## President's Letter August 2011

The July Pot Luck meeting was so successful we will have an AUGUST POT LUCK meeting. Look for details a page or two back.

The 4<sup>th</sup> Thursday breakfast at Arthurs was well attended and the 1<sup>st</sup> Saturday "BS" breakfast at Spiros is coming up. You are missing out on some great eating & socializing if you aren't attending.

Our Goodyear tire purchase from Kelsey Tire ended with all 44 tires, tubes and liners distributed.

Although I won the hard luck trophy last month, Bob Hawkins came up to talk after the meeting with a far more serious problem than mine. Hopefully he will tell us about it at the August meeting.

Congratulations to Rick and Louise Hall on their Touring MARC of excellence award at San Diego.

You may want to keep Dick Smith's excellent article in July's Distributor on interchangeable Model A parts and sources for purchasing them. It is a great resource. Thanks Dick.

**Reserve October 22<sup>nd</sup> for *The Presidents tour* and Poker Run to Oak Glen, not Julian as previously advertised. This is the first time in 10 years. Don't miss it. You have 2 ½ months to prepare. Maybe this could be your 1<sup>st</sup> tour? Bring the kids, grand kids, friends and neighbors.**

**The tour will be on country roads easily traveled in any stock Model A. There will be frequent stops with 5 playing cards drawn along the way. We will stop in a park for lunch prior to arriving at Oak Glen. Your lunch will be piping hot since you cooked it on your Model A manifold, a time honored Model A method.**

**If you are timid choose something pre cooked that just needs heating. For adventure and fame, try something creative, maybe *Road Rage Ragu, Speed Shift Shrimp, Meandering Meatloaf, Cruise Stew, Motoring Macaroni, Back Road Burritos or an old favorite, Road Kill Rancheros.* People's choice for the best of the best will be awarded a bottle of wine. (What wine goes with Road Kill?).**

**You will have time at Oak Glen to check out numerous orchards, cafes, an antique store, a petting zoo, a 1930s school, and local apples to purchase in many varieties. THIS IS NOT THE END OF THE TOUR! The return trip home will be on different country roads. We will stop at a park close to home for the opening of your poker card envelopes and a dessert of apple pie. There will be several poker hand winners but we will ALL be winners having driven the Oak Glen Tour.**

## A California Nonprofit Public Benefits Corporation General Membership Meeting Minutes

**Date:** Thursday, July 14, 2011

**Time:** 7:15 pm

**Location:** Children's Hospital of Orange County      Wade Education Center      54 members in attendance

The meeting was called to order by Richard Parrish, President, with a flag salute led by Don Goodwin.

Visitors – Doris Marshall was absent tonight so Kathie McCall announced Jerry and Patty Neat are new members with a 1930 Tudor. Derrel and Diane Gollighugh are attending tonight's meeting.

Roster Drawing – The name pulled for tonight's drawing were Wayne and Martie Wiedle. The pot was \$40. Unfortunately, they were not at the meeting so the pot rolls over to \$50 for the August meeting.

Minutes – A motion was made and approved that the minutes are approved as published in the Distributor.

Treasurer's Report – Joe Goff presented the Treasurer's report, including the final figures for the Pancake Breakfast. The report was approved.

Distributor's Report – Pete Hyland advised articles are due by the 30<sup>th</sup>.

4<sup>th</sup> Thursday Monthly Breakfast – Terry Collings says the next breakfast will be held at Arthur's Restaurant in Orange, on 7/28.

New Business – Colleen Schmidt received a thank you card from CHOC Foundation. The club is putting together a small order of Schaffer Oil at \$6 per quart.

Sunshine & Sorrow – Mark Plotkin had surgery and is coming along fine. Lisa Bannister is overloaded with work as Doug Bannister is recovering from a back injury.

Activities/Tours – Don Ratzlaff has a correction for the tour to Original Mike's. It is now going to be on Saturday 7/30, with lunch at 11am. The Poker run and manifold cooking tour is going to be hosted by the Parrishs at Julianne instead of Oak Glen, but on the same date in October. The BS session was attended by 12-13 members and they had a lively discussion. There will be a tour on 9/10 to Sylmar, with a sign up sheet up front. The Lions Museum has asked us to attend their event. Don has invited both the Harbor and Whittier clubs. Several members attended the MARC convention, with some going for the whole week. Two of our members received awards of excellence. Sheila Plotkin is the chair of the Progressive brunch (on 12/17 beginning at 10am). Cost is \$5 per person and due by 12/7. Directions will be in the Distributor to get to each house. Don reminded us that Fullerton Airport Day happens on the second Sunday of every month, with lots of antique airplanes starting about 1960. Wings & Wheels has five modern cars going. Phil Joujon-Roche announced a swap meet on 7/22-7/23 at Los Alamitos Racecourse. This was not in the Distributor. There is a \$6 entry fee.

Hard Luck Trophy – At the open forum of the meeting, Richard Parrish seemed to have won the Hard Luck Trophy by default. However, Bob Hawkins retold the story of Marilyn Singer and her and friend standing up in the back of his Model A coupe during a parade. They proceeded to do back flips out of the rumble seat when he car jumped forward. Both ladies were taken to Hoag Hospital with bruises and contusions, narrowly missing a serious injury. Remember this story the next time you let someone stand on the rumble seat.

Regional – Bev Marsh reported there will not be another regional meeting until November.

Refreshments – Colleen Schmidt expressed appreciation to those who participated in tonight's potluck. Next month, desserts will be members with a last name of A-L, with main course last names of M-Z. In September, we will return to our regularly scheduled meetings.

Scholarship – Nothing to report.

50<sup>th</sup> Anniversary Party – Tissy Smith announced RSVPs need to be returned by 7/31. The event will be a luau with food, entertainment, and a great time for all. This is the time to wear your Hawaiian attire. Joe Goff will bring the remaining license plates to pass out.

Education – Our guest, Laura Jacobson of Hagerty Insurance brought tote bags for club members. She is in charge of Hagerty Insurance's brand awareness. She suggested we visit their blog, 365 Days in a Model A. Laura reminded us they have a Historical Vehicle Association to ensure vehicles of yesterday will be on the road tomorrow. Check out the Ethanol petition on their website. Don Ratzlaff presented some short film clips.

Meeting Adjourned – 7:40pm

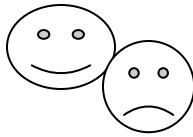

## **JULY ROSTER DRAWING (Don R)**

**Alright everyone the July roster drawing has happened; you know, that's where we draw a random numbered card and match that number to that of an alphabetically numbered listing of the club membership. The prize was \$40 and the name that matched the random number was that of Wayne and Martie Wiedle. They were not present soooo; the August drawing grows to \$50. Will your name be next? I hope you are present if it is! Good luck; see you in August.**

# HISTORIANS CORNER

Dick Smith, Club Historian 8/2011

In this and the coming months ahead, the "Historians Corner" will honor many long time members and some past club officers, by inviting them to share their memories of their love of their Model A Ford. These members have all been a positive influence, which has made this club what it is today.

This month **Al Zannino** has written about his reflections of many years with his first Model A Ford.

## Reflections on years past: by Al Zannino

### MY "A"

I moved into my current home in 1974. I saw this 1931 Model A Ford coupe across the street in a neighbor's garage with years of dust and cobwebs dulling its black paint. It had flat tires and the chrome bumpers were corroded green and rusty. I thought it was beautiful and got really excited. With a little work and elbow grease I could make this car a nice driver.

I have always loved old cars and once owned a 1938 Chevy PU and a 1936 Ford V8 dune buggy. I asked if the car was for sale and how much. The lady owner said \$10,000. Disappointed, I said "When you are serious about selling it, let me know".

I got to see the old Ford drive down the street backfiring, misfiring, smoking, and rattling a couple of times, whenever one of Louise's boy-friends would take an interest in the car. When I inquired about the car, about every three or four years, I received the same answer that I got the very first time. I replied with my same answer. Some years later Louise put her house up for sale and it sold quickly. I received the call I had been waiting for. She asked if I knew the value of the Ford. I told her I did not, but she could get an appraisal and we could start from there. She indicated she did not have the slightest idea where to get someone reputable to appraise it. I remembered there were two old Ford parts stores in Orange and suggested she check with them. Two guys from the local Model A club Dennis and Bob checked out the car, got it running again on 3 cylinders, and made an

offer. Louise told me she had a firm offer of \$3,500 and she wanted \$4,000.

I bought the Ford I had wanted for the past 12 years. I did not even know the starting procedure for a Model A. I went down to the old Ford parts store 8 miles away to buy an owner's manual only to find out they had moved to a new location 1.5 miles from my home. After reading the manual cover to cover I went to take my first drive in a Model A Ford. I only had to go from her garage across the street to my garage, but what a thrill.

I have now owned that coupe for 25 happy years and every time I get in and start her up, I still get that same thrill. I'm not sure what it is about driving a Model A, but I notice that the majority of people are friendlier and smile when they see it. Maybe it's because when the Model A's were made the world was a gentler place. Life seemed to be going at a slower pace, you could seal a deal with a handshake instead of a contract, a man's word was all you needed, and people were kinder to one another. Most people did not have a lot, but they thanked God for it, and even shared what they had. I think we all miss that time in America and seeing a Model A brings some of those thoughts back.

I often smile when some stranger comes up to me when I'm getting in or out of my old Ford and tells me their dad or grandfather had one just like mine, ...only it was a Chevy ....sedan... that was green.... Well close enough. It's the good feeling they get when recalling those memories.

My Model A is not a show car; it's only a driver with lots and lots of miles on it. I thoroughly enjoy driving my A and I am glad other folks get some joy out of it too. Make your neighbors happy too by driving your old Model A Fords as often as you can.

**Do you collect the MAFCA Restorer magazines?** If so, I have many copies from the mid-70's to current, that was donated by our members to be shared with our Orange County Model A members at no cost. Just contact me with your issues desired. I also have older issues at a minimal cost from some members.

This month we are supplying 12 issues to Don L. Henry due to his collection being damaged by a water leak.

# WINGS and WHEELS

By Esther Goff

Our annual Wings & Wheels kicked off Friday, July 15. Joe & Esther Goff, Bruce & Joanie Harris, Bev Marsh and Sheila Plotkin grouped together Coco's restaurant in Garden Grove for the tandem drive to Solvang. Don & Carolyn Ratzlaff and Ed & Pattie Cote came from across town and we all met up in Oxnard at a Burger King and had lunch. We all drove modern cars. This started off a wonderful time of socializing and eating. Drain & Doris Marshall came up with the Harbor Club. Bev drove her white Mustang which she later exchanged with son Doug, who came for the Saturday Dinner. Bev then drove this car, a T-Bird home.

We drove then to Buellton to Split Pea Andersons, our motel. We registered at the motel and then went out to the air strip to register for the event. Friday evening at the motel we sat around the pool grounds, had a happy hour where we shared wine, food, laughed a lot and had a lot of fun telling stories.

Saturday morning started with a wonderful continental breakfast in the motel gazebo and then off to the airport.

On some of the tours we doubled up. Had the pleasure of meeting "Shadow" which is the name Bruce & Joanie named their car. Joanie talks to Shadow a lot and tells him to look out for garage sales. They are garage sale addicts and it was difficult to keep them from leaving the tour whenever they saw a garage sale sign and there were many!!

Dom Cimarusti joined us on Saturday for the day. Kevin & Kathleen Schaner, along with their extended family drove up in a 1940 Mercury. Did you know that Kevin is one of 13 children?

Tour stop #1 was to the Lavender fields. What a beautiful sight and the aroma from the flower fields was soft and sweet.

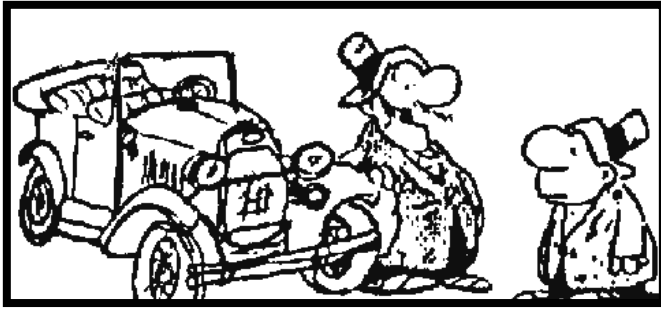

Tour stop #2 was the Elverhoj Museum which has the history of the Danish people, memorabilia, and crafts. A woman was there showing us how to weave lace!!! Our tour guide was highly informative. They also set up Danish pastries along with tea and coffee for us to partake.

Then onto a box picnic lunch at Los Alamos Park. Exceptionally large sandwiches to select from, ham, turkey and vegetarian, along with potato salad, pickles, and drink.

After this, many were pooped and rested back at the motel, but Esther, Bev and Joanie went bargain shopping in Solvang for a couple of hours. The stores are so quaint and if they don't have it, it does not exist. Then back to the motel and picked up the rest of the gang and then to the airport for a catered affair of Bar BQ Tri-tip, chicken, many assorted salads, baked beans and dessert. The caterers out-did themselves.

After this large meal we sat around and visited for a while, giving the men a great opportunity to share/exchange mechanical talk and then we all walked around and looked at the cars. There was tremendous camaraderie among all the participants. Really felt like a family. There were no plane rides on Saturday due to very windy conditions.

Sunday morning was motel checkout and then to the hangers for breakfast. They served wonderful sausage and Danish Ebelshivers. These are approximately golf ball size pancake biscuits and are served with powdered sugar and syrup. The wind had died down so plane rides were available. Then we started to head home around 10:30ish. Ed & Pattie stayed on for another night. Joanie, Bruce & Sheila left early. We all had great concerns about the "carmageddon" on the 405.....But it was open by 11:30 and we just breezed through. Joe & Esther followed Bev as she was a little concerned about driving the T-Bird alone. We went home by Cachuma Lake. What a beautiful drive and very easy to maneuver the curves. Thank you everyone who attended and knowing what fun and great meals we had. I know we will all be there again next year.
