative license plates are ordered, buttons on the way, tee shirts and hats are in the mill, griddles reserved, food ordered and 780 chickens are assigned to just our egg requirements. Sign up at the meeting, polish, tune and gas up your Model A, catch up on your sleep and be at Hart Park at 6 AM March 27th. **Ladies and Gentlemen, We Present the One and Only Orange County Model A Club Pancake Breakfast.**

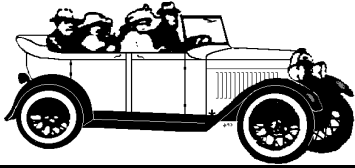

Do we have your current e-mail address? Are you receiving notices of activities? Are you receiving your *Distributor* much quicker with pictures in vibrant color by e-mail? Read it cover to cover. You'll find stories of tours, meeting minutes, convenient contact information, haves and wants ads and pictures. You can't miss Don Ratzlaff's articles or you may miss one of his highly acclaimed tours. Volunteer to help him. I understand he was short of poker dealers at the last tour. Who knows what he may need next?

What do you need to drive your Model A to the meeting or the next tour? Jerry O'Brien is waiting by the phone for your call to assemble a seminar on that very problem.

If you would like to host a board meeting, we are looking for varied locations throughout the county so members can occasionally attend a meeting close to home, and you will see the board in action right there in your home or business. Board meetings are held on the 1st Thursday of each month at 7:30 PM. There are no special requirements. We just need enough room for 10 or 12 people 1 1/2 to 2 hours of time. Let me know what month you would be interested in.

See you at the 1st Saturday breakfast meeting, the Laguna Beach parade, or for sure, the general meeting on Thursday March 10th at 7:30 for the meeting, 7:00 for socializing. Hopefully we will have 50th anniversary tee shirts and hats at that time.

Richard

Activity Schedule

NEXT MEETING: March 10, 2011

7: 30 PM at CHOC

Deadline for next *Distributor* is March 30, 2011

Type or write all articles and ads and e-mail to:

newsletter@ocmafc.org or prhyland@att.net

Or mail to: 244 No Goldenspur Way,
Orange, CA 92869-4422

2011 TOUR/ACTIVITIES CALENDAR

Mar 3 (THURS) Board Meeting- 7:30PM
Spiro's Restaurant 913 E. Chapman Avenue Orange CA. (Please see note Richard's article on page two regarding future Board meetings).

March 27 (SUN) Orange County 2011 Pancake Breakfast---Mark the date and plan to be there for our 50th Anniversary celebration!!! (Please see Page 10).

Apr 7-10 (THURS-SUN) Laughlin Tour in Laughlin, NV. A great weekend in Nevada.

Apr 8-10 (Fri-Sun) Youth Expo at the O.C. Fairgrounds (10:00-5:00). We will have a booth with two cars on display each day. We could still use more volunteers to help man the booth, just 2 hours of your time. This is an opportunity to help stimulate the interest of youth in the Model A Ford.

April 19 (THURS) MAFFI work party at Bob and Martha Trousil's in Downey His Telephone Number is: 562-861-7469

May 15 (SUN) Hubley Races in Temecula

May 21 (SAT) SCRG meeting in Upland at Art and Olive Moore's home.

May 27-30 (FRI-MON) NCRG For details please call Bev Marsh.

June 5 (SUN) Antique Nationals in Fontana

June 26 (SUN) Henry Ford Picnic at Heritage Park

July 15-17 Wings and Wheels in Solvang This is your opportunity to spend a weekend touring to the beautiful Santa Ines Valley. It is a chance for fun tours, good food, and a chance to ride in a vintage airplane. Go ahead and reserve a room at Pea Soup Anderson's for \$113.00 plus tax per night. Sheila Plotkin has set aside a block of rooms under the name of the Orange County Model A Club. More details to follow. Call Bev Marsh for details.

Jun 27th-Jul 1st ((MON-FRI) MARC Meet in San Diego **Sep 10 (SAT) International Model A Day**—Be sure to drive your Model A!!!

Future Activities: Since the Pancake Breakfast (50th year celebration) is planned for March; no additional tour-type activity is currently planned for that month. **However, if someone would like to organize an activity for early in March, please do.**

There are nine additional months (April through December) that need activity leaders/coordinators. We will have a sign-up for the respective months at the March general meeting. We have a resource book available if an idea is needed. **Please step up and be the envy of your fellow OCMAFC members! Thanks!**

Don Ratzlaff

Les Redfields Pickup enhanced with the mastery of Don Ratzlaff

Poker Run Fun (Continued from Front Page)

Prentice Park and the zoo were on our way to the City of Tustin and the historic Stevens House, another Queen Ann Victorian House; then on into Irvine, past the great park balloon ride to our final destination of Knowlwood; the home of world famous hamburgers. It is at the location of the original town of Irvine and is built into the old lima bean silos. The food was good, the company better, and when the appetites were satisfied, we retired to a quieter area to deal and process our poker hands. The dealers dealt out the hands, the participants presented their best combination which was recorded on the master list and the time came for the grand revelation, the winning hands. Sabrina Wright had the 1st place winning hand of 4 of a kind, Colleen Schmidt: 2nd best with a flush, Jeremy Gaynor: 3rd best with 3 of a kind and Mimi Sickman: 4th best with 3 of a kind. We returned our passengers to their cars in Brea, then headed home and pulled the Model A's into the garage; **at that moment the rain started.** The end of another perfect day with good friends, getting the Model A's out, seeing interesting things and eating good food on a well planned and executed club.

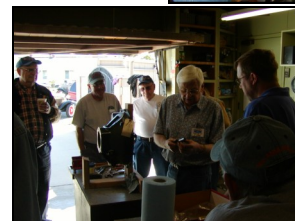

Bell Housing Seminar Feb 12, 2011

About 25 club members gathered at Tom Endy's home for a seminar on coffee, donuts and, oh yes, a great seminar on how to restore a bell housing. Tom had set up two bell housings—one unrestored and the other was set up to rebuild. It was all cleaned and ready to go.

The first matter to resolve was how to dismantle the unrestored housing and then to put new parts in the cleaned bell housing. It was "hands on" for anyone who wanted to try their skills along with an explanation by Tom about each part and how it was fitted correctly into the new housing.

Net result—A lot of club members learned something and a bell housing got rebuilt. Some lucky person will get a "brand new" restored bell housing.

Thanks, Tom— for another great seminar!!

(Please see page 6 of this issue—it's all about building a stand for holding a bell housing.)

OCMAFC General Meeting Minutes

February, 2010 Tissy Hatcher

Time: 7:32 pm **Location:** Children's Hospital of Orange County, 62 members in attendance

The meeting was called to order by Richard Parrish and flag salute led by Don Goodman.

Visitors – Doris Marshall advised it is Derrel Golligh's birthday. He is looking for four brake drums. Doris welcomed Bob Hawkins' sweetheart, Marilyn Singer to tonight's meeting, along with our newest member, Sheila Johnson. Sheila has owned a 1929 coupe for 20 years. Warren Hogan returned tonight after a long absence. Terry Hardgrave and Karen and Jeremy Gaynor are back too.

Minutes – Approved as printed in the Distributor without comment.

Treasurer's Report - Joe Goff presented the Treasurer's report. It was approved.

Distributor's Report – Pete Hyland advised articles for the Distributor are due by the end of the month. Pete presented the roster mock up; the roster is going to the printer tomorrow. 56 members have signed up to have the Distributor sent to them via email.

4th Thursday Monthly Breakfast – Terry Collings advised the next breakfast will be held on 2/24 at 8:30am at the **Original Pancake House** on Lincoln in Anaheim.

Scholarships – Carolyn Ratzlaff informed the membership there is \$1,000 in scholarships to be given out. Children and grandchildren of members are eligible. The deadline for applications is 6/15.

Technical Director's Report – Tom Endy will be doing a seminar on the bell housing at 9am on Saturday. Come for education, coffee and donuts.

Activities – Don Ratzlaff advised there was a great turn out for the 18 mile "Model A Motoring Menu Mania Tour", with approximately 50 people attending! Clipboards are up front for Wings & Wheels; the poker run on 2/19 (going from north to south Orange County, with no freeway driving); Fabulous Fords Forever at Knott's Berry Farm; Hot August Nights in downtown Long Beach; Laughlin tour; and Pancake Breakfast sign up sheets. The Palm Springs Follies will be in November, depending on the interest. The Breakfast Scuttlebutt had their first meeting and was attended by about 20 people; many topics were covered. Colleen Schmidt announced the Youth Expo will be on April 8, 9, 10th at the Orange County Fairgrounds. They still need a few more people to sign up for the 2-hour shifts. Domonic Cimarusti has been a great help at setting this up. There is no cost to club members to attend. John Graves advised the Laguna Beach Founder's Day Parade starts at noon on 3/5. Please be there by 10:30am. Bob Jeffries and Ed Cote went to the Irvine Ranch and asked about a tour of the ranch. A lot of it is under restoration at this time. They were impressed by Ms. Irvine's saddle, along with one of the family coaches and many other items. Ms. Irvine said she will call to set up a tour, along with one of the old Santa Ana Courthouse.

Sunshine and Sorrow – Jeanne Parrish reported the happy news that Carolyn and Don Ratzlaff have welcomed twin grandbabies. Carolyn has photos ready to pass around! Wayne Wiedle got a new hip and is doing well.

Merchandise – Jerry O'Brien presented the merchandise we have on hand and advised more hats are on the way.

Monthly Roster Drawing – Larry and Patty Boef's names were called, but they were not present so the \$60 rolls over to next month's drawing.

Southern California Region – Bev Marsh advised Sheila Plotkin will be handling the meeting on 2/12.

50th Anniversary Party: This event will be held on 8/27 and will be free to current members of the club. We would like to get in touch with old members who have dropped off the roster. If you have a current address or email for them, please advise either Tissy Hatcher or Bev Marsh. Mark your calendars for this event!

Hard Luck Trophy – Frank Mowrer was awarded the trophy for his 1929 engine with a crack in the block.

Pancake Breakfast – Dorothy Knox hopes everyone has signed up for some job. Dorothy introduced the various chairs. Being involved in this event is great fun for everyone. People will start arriving at 6am to help with covering tables, griddle set up and supply unloading. Raffle prizes will be set up at 6am. There will be 100+ great prizes. Don't forget we will also need assistance with clean up – if you are there at 11am, look around for who needs help. Mark Schwing is receiving all the donations for the raffle. If you don't want your name included as part of a donation, let him know. In addition to the regular raffle, there will be a premium raffle. The park reservation is confirmed. We need to remind Mark Schwing to ask to have the water in the creek turned off. T-shirts will be available for sale at next month's general meeting.

Old Business – None.

New Business – None.

Education – None tonight.

Bell Housing Stand

by Tom Endy

A simple wooden stand made from a 2X4 makes it much easier to work on a Model A Ford bell housing. It also provides a good place to store an extra bell housing. One five foot length of lumber will build one stand. The hardware used are 5/16" lag and hex bolts.

The 2X4 is cut into four pieces. The Tall vertical piece is 21", the cross piece is 18", the base is 12", the piece on the end is 8" with the top cut at a 1/2" angle. The 8" piece is optional and is used to support the weight of a transmission if one is attached.

Newly constructed bell housing stand.

The large hole (1 1/8" diameter) offset at the center of the tall 21" vertical piece is to provide clearance for the nose of the input shaft if a transmission is attached. It is drilled only partway through.

The critical dimensions are the hole for the mounting of the top of the bell housing. It is drilled 1 5/8" from the top and 1" from the right edge on the back side. A 3 1/2" hex bolt is used at this location. The large hole for the transmission input shaft nose is drilled 9 1/4" from the top, and also 1" from the right edge. The bottom mounting hole for the bell housing is determined after the bell housing is in place on the top mounting bolt. The 1 1/2" lag is used to secure the bottom.

The other lag and hex bolt holes are drilled to accommodate the attachment of the four pieces. Care should be taken so that none of the attachment bolts conflict with one another. The use of carpenter's glue during assembly adds strength to the stand.

Bottom side of stand. Care should be taken so that none of the five attachment bolts conflict with one another.

Mounted bell housing with transmission housing attached.

Required hardware (all 5/16")

- 5 - lags bolts @ 3"
- 1 - lag bolt @ 1 1/2"
- 3 - hex bolts @ 3 1/2"
- 3 - hex nuts
- 12 - flat washers

FEBRUARY ROSTER DRAWING

Are you listening? The name drawn from the 2011 club roster was Boef (Larry and Patty); sadly they were not present to claim the \$60 prize. Of course this means that March drawing will be for \$70. Will yours be the next name drawn? Remember, you must be present to claim the prize! See you in March!

Don Ratzlaff

SWAP MEETS

Mar 13th (SUN) Long Beach Swap Meet at Long Beach veterans Stadium

Apr 10th (SUN) Long Beach Swap Meet at Long Beach veterans Stadium

Sep 25th-26th (SUN-MON) Paradise Swap Meet at Western Regional Little

THE 1ST SATURDAY MODEL A BS (BREAKFAST SCUTTLEBUTT) SESSION

Don Ratzlaff

Well, on 5 Feb, we had our 2nd BS session at Spiros in Orange. The turnout was impressive with about 20 attendees. The conversations generally pertained to Model A topics and seemed to involve everyone present. After breakfast, several of us journeyed up to Rick Hall's to look in on his Vicky restoration project. The resulting opinion was that he has done an outstanding job with the paint and body work. It looks like the next phase will be the interior upholstery and appointments; way to go Rick.

MARCH ACTIVITIES

Pancake Breakfast

Of course the 50th annual pancake breakfast is set to be held on the 27th of March. Volunteer signup sheets will be available at the March meeting. Don't forget to sign up to help make this another successful event.

Laguna Beach Founders Day Parade

Saturday the 5th of March is the date of the annual "Laguna Beach Founders Day Parade". This parade is special to our member John Graves; his late wife Alice was instrumental in originating the founders day celebration. John had a signup sheet at the February meeting. If those of us that signed up wish, we can leave from Spiro's Restaurant, 513 East Chapman Avenue, Orange, CA at 9am on Saturday morning. The Parade typically involves our participation from 10am to 1pm and will be an enjoyable time spent. You can be a parade-participant in your Model A or a member of the crowd if you drive your modern car.

THE 1ST SATURDAY MODEL A BS (BREAKFAST SCUTTLEBUTT) SESSION

It's set for 8am, the morning of March 5th, at Spiros Restaurant, 513 East Chapman Avenue, Orange, CA. So bring your problems, solutions and innovations for a general discussion with your fellow OCMAFC members. See you there.

New Members

Welcome—we are glad you could join us!

Sheila R Johnson

15531 Roper Avenue,
Norwalk, CA 90650 (H) 562-9212-2824
1929 50-A Sport Coupe

TOOLS TO LOAN

I am working on updating the list of members that have tools to loan other club members. Please email me, Derrel Gollihugh at ddgollihugh@verizon.net and tell me what special tool you have for Model A's that you are willing to loan. He will put together a list that will be added to the web site and listed in the DISTRIBUTOR.

I talked with several club members during the Saturday Morning meeting and the last general meeting and they think this is a good idea. I also talked to our new President and he likes it as well. So, talk with them first— maybe there is a better way!

Derrel Gollihugh

Southern California Region Meeting

The SCRG meeting was held at Sheila Plotkin's home on Feb. 12th. Election of officers was held and Bob Trousil, Elaine Perry and Diane Frazee all agreed to continue in their positions. The regular agenda was covered. Bob Trousil spoke of how beautiful the restoration is coming along on the MAFFI sedan (slated to wind up at the MAFFI museum in Mich.) More parts are still needed (can be written off on your taxes.) I will bring a list to the next meeting. Our club members need to participate in this restoration. There were people from San Diego to Torrance at the last work party. It is a great opportunity to meet MAFCA members from other areas. The next work party is on April 19th at 9 a.m. at the Trousil's home. His number is (562) 861-7469. Lend a hand and have some fun while doing so! The next SCRG meeting will be held at Olive and Art Moore's home in Upland on May 21st. All are welcome!

Bev Marsh

Join us for good food
and great company...

Fourth Thursday Breakfast Bunch

March 24 8:30 a.m.

(714) 968-0652

Info--Terry Collings...714 970-7194

Sunshine Only

By Jeanne Parrish

It has been great to see some old members attending meetings & tours, i.e. Harriet Pavidis, Mimi Sickman, Jeremy and Karen Gaynor, new member Darwin Kibby and son Trent. Even Harbor MARC/MAFCA was represented at our Poker-Run. Mirco and Elaine Pisu drove down from Torrance and joined in for a fun day. Elaine was seen helping deal some of the poker hands.

Warren Hogan was at the February meeting. Everett Pearce has been attending meetings and coming to 4th Thursday Breakfasts.

We sure have missed all of you. Now you all come back again real soon, you hear!

HISTORIANS CORNER

By Dick Smith 3/11

History tells us that mankind created tools. Later Henry Ford created hand tools to work on our Model A's. I have compiled a list of handy tools, along with the current description of many commonly used shop tools needed to keep our Model A's happy and to do a few chores around the house to keep Mrs. Model A guy happy too.

A Drill Press: A tall upright machine useful for suddenly snatching flat metal bar stock out of your hands so that it smacks you in the chest and flings your beer across the garage, denting the fender you just straightened at the fender seminar.

Wire Wheel: Cleans paint off bolts and then throws them somewhere under the work bench with the speed of light. Also removes finger prints and hard earned calluses from fingers in about the time it takes you to say, 'Oh sh--!'

Belt Sander: An electric sanding tool commonly used to convert minor touch up jobs into major refinishing jobs.

Pliers: Used to round off bolt heads. Sometimes used in the creation of blood blisters.

Vise Grips: Generally used after pliers to complete the rounding of the bolt heads. If nothing else is available, the can also be used to transfer intense welding heat to the palm of your hand.

Oxyacetylene Torch: Used almost entirely for the lighting of various flammable objects in your shop on fire. Also handy for igniting the grease inside the wheel hub out of which you want to remove a bearing race.

Hydraulic Floor Jack: Used for lowering your Model A to the ground after installing those new brake shoes, hence trapping the jack handle firmly under the bumper.

Two-Ton Engine Hoist: A tool for testing the maximum tensile strength of everything you forgot to disconnect.

Band Saw: A large stationary power saw used in most shops to cut good aluminum sheets into smaller pieces that more easily fit into the trash can after you cut on the inside of the line instead of the outside edge.

Pry Bar: A tool used to crumple the metal surrounding that clip or bracket you needed to remove in

order to replace a 50 cent part.

Now I'll describe the tools needed for Mrs. Model A Guys repeatedly requested projects.

Skill Saw: A portable cutting tool used to make studs too short.

Hacksaw: One of a family of cutting tools built on the Ouija board principle...It transforms human energy into a crooked, unpredictable motion, and the more you attempt to influence its course, the more dismal the outcome.

Table Saw: A large stationary power tool commonly used to launch wood projectiles for testing wall integrity.

Straight Screwdriver: A tool for opening paint cans. Sometimes used to convert common slotted screws into non-removable screws.

Phillips Screwdriver: Normally used to stab the vacuum seals under lids or for opening old-style paper and tin oil cans and splashing oil on your shirt; but can also be used, as the name implies, to strip out Phillips screw heads.

Hose Cutter: A tool used to cut hoses too short.

Utility Knife: Used to open and slice through the contents of cardboard cartons delivered to your front door: works particularly well on contents such as seats, liquids in plastic bottles, collector magazines, refund checks, and rubber or plastic parts. Especially useful for slicing work cloths, but only while in use.

Hammer: Originally employed as a weapon of war, the hammer nowadays is used as a kind of divining rod to locate the most expensive parts adjacent the object we are trying to hit.

Son-of-a-B-Tool: Any handy tool that you grab and throw across the garage while yelling Son-of-a-Gun! At the top of your lungs. It is also, most often, the next tool you will need.

Article source, The internet.

"Restorer Magazines"

14 Copies were supplied to Mr. Don Henry for his collection of Restorer magazines. Call or send your list of desired copies to Dick Smith and maybe we can add to your collection too. Donated copies are supplied on a first come basis at no cost. These magazines were donated by current and past members.
