## President's Letter December 2011

Sadly, our friend and exuberant raffle chairman, Charles Cohen passed away in November. He graciously accepted the position and turned it into something exciting. He frequently came up with donated items useful to our members, such as the oil recycle containers.

We will miss his upbeat and friendly presence. We extend our condolences to his wife Harriett and his family.

At the November meeting Ed Cote' carried out Charlie's last planned activity, an auction. Who knew Ed was such a showman? It was a lot of fun and a real tribute to the memory of Charles.

I would like to thank Ed for his fantastic performance. I would also like to thank him for taking the baton and assuming the position of meeting raffle chairman.

### There will be no regular club meeting in December!!

Plan to attend Don Ratzlaffs Mission Inn tour this Christmas season. It is an enchanting step back into a slower more relaxed time for an afternoon and evening at the Inn. There will be millions of colored lights, music and an optional guided tour. Relax in the cool evening and share a meal with friends before returning home, OR, optional stays overnight at America's Best Value Motel, and enjoy breakfast with friends, before returning home.

***Remember you are always welcome to take your modern car on club tours if your Model A is not ready or you are more comfortable driving freeways or at night in your modern car.***

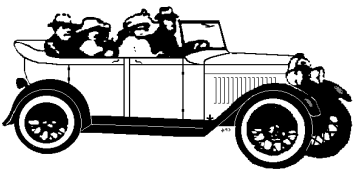

Make time for yourself and your family this joyous season. Celebrate your family traditions, be with family and friends and don't miss out on our Model A banquet and Mission Inn Tour with friends to end a very successful year.

The New Year starts with two new board members in technical and tours. Contact them to thank them for their service to the club and suggest an interesting tour and/or technical seminar.

**Mail your banquet reservation check to Joe Goff  
right now to join in the December fun.**

**We wish you a Merry Christmas, Happy Hanukah and a  
Happy New Year.**

**Richard**

## A California Nonprofit Public Benefits Corporation General Membership Meeting Minutes

**Date:** Thursday, November 10, 2011 **Time:** 7:36pm **Location:** Children's Hospital of Orange County  
Wade Education Center 55 members in attendance

The meeting was called to order by Richard Parrish with the flag salute led by James Bush.

**Visitors:** Doris Marshall had surgery on her leg, requiring her to be absent tonight. Steve McNash got a Model A three weeks ago and needs a little help. Farris Worton, a returning member, has a 1931 model a pickup truck.

**Minutes:** A motion was made by Terry Collings, seconded by Pam Heiland, that the minutes be approved as published in the Distributor.

**Treasurer's Report:** Joe Goff presented the budget for the 2012 year to the membership. A motion was made by Tissy Hatcher and seconded by Ed Cote to approve the budget as presented.

**Roster Raffle:** This month's raffle was for \$80. Marshal and Maureen Zimmer's names were chosen, however they were not present, so in January the raffle will be \$90.

**Name Badges:** See Rick Hall if you need one.

**Technical:** Although Jerry O'Brien was absent from tonight's meeting, he arranged to have 11 new tires put on rims at the technical meeting.

**Sunshine & Sorrow:** It is with great sadness that Jeanne Parrish informed us Charles Cohen passed away Tuesday. Funeral services will be held on Sunday at 11 am at the Home of Peace, 4334 Whittier Avenue, Los Angeles. It will be a Jewish ceremony. A reception will follow at 216 Harbor Lane, Seal Beach, CA. Charles' son's name and number are at the desk up front. Dan Adelman is still doing okay. Mimi Sickman is in rehab in Tustin, having a bit of a slow recovery. Please send cards to her home. Doris Marshall had surgery today to put stints in her legs. Colleen Schmidt said Don's cast is not quiet ready to be removed. He thanks everyone for the cards.

**Installation Banquet:** The banquet will be buffet style on 12/18. Cost to members is \$30 per person. Please sign up tonight and send checks to Joe Goff. Happy Hour begins at 6pm at the Claim Jumper in Fountain Valley.

**Medallions:** Mark Schwing presented the exemplar medallion. This is the final version. A request was made for belt buckles instead of medallions. These would require a minimum order of 40 at \$25/each. Looks like we will go ahead with the purchase of the medallions.

**Activities/Tours:** Don Ratzlaff reported the poker run went off with no major breakdowns. The apple crisp at Art and Olive's home was very good. A mileage and tour chart up front. Please update the list. A master's degree student was making a Bonnie and Clyde type movie and we will be getting a copy of the DVD in the spring.

The tire changing was quite comical with three men doing a dance on a tire trying to seat a rim. It seems the secret of the technique is to use of a plastic bag. Seabees Museum – it will be a long drive (two hours by freeway). December's Mission Inn tour will probably be an overnight event for Model A's and it should be an interesting tour. They will have a docent for us. The cost of the tour will be \$13/each. Riverside Mission Hotel is offering \$75 for two double beds, \$60 for a single double bed and has had good reviews. It is very close to the Mission Inn. The Breakfast Scuttlebutt meeting will include a speaker from an oil company. Please make an effort to come on some of these tours.

**Distributor:** Pete Hyland has some extra distributors. If you put an ad in the Distributor and the item sold, please let him know. We have the usual deadlines.

**4<sup>th</sup> Thursday Breakfast:** Terry Collings advised the meeting would normally be the same day as Thanksgiving, so no breakfast this month.

**Hard Luck Trophy:** We had many interesting stories this month. Diana Stewart won the manifold cooking contest on the poker run and then on a hill, using her clutch, the car stalled out. She began rolling backwards and damaged her trunk. Then, going down the hill, her car started overheating. Greg Earhart was kind enough to give her some helpful suggestions. Diana ended up calling the Auto Club once she got to Art & Olive's. Yes, her car still needs help. The good news is the pickup she rolled into suffered no damage. Carolyn Ratzlaff's manifold recipe was Shepherd's Pie. John Knox put in a new engine with the assistance of Dominic in just two hours but they had an extra part – the throw out bearing. Dorothy Knox went right to work and put it in.

At the 4<sup>th</sup> Thursday breakfast at Watson's Drug Store, a member made an illegal turn and was cited by the police. This same person, while leaving Watson's Drug Store believed their car would not start and must be out of gas, only to figure out they had forgotten to flip the gas switch. It happens to the most experienced driver.

**Election Committee:** Election Chairman Kathie McCall advised Rick Hall will take over as Technical, with Walt Otto and Frank Mowrer doing Activities. Please vote for the Member of the Year.

**Southern California Regional:** The meeting will be in Arcadia on 11/19. They have been working really hard on the MAFFI car. Many other clubs have gone up and worked on it for a few hours. It is at Bob Trouseau's house. Bev Marsh will find out when the next work party will be.

**New Business:** We will have an abbreviated meeting at the installation dinner. Ed Cote has agreed to have an auction in place of the raffle this month. The club will donate \$50 to the City of Hope in honor of Charles Cohen. Colleen Schmidt asked for volunteers to bring refreshments. There is a sign up sheet up front.

## Tire changing session

Well it looks like a few of us are **retired!** By that I mean we have put new tires on our Model A wheels. Gerry O'Brien hosted a "tire changing" seminar at his house on 11/07/2011. We learned that a plastic trash bag placed between the wheel and tire enables the tire to slip over the wheel-rim with a minimum of effort. Watching two or three individuals lock arms and dance the tire onto the rim is an awesome sight! Did I mention that the donuts and coffee were consumed with gusto? When the dust cleared the count was eleven tires installed onto wheels; good job!

## Roster Drawing

And then it was time for the monthly roster drawing; a hush fell over the membership and a name was drawn. It was a tense moment as the name was called out ...Marshall (Ozzie) & Maureen Zimmer, are you here? Sadly, you were not present and couldn't claim the \$80 prize. However, that means the next drawing will be for \$90, just think what you could do with \$90! See you at the next meeting.

## 10/28/2011 Fourth Thursday Breakfast

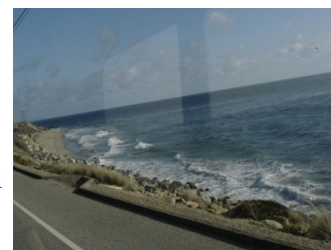

Kudos go to Terry Collins for arranging a breakfast get-together at Watson's Drug in Orange, CA. There were 20 some members in attendance all enjoying the camaraderie of a good breakfast together. It was a good event, thanks again Terry!

## Tour to the Seabee Museum at Port Hueneme

It was 8am and we gathered at CoCo's Restaurant on Valley View in Garden Grove, got our coffee and saddled up for the 90 mile drive northwest. Three model A's, and 3 modern vehicles were about to travel the #405 freeway to the #10 west to highway #1 up the coast to the Seabee Museum at Port Hueneme, CA. The weather man had indicated the possibility of showers but they did not materialize, in fact the day was a beautiful "scattered clouds"

kind of day. We arrived at the museum at approximately 11:30 am; had no problems with the drive up. Enjoyed the tour of the museum; it is a new facility, dedicated to showcase the missions of the US Sea Bees. They are scheduled to have all their displays in place by 2014. We ate lunch at an outside facility on the Port Hueneme beach specializing in Fresh Caught Halibut; excellent! We left at approximately 2:30pm and arrived home at 5pm. A couple minor mishaps occurred on the way home but I'll let Greg and Richard fill you in on those. It was a nice trip, you should have been there!

## 1st Saturday Breakfast BS session

What can I say; about 20 of us enjoyed breakfast at Spiros Restaurant in Orange, CA on Saturday Morning November 5<sup>th</sup>. The conversations were lively and some even related to Model A stuff.

Next month on December 3<sup>rd</sup> we will do it again. This time we'll have a speaker from A.P. Fischer Inc.; he will tell us all about High Zinc Oil as it relates to Flat-Tappet Camshaft Protection. Hope to see you there.

# HISTORIANS CORNER

Dick Smith, Club Historian 12/2011

In this and some coming months ahead, the "Historians Corner" will honor many long time members and some past club officers, by inviting them to share their memories of club life over the years. These members have all been a positive influence, which has made this club what it is today.

This month **Jeanne Parrish**, a 49 year member, and the current **club first lady**, has written about her reflections on years past, which are a compilation of past activities and social good times.

## Remembering by Jeanne Parrish

We joined OCMAFC sometime in 1962. Debbie, was one year old, Brenda was due in January '63. Mark was not far behind in November '64 and we now had a problem with space for three babies in our 1931 Deluxe Coupe, which was very, very unrestored! We moved from our home in Fullerton to Garden Grove just as Mark arrived. The three little ones kept me busy but we still attended the Pomona swap meet with our good friends Jim & Bev Marsh who now had four kids of their own. The Pomona swap meet was then hardly as big as our swap meets, now at high schools.

The coupe had to go and Richard replaced it with a 1930 Tudor that he immediately turned into 10,000 pieces. He and Jim worked, on our new "car" and Jim's equally disassembled Roadster Pickup it seemed, forever. Our good friends Pat & Donna Peddicord had two beautifully restored Model A's, an A400 and a '31 Roadster. They let us drive, either car, any time we wanted. I wonder why our car restoration slowed down. We women started to take a more active part in the club. We shopped antique shops and swap meets for era clothing for the entire family. The Izaak Walton club house in Santa Ana was our meeting place. The decor of this old building were a variety of stuffed animal heads all over the walls. At Christmas time, you should have seen the antlers and horns of those "darn" animals, wreathed in paper chains and Christmas balls! John Heiland was always our Santa and the kids could never figure out who it was, until one recognized his shoes. This continued until we ran out of kids and even grand kids. Part of the fun for them was playing on the adjacent golf course and getting chased off by the grounds keeper, "every month". Memories of those early years include activities such as yearly weekend campouts at Idyllwild, above Palm Springs, Artesian Lakes near Escondido, (where all our kids played in a small "mud lake"! What fun!), and weekends prior to Memorial Day in Santa Barbara (with "luxury" accommodations at the Motel 6! We loved it and the owners of the motel saved all their rags for us every year. You never saw a more car-polishing group!) Also, meets in Yuma, AZ, Rim of the World, Lake Arrowhead and New Year's Eve parties. Pot lucks and poker runs began and enjoyed by all.

The Orange Co Roundup was *The* best of the best meets. A combined score of judging car and family era clothing produced huge numbers of winners from near and far in numerous categories. Knott's Berry Farm was then without gates, walls or admittance fees. There was always a parade thru Ghost Town. We gathered near the Calico Saloon square and steam train. One of our most avid fans was none other than Mr. Walter Knott, always with a big smile on his face. The Covered Wagon Circle, with adequate seating on benches and inside the wagons (kids loved this!) provided a perfect setting for our Awards Ceremony and the end of a perfect day with Model A friends and family. The roundup lasted about 23 years.

The Orange Co Pancake Breakfast, of course, has persisted 50 years. It was both a Spring and Fall event in Hart Park and was going strong each year right along side the Roundup. We originally cooked on large stone fireplaces with griddles and wood was our fuel. We cracked fresh eggs, cooked them to order (somewhat), sausage patties and fed "large crowds" of 50 or 60 people! We then had a gymkhana on the top level of the Union bank building in the afternoon.

One long, long weekend, the club rented a huge 3-level cabin in the mountains. There were bunk beds everywhere and it seemed the whole club attended. It rained very heavily all night ....maybe even a small hurricane! Roof leaked from top to bottom floor. It was wet, cold with no sleep! Ah, "Memories are Made of This"!

The most remembered ladies event was the great "Orange County Follies" of 1966 and "MAFCA Follies" of 1969. Orange County members were asked to provide entertainment for the National Banquet/Installation Dinners in the December months. Sandy Antonacci, was our director for both of these off-Broadway (very off!!) hit shows. We would do record pantomimes to hit songs of the 20's & 30's. Era clothing was worn and rehearsals were held for many weeks. There were solos, choruses, and the "dirty ole man" (Larry Boef) skit from "Laugh in". The show ended with many of our men performing "in drag" in a chorus line. The show was a great success and ended with standing ovations. (Featured in Jan. Feb. issues of the 1967 & 1970 Restorer Magazines)

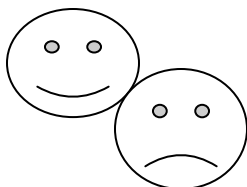

Richard and I have traveled over a 100,000 miles in our Model A's and accumulated a million memories of almost 50 years in the Model A Ford Club. Our children grew up in them and we now enjoy traveling with children, as well as grandchildren on many of our trips.

Parrish Family @ Knott's Berry Farm circa 1967 at the Orange County Model A Ford Roundup

## Sunshine & Sorrow

By Jeanne Parrish

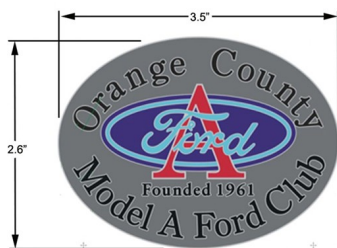

Mimi Sickman is now home from rehab and it is a slow journey to full recovery, but she is a tough little lady with a very good caregiver, Red, right beside her. We are hoping to see them both real soon. As you know, Charles Cohen, passed away on Nov. 8, after a 2 1/2 month battle with a brain tumor. He offered so very much to our club for the 6 years he was a member. In lieu of flowers, we sent a donation in Charles' memory to the City of Hope. We send our deepest sympathy in friendship to Harriet and family.

Hoping for another great New Year within our club. See you "On the Road"! Merry Christmas to all and may all your holidays be joyful.

## Club Medallion (Don R)

The membership present at the Septembers Meeting voted to make a club medallion available to members. A minimum order of 40 medallions at a cost of \$25 each was authorized. These medallions would be made available to members at cost (i.e. \$25 each). The accompanying sketch illustrates medallion design. If you wish to purchase, please fill out the order form below and mail to **OCMAFC, P.O. Box 10595, Santa Ana, CA 92711** Do not send payment at this time.

## Cruise Paradise 2012

Cruise Paradise 2012 on the big island of Hawaii is being planned for next summer. The event occurs every three years. I have attended the 2003 and 2009 event. Both times we shipped our car over by Matson. The cost was around \$1600 round trip. The cars were put in containers, two to a container. It was very painless. The cars were driven to the Long Beach terminal and we picked them up at the terminal in Hilo. The return was the reverse.

I would be interested in going, if we can put together a group of at least ten cars. This would give us a Matson price break and comprise a nice tour group.

The tour group would set their own pace and organize their own touring. Three Orange County club members reside near Hilo and will most likely be involved in the event. Krug's, Ferazzi's, Steed's. (Please call Tom Endy for information. I did not have room to print his attachments.)

Regards, Tom Endy

**Do you collect the MAFCA "Restorer" magazines?** If so, I have many copies from the mid-70's thru early 2000, that were donated by our members to be shared with our Orange County Model "A" members at no cost. Just contact me with the issues you desire. I also have older issues at a minimal cost available from a member from another club. # SOUTHERN CALIFORNIA REGIONAL NEWS By Bev Marsh

The last meeting was held at the Perry's home in Arcadia on Sat. Nov. 19th. One of the subjects was the restoration of the 1929 sedan that some of the region members have been doing. This MAFFI car will be displayed in the future museum in Michigan. As I mentioned at the meeting, our club has not done much of the work. Tom Endy not only did the rear end but also the transmission for the car. OCMAFC paid for the part and Tom contributed the labor. The car is almost done, it is beautiful but in serious need of a good Cowl band. It is a rare one because it only came on the '29 Town Car, Town Sedan and the Cabriolet. There are only 2 more sessions scheduled to work on the car and then it should be done! Join in, get your fingers a little greasy, enjoy the camaraderie and go out for a free lunch afterwards. The website ([www.MAFCA/SCRG.com](http://www.MAFCA/SCRG.com)) has been updated recently. here you can get the calendar of upcoming events, arrange to get the newsletter and add pertinent news to Carla Hibbard, editor. Most of those coming events in 2012 were announced.
